

Priceless 2141

Chapter 2141: An Empty Happiness

"Miss Wen, take your time! We're leaving now!"

Wandou was amused by the way Xu Xiyan was putting on airs. She then pulled Xue Ziqi away.

After searching for a long time, Wen Shiyu couldn't find a card with a balance of 2.5 million yuan. In the end, she said angrily, "I don't want these clothes! Your service attitude is too poor! The style of the clothes is so ugly! I won't patronize this store any more!"

After saying this, she turned on her heels and left angrily.

The two attendants worked hard for a long time, but in the end, it was all for nothing.

They all felt that this Miss Wen was too arrogant and domineering just now. Her character was really terrible. She did not bring money when she went out, yet she still had the nerve to blame others for the poor clothes. She made them busy for half a day.

Wandou pulled Xue Ziqi out of the store.

"Sis Douzi, you're really something! My brother is right!"

Xue Ziqi was surprised by Wandou's actions just now. She did not expect her to handle it that way.

Not only did she not appear weak, but she also successfully angered that woman, Wen Shiyu. It was even more satisfying than scolding her.

"I'm not powerful. In fact, even the weakest person has a strong side. Even a rabbit would bite when it's anxious!"

Wandou had decided not to be a weak person anymore. She had to learn how to protect herself.

"Yup, that's right." Xue Ziqi grabbed her wrist and said, "Come on, let's go to another place! I don't believe she can buy the whole mall!"

They found another dress shop that was more cost-friendly.

Wandou chose a light purple dress that was very effective on her upper body. Xue Ziqi looked at Wandou who had changed her clothes and said in amazement, "Not bad, Big Sister Douzi! You look so beautiful in this dress! At first glance, I thought you were a celebrity!"

"This is too exaggerated. It doesn't even feel like me anymore."

Wandou looked at herself in the mirror and felt that she was a completely different person. Now she finally believed the old saying that a man depends on his clothes and a horse depends on his saddle.

"Not at all, just this one! I think if my brother sees it, his eyes will definitely light up!" Xue Ziqi encouraged.

Wandou thought about the occasion at night and realized that she really needed to dress more elegantly, so she stopped picking.

After she took off her clothes, she let the salesperson wrap them up and prepared to pay with her purse. "Okay, this is it then. Let's settle the bill!"

Xue Ziqi ran over in time and rushed to pay. "Sister Douzi, swipe my brother's card!"

"I have my own money!"

Wandou had saved up some money during her two years in Juxing. She was still used to spending her own money and felt more at ease.

"You can keep the money for yourself. Now pay for my brother!" Xue Ziqi handed the card to the salesperson and said, "Actually, you will become my sister-in-law sooner or later. Isn't my brother's money still your money? You don't have to save it for him. He just lacks a woman who can spend money!"

Wandou could not help but laugh when she heard this. She felt that Mu Chenguang's sister was quite a fun person. She was very amiable and also quite nice to her.

If she really decided to marry Mu Chenguang in the future, at least when she was facing the Mu family, with Xue Ziqi on her side, she would have less resistance.

Wandou planned to get along well with her future sister-in-law. If she saw a suitable gift later, she could buy one for her.

After paying the bill, she took her clothes to the shop selling shoes and tried on a pair of shoes.

When they passed by the jewelry store, Wandou stopped to look at a bracelet and asked Xue Ziqi, "Qiqi, do you think this bracelet looks good?"

"Yeah, it's pretty good."

"Help me try it on and see how it looks."

Chapter 2142: Enemies

Wandou asked the salesperson to take it out and put it on Xue Ziqi's wrist. Xue Ziqi looked at the bracelet and liked it very much. She praised her greatly, "Sister Douzi, you have good taste. This bracelet is very beautiful. Buy it! Buy it!"

"Fine!"

Wandou handed over her bank card. "I'll have it. Use this card!"

Xue Ziqi quickly took out her brother's card. "Use this card!"

"No need! This bracelet is for you."

"For me?" Xue Ziqi was very surprised.

"Yes. It's been a long time since I've met a friend like you. Talking to you is like talking to my sister."

"Do you have a sister?"

