

## Priceless 2321

### Chapter 2321: Being So Close

She tried to step on him, but he was still smiling. He didn't look angry or hurt.

Until...

Xue Zhengrong turned to her and asked, "Girl, why did you step on my foot?"

"Huh?" Xue Yating lowered her head and realized that she had stepped on her father's foot. No wonder An Jichuan did not react at all.

"I'm sorry, dad. I didn't notice it."

Xue Yating explained awkwardly. On the other hand, An Jichuan tried to hold back his laughter. He found her flustered and blushing self cute.

After lunch, Xue Zhengrong asked his daughter to take An Jichuan upstairs and arrange a room for him.

An Jichuan had already ordered his men to bring his luggage over and was following her upstairs.

She arranged for him to stay in the guest room at the far end of her room. She opened the door and said, "You can stay in this room!"

"Can't I stay in the same room as you?"

"Dream on!"

Xue Yating scolded him for wanting to stay in the same room as her. Why was he daydreaming?

"It's not like we haven't slept together before."

His warm lips deliberately brushed past her ear, bringing about a numbing electric current. The strong smell of male hormones mixed with the sweet smell of alcohol was very arousing.

"Get lost, you pervert!"

Xue Yating jumped back in shock and ran away.

An Jichuan couldn't help but smile when he saw the woman running away with a red face.

He lay down on the bed and closed his eyes. He could hear the melodious sound of the violin in his ears. An Jichuan, who had been running around tirelessly for days, finally had a pleasant afternoon nap with the accompaniment of the violin.

Xue Yating finished her practice and looked at the time. It was almost time to pick up Su Su. She tidied up and prepared to leave.

Just as she opened the door, she saw An Jichuan coming out from the innermost room.

"Are you going to pick Su Su up from school?" An Jichuan asked.

(If you have problems with this website, please continue reading your novel on our new website myboxnovel.com THANKS!)

“Mm.”

“Let's go together.”

He straightened his shirt and walked towards her.

“No, I can go by myself.”

Xue Yating turned and walked towards the staircase. An Jichuan quickly caught up with her. “That won't do. I have to go with you. What if some wild man tries to seduce you?”

He was referring to the director of the Chu family.

Xue Yating rolled her eyes at him. Was he that worried about her?

He did not want to take An Jichuan with him, so he got into the car shamelessly and said, “I'll go with you to pick Su Su up. I'll let her know that her parents love her very much. This is very important for her growth.”

Tsk!

Xue Yating could not take the man's shamelessness and had no choice but to let her follow. The two of them went to the kindergarten to pick up the child.

After school, Su Su and the other children followed the teacher to the school gates.

Xue Yating took Su Su's hand and left the crowd.

Su Su saw her father standing not far away and ran towards him happily. “Daddy!”

“Baby!”

An Jichuan caught his daughter and they hugged each other affectionately.

Seeing this scene, Xue Yating could not help but sigh in her heart. They were clearly not related by blood, yet they could still be so close. This must be a rare fate!

After picking up their daughter, Su Su, Xue Yating and An Jichuan brought Su Su to the dessert shop for dessert.

Su Su was very happy. With her father and mother accompanying her, she felt like the happiest child in the world.

“Daddy, Mommy, when are you getting married?”

Su Su suddenly asked while eating ice cream.

Chapter 2322: Can't Wait To Get Married

Xue Yating was stunned by the question and almost choked on her drink. "Ahem... Su Su, why are you suddenly asking this?"

"Brother Beibei told me. His father and mother are married and they live together every day. When can we live together?"

Su Su was very envious of Yi Bei, who could live with her parents at the same time. She and her mother had to live in her grandfather's house while her father and brothers lived in their hometown. It was very difficult to see them.

Xue Yating looked at the child's longing eyes and touched her little head, not knowing how to answer her.

"Su Su, Daddy and Mommy will be able to get married soon too," An Jichuan said. "Daddy will bring our little brothers over and we can live happily together."

"Really?" Su Su's eyes lit up.

"Of course. Daddy and Mommy can't wait to get married."

In order to let his daughter see their "good" relationship, An Jichuan hugged Xue Yating and kissed her on her cheek.

Xue Yating wanted to poke him with her elbow to make him let go of her, but he endured the pain with a look of enjoyment on his face.

After getting a satisfactory answer, Su Su began to eat happily. Xue Yating said softly, "Can you please stop talking nonsense in front of the child?"

She was worried that the cake he drew would be too big and the child would be disappointed if it could not be realized.

"What nonsense are you talking about? I'm serious! As long as you promise me, we can go to the Civil Affairs Bureau now and Su Su will have a new home tomorrow."

An Jichuan was even more determined to develop his career in Zstan. He could not let his wife and child have no one to rely on.

At night.

