

The Divorce Prescription

#Chapter 639 - Read The Divorce Prescription Chapter 639

Carly looked at the event organizers. "Isn't the Apex Gala exclusively for the elites on the Billionaires List?" she asked.

The organizers nodded. "That's right."

"Then, if someone isn't on the Billionaires List, wouldn't that mean they snuck in?"

The organizers affirmed, "Everyone attending the Apex Gala is from the Billionaires List. There's absolutely no way anyone snuck in. If someone did, we would remove them immediately!"

Melody was satisfied. "This Apex Gala is filled with prominent figures. If someone snuck in, it would lower our status. They need to be kicked out immediately!"

Carly smiled. "Well, there's someone here who snuck in!"

"Who?"

Carly pointed at Celine. "Her! Celine!"

Celine raised her willow-shaped brows but said nothing, only smiling.

Carly had made a big scene, and now all the elites at the gala had gathered around to watch.

This was exactly what Carly and Melody wanted. They wanted to humiliate Celine in front of the high society crowd and have her thrown out in disgrace.

They would be able to laugh at her forever.

"Ms. Hampton, are you saying that this Ms. Celine snuck in?"

"The name 'Celine' isn't on the Billionaires List."

"Could she really have snuck in?"

"A lot of women these days try to climb the social ladder by dressing up like heiresses and sneaking into these elite gatherings to catch a big fish. Could this Celine be one of them?"

"Then, she's really unlucky to have been caught red-handed by Ms. Hampton!"

The crowd started whispering about Celine.

Carly looked at Celine smugly. "Celine, now that I've exposed you, will you leave on your own, or should I have someone throw you out?"

Adam pressed his lips together and stood tall beside Celine. "I brought Celine here. No one is allowed to touch her!"

Celine retorted, "Adam, Celine snuck in just to latch onto you. Don't let her fool you."

Celine smiled. "Carly, you really did find the perfect chance to embarrass me tonight. But I'm afraid you're going to be disappointed because..."

Celine straightened her delicate back and slowly stepped into the dazzling lights. Her clear, captivating eyes swept over the entire crowd before she spoke. "Because I don't need to climb the social ladder. I don't need to cling to an elite. I am the elite!"

Celine stood at the center of everyone's attention and declared she was one of the elites. Her crisp, melodious voice was unwavering, each word resonating with confidence.

Adam looked at Celine. In that moment, she shone like a luminous pearl, dazzling and impossible to look away from.

Suddenly, something stirred in his memory-Celine looked strikingly similar to someone from his past, a figure of grace and elegance he had once seen.

Adam's sharp eyes slowly married. Could it be that Celine and that woman were the same person?

Carly burst into laughter. She looked at Celine with disdain. "Celine, did you really just say that you're the elite? You really know how to brag. Do you even know where you are right now? Saying something so outrageous here is just ridiculous."

Melody added, "Your name isn't even on the Billionaires List. You're really forcing your way in. I almost feel sorry for you."

Celine looked at Carly and Melody. "Who said my name isn't on the Billionaires List?"