"I didn't have one, but now I do," Wandou said, staring into her eyes.

"I'm honored. Thank you so much Sis Douzi!"

Xue Ziqi came back to her senses and thanked her for treating her as her sister. She hugged her happily.

Wandou took the card from the salesperson and put it away. She pulled Xue Ziqi and said, "All right, everything is bought. Let's go!"

"Okay, I'll take you to the styling room next. The stylist in the studio I know is not only very handsome, but his styling sense is also very good! I'll bring you over and have a look!"

Xue Ziqi took Wandou to the high-end styling salon that she usually liked to go to. She planned to find the most famous stylist in the salon to style her.

"Is Mr. Nick here? I'm looking for him to help my friend."

One of the shop assistants explained, "I'm sorry, Miss Xue. Mr. Nick is helping a big client with her styling. Could you wait a moment?"

"How long do we have to wait?"

"I'm not sure. It might take one to two hours."

It had been too long. By the time the stylist arrived, they might miss their meeting at night.

Xue Ziqi said, "All right, recommend a stylist to us. We'll do it now."

"All right. Which lady would like to go first? Please follow me!"

Xue Ziqi let Wandou follow her in while she waited for her outside.

Wandou was brought into the interior styling room. There were a few guests who were doing their styling. Wandou took a glance and realized that the people who were doing their styling were either rich madams or famous celebrities. She could tell from the way they dressed.

As they walked further in, Wandou ran into a familiar face. It was none other than Wen Shiyu.

She was in the middle of styling herself when a wealthy-looking middle-aged woman in a cheongsam appeared beside her. She looked a little similar to her. If she guessed correctly, she should be Wen Shiyu's mother, Wen Zhehan's second wife, Li Meien.

The shop assistant who had received her brought her over and told her to sit here for five minutes. After five minutes, the stylist could finish Miss Wen's work and help her.

Wandou nodded and sat down. She took the magazine and flipped through it to pass the time.

Wandou's seat was right behind Wen Shiyu. Wen Shiyu had been looking down at her magazine when she heard someone coming from behind her. She raised her eyes and looked in the mirror. She happened to see Wandou.

"Mom! Mom..."

Wen Shiyu could not move on her own. She immediately called her mother.

"What's wrong, Xiao Yu?" Li Mei'en asked.

Wen Shiyu kept staring at Wandou in the mirror and said to her mother, "Mom, look who's sitting behind me."

Li Mei'en turned around and saw Wandou. Wandou had her head lowered. It took her a while to recognize her. "Is she the woman who hit you in the video?"

Chapter 2143: Teach Her A Lesson

"Yes!"

After Li Meien confirmed that the other party was the one who had hurt her daughter, she was furious. She got up and walked over, questioning, "You are Wandou, right?"

Wandou suddenly heard a woman's voice above her head. She raised her head and looked at her.

However, before she could see clearly, she was slapped hard on her cheek.

Pa!

Wandou grimaced in pain. She covered her face with her hands and stood up. She glared at Li Meien. "Madam, is there something wrong with your mental state?"

"Is that how you talk to others? I can tell that you have no manners! You dared to hit my daughter today. This slap is a lesson for you. If you dare to bully my Xiaoyu again, I will teach you a lesson!"

Li Meien glared at her hatefully. If not for the fact that there were many people present, she would still punish her even harder!

Wen Shiyu saw the scene of her mother hitting Wandou in the mirror and was delighted. She wanted to punish that bitch, but she didn't have to do it herself. Her mother was famous for being protective of her own.

"You're Mrs. Wen, right? You said that I beat your daughter up because she was uneducated, but does that mean you're well-educated? Do you think a well-educated woman would beat someone up for no reason? I really don't know where your family's upbringing came from. Moreover, your husband is the principal of the school. Is this how you give him face outside?"

Wandou mocked.

"What a sharp-tongued girl! No wonder you were able to hook up with Mu Chenguang and steal my daughter's boyfriend. You must be very scheming."

It was Li Meien's first time experiencing Wandou. She could not be underestimated.

