

THE DIVORCE PRESCRIPTION

Chapter 756

---- Chapter 756 Celine paused for a moment. "We didn't get our marriage registered." "What?" Grace was taken aback. "You and Adam didn't? I thought today was the day you both agreed to get married." Celine said, "Adam didn't show up." Grace responded, "That brat... Has he lost his mind? Why didn't he go?" "I tried calling him, but his phone wouldn't connect. Has he been home at all?" "No. He hasn't come back." "That's strange... I haven't been able to reach him at all.

Could something have happened to him?" Grace's expression changed instantly. "Adam has been wanting to marry you for so long. It's unlike him to miss it. Something might have happened. Don't worry, Celine. I'll have someone look into it right away and call you back." "Alright." Grace immediately called Alfred over. "Find out what's going on with Adam-where he is and what he's doing!" Alfred nodded. "Yes, Mrs. Alvarez!" ---- Five minutes later, he rushed back, clearly flustered. "Mrs.

Alvarez, something's happened to Mr. Alvarez!" Grace shot to her feet. "What happened to Adam?" Bella asked, "What happened to Daddy?" Alfred replied, "Mrs. Alvarez, I checked just now. Mr. Alvarez has been admitted to the hospital." Celine sat with Hailey in the private dining room when Hailey asked, "Did Mrs. Alvarez send someone to check on him?" Celine nodded. "She did. I'm sure she'll call back soon." Just as she finished speaking, her phone started to ring. It was Grace.

Celine immediately answered. "Hello, Mrs. Alvarez? Have you found out where Adam is?" "Celine, it's bad news. Adam's been hurt-he's in the hospital right now!" Celine shot up from her seat. Adam was in the hospital? Hailey

jumped to her feet as well. "What happened to him? Why is he in the hospital?" "Mrs. Alvarez, please don't worry too much. I'll head to the hospital right now and find out what's going on," Celine said.

---- After hanging up the phone, she turned to Hailey and said, " Hailey, I'm sorry-we'll have to meet again another time. Adam's in the hospital right now, and I need to go see what happened." Hailey grabbed her bag without hesitation. "I'm coming with you!" "Alright." Celine and Hailey rushed to the hospital as fast as they could. The moment they stepped into the corridor, Celine stopped a nurse. "Hi, excuse me. Can you tell me which room Adam is in?" "You mean Mr. Alvarez?

He's in VIP room 405, just down that hall," the nurse replied. "Alright, thanks." Without wasting a second, Celine took off toward VIP room 405. Hailey stayed close by her side. "Don't worry, Celine. I'm sure Adam's going to be alright." Celine reached the door and pushed it open. "Adam-" She suddenly stopped, because she saw Carly in the room.