Xue Yating was about to tell her a bedtime story after the shower, but Su Su kept asking for her father. She had no choice but to drag her daughter to An Jichuan's room.

An Jichuan opened the door and was surprised to see Xue Yating. "Huh? Why are you here?"

"It's Su Su! She's looking for you!"

Xue Yating lowered her head and saw Su Su hiding behind her mother. At this moment, she revealed her little head and stuck out her little tongue at her father.

"Come in!"

An Jichuan let them in.

(If you have problems with this website, please continue reading your novel on our new website [myboxnovel.com](http://myboxnovel.com) THANKS!)

“Su Su, you go in. Mommy won't go in.”

Xue Yating glanced at An Jichuan and realized that he had also just taken a shower. His hair was half dry and half covered his deep eyes. The neckline of his pajamas was slightly open, revealing a touch of honey-colored skin. It was extremely sexy.

Seeing the man being so “attractive” made Xue Yating feel uncomfortable. She subconsciously wanted to retreat and hide far away.

An Jichuan had already seen through her intention to retreat. He asked, “How can you not come in? We agreed to accompany our daughter.”

Seeing that she was not willing to come in, An Jichuan deliberately asked, “Su Su, don't you think so? Do you want mommy to accompany you?”

“Yes, yes. Su Su wants Mommy and Daddy to accompany Su Su. Mommy, come quickly!”

Su Su had climbed onto the big bed and was ready with the storybook.

“Just do it!”

An Jichuan grabbed her wrist and pulled her into the room.

It was too late for Xue Yating to run. She could only sigh as she came to her daughter's side and lay down next to An Jichuan.

Su Su lay in between them while An Jichuan was in charge of telling the story.

The man's voice was warm and magnetic. It was like a gentle hand gently stroking her heartstrings.

It could make one let down their guard easily.

Chapter 2323: Waiting For The Best Moment

After a few stories, not only was the little girl asleep, but Xue Yating was also hypnotized.

He put down the storybook and turned to look at the two babies beside him. An Jichuan's eyes became gentler.

He shifted the child's position and covered her with the blanket. Then she lowered her head and kissed Su Su's forehead. He then lay down beside Xue Yating.

He was with the lady he yearned for day and night...

The faint fragrance of the shower still lingered on her body. From her hair to the soles of her feet, she emitted a sweet fragrance.

An Jichuan did not take any action. Instead, he waited patiently like a lion hunting its prey, waiting for the best opportunity.

When it was past midnight, the woman next to him was breathing evenly and had already entered deep sleep.

And Jichuan endured...

Until he confirmed that she was...

Eventually...

In her dream, Xue Yating dreamed that she was lying on the soft grass with butterflies dancing around her and bees picking honey among the flowers. The warm sunlight shone on her, making her feel very sleepy.

A tall and familiar figure appeared in front of her. It looked vaguely like An Jichuan.

He called her name again and again.

In the end, they were in the open...

At this moment, An Jichuan's heart was filled with indescribable excitement. She was so much cuter when she was asleep than when she was awake.

"Ji Chuan..." She actually called out his name.

An Jichuan was so excited that he almost bit his tongue.

Great!

At least it meant that he was in her heart. She was just hiding her feelings too deeply.

She fell in love with him too, right?

"Tina, my love... I love you, okay..."

(If you have problems with this website, please continue reading your novel on our new website [myboxnovel.com](http://myboxnovel.com) THANKS!)

An Jichuan reciprocated the woman's love.

The night was long and lingering.

The next morning, Xue Yating was the first to open her eyes. When she woke up, she felt... strange. Why was this so?

Xue Yating jumped up when she saw the room clearly. Why had she been sleeping in the guest room last night?

Could it be something that evil guy did?

She turned around and saw her daughter lying beside her. On the other side of her daughter was An Jichuan. They were still in the same sleeping posture as last night.

Was she overthinking?

An Jichuan did not do anything to her. Was she dreaming?

She could still remember a dream she had last night. She dreamed of herself doing... That dream had been just too realistic...

Oh my god!

How could she have such a shameless dream?

Xue Yating touched her cheeks. They were burning hot and she was too embarrassed to face anyone. Xue Yating took advantage of the fact that the two of them were not awake and quickly left the room.

Chapter 2324: Hard To Speak

During breakfast time, An Jichuan took Su Su downstairs. After the child woke up, he washed his face, tied his hair, and changed his clothes. It was all done by him. Taking care of the child was nothing to him.

Everyone at the dining table greeted each other and took their seats. An Jichuan looked at Xue Yating, who was sitting opposite him. Seeing that she kept lowering her head and not looking at her, he could not help but smile.

“Tina, how was your rest last night?”

“I... It was alright.”

Xue Yating heard An Jichuan's voice and raised her head to look at him, secretly blaming him for not bringing up the topic.