Wandou's eyes were cold. "Mrs. Wen, you might be mistaken about one thing. Mu Chenguang and your daughter have never started a relationship. There is no romantic relationship between them. Secondly, as an outstanding single man, any woman will like him. There is no such thing as seducing him. As for how scheming he is, you will have to ask your daughter. She will not pass up the responsibility!"

Wandou looked at Wen Shiyu in the mirror. The two of them looked at each other through the mirror. Neither of them liked the other.

Because of the argument, the stylists and stylists turned to look at them.

In the eyes of the public, Wandou was an unfamiliar face. Moreover, she seemed to be dressed ordinarily like a company employee. However, Mrs. Wen was a VIP customer here and was not someone ordinary people could afford to offend.

Her husband was the principal of Peijing Music Academy. Every year, Peijing Music Academy would send out a large number of musicians. Many of them would become musicians and producers around the world.

Did that girl have the guts to talk back to Mrs. Wen?

At this time, Wen Shiyu's makeup was done. She stood up from her seat and looked at Wandou with a superior look. She then said to her mother, "Mom, let's not waste our breath on such a lowly person. Tonight is the time for us to meet with the Mu family. We can't delay it! Let's go!"

"Hmph!" Li Meien snorted and left with her daughter.

Next, it was Wandou's turn to do her makeup. The makeup artist came over to help her with her makeup, but when she saw that one side of her face was red and swollen, she suggested, "Miss Wandou, your cheeks are a little swollen. You should use an ice pack first!"

"Okay, thank you."

The other party waited for her to finish applying the ice pack and the swelling on her cheeks to subside before helping her put on makeup.

After the makeup was done, the stylist helped her do a hairdo that suited her face.

Chapter 2144: A Bewitching Tempo

After everything was done, Wandou changed into the new clothes and shoes that she had bought that night. When she came out of the studio, Xue Ziqi saw her new look and clapped her hands in surprise. "Wow! You're so charming! Sister Douzi, do you know how beautiful you are?"

"This is the effect of makeup. If I have any makeup on, I'm just any random person."

"You're too modest. Good looks are good looks. When my brother comes to pick us up later, he will definitely be happy to see your new look."

"When is he coming?"

"Soon. I called him just now. He should be here soon."

Xue Ziqi thought of something and asked worriedly, "Oh right, I saw Wen Shiyu and her mother just now. They were also doing their styling inside. Did you meet them? They didn't cause you any trouble, right?"

"No!" Wandou did not mention the unpleasant incident just now.

After waiting for about 15 minutes, a tall figure appeared at the door. Xue Ziqi saw her brother first and got up to greet him. "President. Mu, you're finally here!"

"I'm sorry, there was a traffic jam."

After Mu Chenguang came in, he immediately locked his eyes on Wandou, who was sitting in her seat. He saw that she had been reborn and was so beautiful that he could not recognize her. He said in amazement, "Oh my god, is this my wife? Or is she a fairy from heaven?"

Wandou stood up from her seat and smiled. "You're the best at joking!"

"I'm not joking. You're really beautiful. You're so beautiful!"

Mu Chenguang admired Wandou. The light purple clothes suited her skin and temperament. The fitting cut was perfect for showing off her beautiful waist and figure.

Her makeup was still light, but it was more exquisite. Her hairstyle suited her very well, making her look young and cute.

She exuded an elegant and beautiful aura. No one would believe that she was born in a poor family. Those who did not know would definitely think that she was from some rich family.

Xue Ziqi looked at her brother, whose eyes were staring straight at her. She held back her laughter and reminded him, "Hey, President. Mu, how is it? I didn't disappoint you, right?"

"Good job. I'll reward you with a new Gucci bag."

"That's great!"

Xue Ziqi was very happy. She smiled and asked again, "Are you planning to stay here all night? When are we leaving?"

"Let's go."

Mu Chenguang held Wandou and walked out of the salon together.

After the two women got into the car, Mu Chenguang drove to the place where the two families had agreed to meet.

In a luxurious private room in the Imperial Court Hotel.

Mu Kangan had already arrived. Wen Zhehan was there with his wife and daughter.

