Chapter 1607

Corentin hugged Ashlynn. "I heard that Tommy's dead, so your parents' murders have been avenged. Now, they can only rest in peace. Calm down."

Ashlynn collapsed in his arms as she cried. Then, she started to feel waves of throbbing pain in her belly, and her face turned pale.

Corentin noticed something was not right with her, so he hurriedly roared at the driver, "Go to the hospital now!"

"Hurry up!" Jeremy urged. He held Ashlynn's hand and realized that it was freezing. "Ashlynn, you have to be alright. You still have me! Hang in there, Ashlynn!"

Ashlynn looked at him with tears in her eyes. She was extremely saddened. She could not understand why things would end up like that. Did she not deserve to have parents?

When Ashlynn woke up, she was already at the hospital.

She subconsciously touched her belly, but Corentin grabbed her hand. "You're showing signs of miscarriage, so you need to recuperate."

Ashlynn scanned around the room and asked, "Where's Jeremy?"