After the two of them sat down, they began to chat. The first thing they talked about was Wen Shiyu's studies abroad and her education in music after returning to the country.

"I watched Shiyu grow up. This child has been sensible since she was young. She's polite to people and has a sweet mouth. When she grows up, she's so promising."

Mu Kangan was full of praises for Wen Shiyu. He kept praising her for being ambitious. She had a good personality and a good temper. She was a good child.

"Your Chenguang is also very talented in music. He grew up with our Xiaoyu and they are childhood sweethearts."

Li Meien smiled.

After praising each other for a while, Wen Zhehan looked at the time and asked, "Why isn't Chenguang here yet?"

Mu Kangan quickly explained, "Oh, there might be a traffic jam on the road. I've already rushed him. He said he would be here soon."

In fact, Mu Kangan knew his son's bad temper. He wasn't sure if he would come today. Anyway, he had already informed him of the time. If he didn't come, he would try.

After a while, someone finally entered the room.

Chapter 2145: A Shameless Person

Xue Ziqi was the first to enter.

"Dad!"

Xue Ziqi called out when she came in. The people in the room looked over and only saw her. Mu Kangan asked, "Qiqi, where's your brother?"

"Parking the car at the back! He'll be right here!"

Xue Ziqi sat down beside her father and greeted them politely, "Uncle Wen, Auntie Li, hello!"

"Okay, okay, okay. Qiqi is a big girl now. Are you used to being a singer now?" Li Meien asked.

"Not too bad."

Xue Ziqi looked at the two elders and then at Wen Shiyu.

Wen Shiyu could not stand Xue Ziqi. She glanced at her and said, "What's so great about being a singer? Isn't she just a singer?"

Luckily, her voice was soft and Li Mei'en heard her. She quickly poked her daughter with her hand and gave her a look, telling her not to speak without thinking.

Xue Ziqi heard some of it and smiled. "That's right. A singer like me is definitely not as good as a teacher like Sister Shiyu. What's were teachers called in the past? I think they were called Stinking Old Ninth, right?"

Wen Shiyu was very embarrassed by Xue Ziqi and could not say anything in front of everyone. The two of them looked away and did not continue to talk.

Not long after, Mu Chenguang finally appeared at the door. When he came in, he pulled Wandou with him.

"Oh, Chenguang is here! Now..."

Just as he was about to speak, he realized that Wandou was following behind Mu Chenguang. Mu Kangan's face instantly darkened.

Mu Chenguang came in and greeted them generously, "Dad, Uncle Wen, Auntie Li, Shiyu, you're all here! Sorry about the traffic, we were late!"

He pulled out a chair for Wandou and sat down beside her.

On the other side, Wen Shiyu saw Mu Chenguang coming with Wandou. Wandou's style had changed from the beginning to the end, and she looked even more elegant than she did. This made her very angry.

Wen Zhehan and Li Meien looked at each other. They had no idea what was going on. Li Meien whispered something in her husband's ear and Wen Zhehan realized that the girl was the third party between Mu Chenguang and his daughter.

He looked over and examined her carefully. The more he looked at her, the more Wen Zhehan felt that she looked familiar. How strange!

Mu Kangan looked at Wandou and then at Mu Chenguang. He asked, "Chenguang, what are you doing?"

They had agreed that the two families would meet to discuss the marriage, but he had actually brought that woman here. Was this proper?

"Dad, didn't you say that our families are having dinner tonight? That's why I brought my girlfriend to Uncle Wen and Auntie Li. My girlfriend is Wandou."

Mu Chenguang placed his hand on the back of Wandou's chair and introduced her generously.

With a smile on her face, Wan Dou swept her gaze over everyone. She ignored the doubts of the Wen family and Mu Kangan's anger.

After listening to Mu Chenguang's introduction, Wen Zhehan looked at Mu Kangan. "Kangan, what's going on? Your Chenguang already has a girlfriend. This mean we don't have to talk about our two families anymore!"

Mu Kang'an was already angered to the point by his son, but he could not show it on his face. He could only say, "This brat deliberately went against me and rebelled. He was also the one who found this girl to anger me. Of course, his marriage will be decided by me. Let's continue to talk about our two families and ignore those shameless people."

Mu Kangan inwardly judged Wandou as a shameless person.

Chapter 2146: Offended Everything

Xue Ziqi could not stand it anymore and said, "Dad, it wasn't brother who found Sister Douzi. They were already dating, and now you still want to talk to him about someone else. Isn't this not good? How can my brother find two girlfriends at the same time? What will that become?"

"This is none of your business. Don't talk nonsense," Mu Kangan growled. He was about to faint from anger because of his two children.

Mu Chenguang did not want to waste any more time and went straight to the point. "I'm very sorry, Uncle Wen, Auntie Li. Thank you for your love for me for so many years. But I've always treated Shiyu as my sister, so it's definitely impossible for the two families to get married. I love Wandou and only want to be with her."

Mu Chenguang grabbed Wandou's hand and interlocked their fingers.

Their eyes and actions showed that they were the most suitable pair.

“Chenguang, what's so good about her?” Wen Shiyu couldn't help but ask. “Her father is just a gatekeeper in my family. Do you like such a lowly person?”

Li Mei'en quickly pulled his daughter back and signaled her to stop talking. As soon as she spoke, her aura completely disappeared.

Mu Chenguang's eyes darkened. He shot a sharp look at her and warned her, “Shiyu, just say what you want. Why do you have to attack me personally? What's wrong with looking at the door? What does it have to do with me loving her?”

Wen Shiyu turned her head away angrily.

But Wandou felt that Mu Chenguang was protecting her in front of everyone. She was touched and relieved.

Even though she knew that she was an outsider at the dinner, she still came. Because of the difficulties in the future, she wanted to face them together with Mu Chenguang.

“Oh, your name is Wandou. Is your father's name Wan Dehai?”

“That's right.”

Wandou nodded.

Wen Zhehan looked at Wandou again and nodded. “No wonder I find you familiar. You must've been to the academy before, right?”

“Mm.”

Wen Zhehan knew Wan Dehai very well. Back then, he was one of his loyal subordinates. Because he was injured, he resigned and went home.

He had given him a sum of money in order to provide for him. Later, he had also provided him with a job as a guard.

He did not think that there was a difference in the quality of labor. The gatekeeper relied on his own hands. Furthermore, when Wan Dehai was young, he had been with him for many years and had done many things for him.

Since she was the daughter of someone he knew, Wen Zhehan took the initiative to say, “Kang An, since Chenguang already has someone in his heart, let's not make things difficult for the child. We might as well fulfill their wish. Let's forget about the marriage between our families for the time being! Even if we can't become in-laws, we will still be good friends forever.”

“Dad, I don't want...” Wen Shiyu could not accept it. Why should she give the person she liked to someone else? Just thinking about it made her angry.

“Enough!”

Wen Zhehan scolded them and then said to Mu Kangan and the others, "It just so happens that I still have some things to take care of in my yard. I won't be eating this meal. I'll take my lover and daughter back first. See you another day when I'm free."

Wen Zhehan got up and left. Li Meien had no choice but to follow him. Wen Shiyu refused to leave and was dragged away by her mother.

When she passed by Wandou, Wen Shiyu glared at her fiercely.

After the Wen family left, there were only four people left in the room. Mu Kangan asked his daughter Xue Ziqi to take Wandou out. He had something to tell Mu Chenguang.

Wandou followed Xue Ziqi out. Mu Kangan looked at his son with a dark expression and questioned, "This is great! Are you satisfied now? You've offended your Uncle Wen and Auntie Li. Are you happy now? Look at how old you are. Even if you're not satisfied with this marriage, you shouldn't have brought her here! This is really outrageous!"

Chapter 2147: The Most Stupid Choice

Mu Chenguang did not think much of it. "Dad, it's actually very simple. I liked Wandou for the beginning. As long as you fulfill our wish, it will save us a lot of trouble. But in the end, you forced me to accept Wen Shiyu. Isn't that strong arming me?"

"Hmph, you're just making excuses. You want to anger your old man to death!"

Mu Kangan slapped the table angrily. "Anyway, I won't let you mess around!"

"Dad, I'm not messing around. I'm serious!"

"You also heard it just now. Wandou's father is the guard for the Wen family's school. Her family is poor, and her upbringing is inferior to Shiyu in all aspects. You chose her instead of Shiyu. This is simply the stupidest choice!"

Mu Kangan said angrily.

Mu Chenguang did not share the same opinion as his father. "I don't think we should look at a person's background when looking for a partner. You see, my aunt insisted on marrying my uncle back then. At that time, my uncle was also a penniless poor kid. But what happened after that? He became a famous real estate tycoon. Dad, your thinking is too old-fashioned and conservative. You should change it."

"You little brat, trying to teach me a lesson! I'm not talking about anything else. I'm just saying that a child born in a poor family has a low starting point. She can't compare to a girl born in a well-educated family in every aspect. In terms of genes, she's much worse than others."

Mu Kangan was considering whether the next generation of genetic genes was good.

"Dad, who said that girls from poor families are bad? She is kind, tenacious, independent, and compassionate. She is happy to help others. In my opinion, she is the best girl in the world.

"What's so good about a marriage? You and my mother are connected by marriage. Will you be happy in the end?"

“If I'm happy, why would I get divorced so early? I've been living in a single-parent family since I was little.”

“Do you want me to follow in your footsteps?”

After Mu Chenguang's interrogation, Mu Kangan was speechless.

In the end, Mu Kangan took out his phone and showed it to Mu Chenguang. “Chenguang, I'm doing this for your own good. If you want to marry someone, you have to at least see their true colors. Don't be fooled by their appearance. Look at this!”

Mu Chenguang took a look at it. It was a video of their company's underground parking lot.

There were two women in the picture. If one looked closely, they could see that they were Wandou and Wen Shiyu.

Wandou raised her hand and slapped Wen Shiyu twice.

“Where did this come from?” Mu Chenguang asked with a frown. It was obvious that it had happened in their company. Why didn't he know that Wen Shiyu had come to look for Wandou?

“Don't worry about where she came from. The problem is, did you see what the girl you thought was like behind her back? How ruthless was she? She even hit Shiyu!”

“That doesn't mean anything. There's always a reason to beat someone up. Maybe Shiyu said something unpleasant.”

Mu Chenguang did not think that Wandou was the type of woman who would take the initiative to cause trouble just by watching the video. Since Wen Shiyu had come to his company to look for Wandou, she was definitely the one who had caused trouble. She deserved to be beaten up!

“You're bewitched by her! Sigh, a girl like her...”

Mu Kangan sighed deeply and said firmly, “In short, I don't agree!”

Mu Chenguang's attitude was as tough as his father's. “I don't need your consent! If you don't agree, we'll break off our father-son relationship! Just pretend that I'm not your son!”

“You... you unfilial son!”

Mu Kangan was furious. He covered his heart with his hand, looking like he had a heart attack.

Chapter 2148: Last Words

Mu Chenguang sneered, “Dad, don't pretend! I know you don't have a heart disease. I've asked the doctor.”

“You're pretending to be sick to force me to break up with Wandou.

“I really don't understand why there is a father like you in this world.”

“You control me and interfere with my life. You insist that I live according to your will.

“But have you ever thought that I'm already an adult? I won't listen to your arrangements!

“If you continue to pretend to be sick and threaten me, I can only say that you've disappointed me too much. You don't deserve to be a qualified father!”

Mu Chenguang's words were powerful and resonating. Mu Kangan's face turned extremely dark. There was no need to continue pretending to have a heart attack.

He stood up and was about to slap him.

Mu Chenguang grabbed his father's wrist and looked into his eyes. He was now taller than him and stronger than him. He was already an adult man. If he did not let him hit him, he would not be able to touch him at all.

“What? Are you going to hit me again?” Mu Chenguang asked. “You're my father. You can hit me! My right ear is deaf because of you. Why don't you hit my left ear too?”

“What else can you do other than to discipline me?”

“You make me do everything according to your wishes. I'm a human, an independent personality. I have my own thoughts and decisions. You have no right to take away my freedom.

“If you weren't such a domineering person, my mother wouldn't have left you!”

“You want to control my life now? No way!”

Mu Chenguang slammed the door and left.

Mu Kangan did not have a heart attack, but after hearing his son's words, he was so angry that he almost had a heart attack.

He fell back into his chair and thought about what the child had said. He suddenly realized why he had lived so lonely for so many years.

Maybe there was something wrong with his education method!

He thought of his wife, Xue Jinghui, who had resolutely left him back then. He had hated her for so many years, but he had never thought of the reason for it.

It was because he always wanted to control other people's lives that they all left him.

Mu Chenguang came out of the private room and saw Wandou in the hotel lobby. Without saying anything, he pulled her away.

“Hey, brother, how's your talk with dad?”

Xue Ziqi asked him a question, but he did not stop. He was a little worried about his father. Xue Ziqi ran back to the private room to take a look.

Mu Chenguang pulled Wandou into the car and drove away. He was very quiet on the way. Wandou looked at him a few times and asked worriedly, “Mu Chenguang, are you okay?”

“I'm fine.”

Mu Chenguang was just in a bad mood.

“Then we...”

“We will always be together.”

“I'm just worried that you've offended the Wen family. When the time comes, I'm worried that they will cause you trouble.”

Wandou was thinking about the long term. The Wen family was very influential in music. She was afraid that they would secretly cause trouble for Mu Chenguang.

“No, I believe Uncle Wen is not that kind of person.”

Mu Chenguang held her hand and comforted her.

Wen Family.

Wen Zhehan went back to the Wen family home with his wife and daughter. Li Meien pulled Wen Shiyu into the house.

Wen Shiyu cried all the way. Wen Zhehan was upset by his daughter's crying. “Don't cry anymore. You have some future prospects!”

Chapter 2149: Going Too Far Again

In the Wen family, Wen Zhehan was the head of the family and was very strict. Li Meien did not dare to act rashly in front of her husband. She quickly pulled her daughter back to her room and closed the door to coax her. “Xiao Yu, don't cry. Aren't you just a man? I'll introduce you to someone better.”

“I don't want it, Mom. I want Chenguang, I want Chenguang! He and I are childhood sweethearts. We should be together.”

Wen Shiyu cried willfully until her eyes were red.

“Yes, the two of you were originally a match made in heaven. They were both that Wandou. She interfered. Don't cry anymore. It's not that easy for them to be together. I'll call her father over tomorrow and tell him to go back and take good care of them. Don't worry, Mom will definitely not let them be together successfully.”

Li Meien's heart ached for her. She could only blame it on Wandou. Her precious daughter had been raised in the palm of her hand since she was young. When had she ever suffered such grievances? That Wandou actually went too far again and again.

It seemed that he should call Wan Dehai over and teach him a lesson.

Early in the morning, Wandou's father went to work.

Just as he arrived at the music school's guardhouse, a colleague sent him a message. “Old Wan, Principal Wen called last night and said he wants you to go to his house today. He seems to have something to discuss with you.”

“Okay. I'll be right there.”

Wan Dehai asked his colleagues to help take over the post while he rode his electric bike to the Wen family home. He kept thinking about why his old employer had suddenly asked him to go.

After arriving at the Wen family mansion, he was brought into the mansion.

The servant told him to wait for a while. Wan Dehai waited for a while but did not see Wen Zhehan. The person who came downstairs was Wen Zhehan's wife, Li Meien.

Li Meien walked down the stairs gracefully and smiled. "Oh, it's Old Wan!"

"Madam, it's Sir who called me," Wan Dehai said respectfully.

Li Mei'en sat down on the European-style sofa and gestured for him to sit too. "Actually, I was the one who asked you to come. Come, have a seat!"

Wan Dehai could not guess why Li Meien had called him over in the name of Wen Zhehan. He asked him to sit down and talk, but he did not sit down and remained standing respectfully in front of him.

Li Meien picked up the porcelain teacup and took a sip of tea. She put down the cup and said, "Old Wan, you have a daughter in your family, right?"

"Yes, Madam."

"Is she engaged?"

"Um... not yet."

"It just so happens that my family has a nephew who is at the age of marriage. Why don't you tell him about your daughter?"

Li Meien tilted his head and waited for his answer.

Wan Dehai thought about it carefully. He knew Li Meien's nephew. His name was Li Liang, but he was not a proper person. The entire music school knew that Li Liang was notorious.

He liked to use Li Meien and her husband's name to hook up with the girls in the school. He promised that he would arrange for the graduation party to be packaged and developed in a professional music company. But in fact, after sleeping with them, he would not admit it.

Li Mei'en's reputation and morals were terrible. Now, Li Mei'en suddenly said that he wanted to marry his daughter. Even Wan Dehai himself did not like Li Liang. Even if he did not marry his daughter, he would not throw her into the fire pit.

But in front of Li Meien, it was not good to directly reject her. She could only tactfully say, "Madam, I appreciate your good intentions. Although my daughter is not engaged, she already has a boyfriend and her relationship is very stable. As parents, we can only respect her own choice. So, I can only thank you for your kind offer, Madam."

Chapter 2150: That's It

Li Mei'en frowned and said, "Looks like you already know who your daughter's boyfriend is. If I'm not wrong, it should be Mu Kangan's son, Mu Chenguang, right?"

Wan Dehai did not say anything. Li Meien continued, "But I might as well tell you the truth. Our Wen family plans to marry the Mu family through marriage. Zhehan and I want to marry our daughter to the Mu family. We watched Chenguang grow up and he is also the best candidate for our best son-in-law. I don't want our marriage to be hindered by anything. Do you understand?"

"I understand what you're saying, but how can we decide on our children's marriage?"

Wan Dehai believed that his parents were only there to guide and assist their children. He could help introduce them to each other or go on blind dates. But the final decision had to be made by the child himself.

"You can't make the decision because you're such a coward. Isn't the child's matter still up to the adults? If you don't agree to her dating, will she not listen to you?"

"Old Wan, for the sake of your hard work in the past, are you not going to agree to our little request?"

"Madam, actually..."

Wan Dehai felt very troubled. For a moment, he wanted to tell the truth.

But he swallowed the words that were about to come out of his mouth. When he thought of his wife begging him with tears in her eyes, he really couldn't bear to say it.

"That's enough, Old Wan. I can give you three days. Go back and do your daughter's thinking. Three days later, I will arrange for my nephew to come to your house to propose a marriage. This matter is settled! Go back to work!"

After Li Meien finished speaking, she swayed her body and went upstairs.

Wan Dehai stood in the living room for a while and had to leave.

On the way back, Wan Dehai did not go back to work at the college but went straight home. He had to discuss this with his wife.

After hearing this, Mother Wan was so angry that she stomped her feet. "Your boss's wife is too much! How could she have designs on our Doudou? That Li Liang is a famous bully bastard. If my Doudou were to marry him, wouldn't she be jumping into a fire pit?"

"You're right. I'm worried that the Li family won't force us. If that Li Liang finds trouble with Doudou in private, it will be terrible!"

Wan Dehai was worried that the Li family would use underhanded means to force Wan Dou. After all, he had a deep understanding of Li Meien's methods when he worked for the Wen family.

He would do anything to achieve his goal.

"Then what are you waiting for? Hurry up and call Doudou."

Mother Wan immediately picked up the telephone and called her daughter.

Wandou was sitting in the president's office when she received a call from home. She felt a headache coming on.

Needless to say, her mother must have called to ask her how she was getting along with Mu Chenguang. When could the parents of the two families meet?

At this moment, Mu Chenguang had gone for a meeting and was not in his office. Wandou could take the call without worry.

“Hello? Mom!”

“Doudou, where are you?”

“I'm at work!”

Mother Wan sounded very serious. “Doudou, listen to me. Don't go out alone these days, okay?”

“What's wrong, Mom?” Wandou felt that her mother was a little strange today. She had called her mother to tell her about this, but Wandou knew how much her mother cared about her and did not think too much about it.

“Oh, the security in our old town hasn't been very good recently. If you want to go home, you have to call us in advance. I'll get your father to pick you up.”