Thinking of the unspeakable dream last night, she felt terrible. She felt like she had done something wrong.

An Jichuan did not say anything and kept a faint smile on his face. He happily ate his breakfast and prepared to send Su Su to school.

The driver was supposed to be driving, but An Jichuan told him to get out of the car.

The two of them sent the child to kindergarten. In order to prevent Xue Yating from meeting the man surnamed Chu again, An Jichuan had to accompany her and send the child to class together.

After leaving the school, An Jichuan drove off and asked her, “Where do you want to go next, beautiful lady?”

“To Fenglan Corporation.”

Xue Yating reported a location and An Jichuan sent her to the company.

“Wait for me outside!” Xue Yating told him after getting out of the car.

“I'll accompany you!”

An Jichuan had to follow her closely, in case another annoying man would cling to her.

"I don't need you to accompany me. I'm just going to talk to the president of Fenglan," Xue Yating protested. He was following her step by step, not giving her any space at all. He was treating her like a criminal!

Hearing that she was looking for the boss of the company, An Jichuan was even more worried about her going alone. "You can go ahead and talk. I won't disturb you." He pushed her into the building.

Xue Yating had already made an appointment in advance. When Xue Yating came here, she only had to say her name.

"Miss Xue, please follow me!"

The receptionist welcomed her into the office and brought her to the president's office.

"Do you need me to help knock on the door?" the receptionist asked.

"No, it's fine. Thanks!"

(If you have problems with this website, please continue reading your novel on our new website [myboxnovel.com](http://myboxnovel.com) THANKS!)

After the receptionist left, Xue Yating glared at An Jichuan and said in a low voice, "I'm telling you, you can go in, but you can't interrupt. Just act like my assistant, do you hear me?"

"Understood."

After knocking on the door and getting permission, Xue Yating pushed the door open and entered.

In the simple and elegant office, a woman dressed exquisitely in a royal blue OL suit raised her head from the table. When she saw who it was, she immediately stood up to welcome them.

"Tina! Long time no see!"

"Feng Lan!"

Xue Yating hugged her former manager, Yun Fenglan, happily.

Yun Fenglan also welcomed her warmly. After hugging her, she looked her up and down and asked with a smile, "You're not leaving this time, right? I've been waiting for you!"

"Yes, I'm not leaving for the time being."

Xue Yating also looked at her. "I didn't expect you to become a strong woman now and have your own company."

"It's nothing to brag about."

Yun Fenglan noticed the man behind Xue Yating and raised her eyebrows in surprise.

"Tina, this is..."

Xue Yating turned to look at An Jichuan and explained to Yun Fenglan, "Oh, he's my assistant."

"Your assistant?"

Yun Lan looked at An Jichuan again in surprise. He was tall, handsome, and exuded a distinguished air.

This man was Xue Yating's assistant?

No one would believe that he was Xue Yating's assistant.

Chapter 2325: Unhappy

Xue Yating noticed that Yun Lan was sizing up An Jichuan and felt a little uncomfortable. She was afraid that this guy was too good looking and that he would attract too much attention. She said to An Jichuan, "Nick, wait for me in the car. I have something to discuss with President Yun."

At this time, An Jichuan knew that Xue Yating wanted to meet a woman. He was no longer worried. He nodded and greeted her briefly before leaving the office.

Yun Fenglan kept staring at his back until he disappeared. She then looked away and winked at Xue Yating. "Hey, your assistant is quite handsome. You guys..."

She knew that Xue Yating had married someone and her husband had passed away three years ago. Now that a handsome man had appeared by her side, it was inevitable that people would mistake it for that kind of relationship.

"He's just my assistant. There's no other relationship. Don't make wild guesses," Xue Yating quickly denied.

"Oh..."

"Since you're not interested in him, why don't you introduce him to me?"

"Fenglan, do you like him?"

Xue Yating asked in surprise.

"Of course, I'm still single! And when I first saw him, I actually had a feeling that I was attracted to him. He's too handsome! He's my type! Oh, his name is Nick, right?"

Could it be that Yun Fenglan had fallen for An Jichuan?!

"Yes. If you knew him well, you wouldn't be interested in him. He used to have a girlfriend. I heard that he's a masochist and loves to abuse women."

Xue Yating found an excuse to get Yun Fenglan to give up on An Jichuan.

"Really? I've always wanted to find a man like him. You have no idea I'm actually into masochists right! He's my type. Give me his number, I want to talk to him!"

Xue Yating : " ... "

It was the first time something she didn't care about was treated like a treasure by others.

She was extremely displeased!

After leaving Fenglan Corporation, Xue Yating got into the car and said in a huff. "Drive!"

The sound of the car door being slammed shut made An Jichuan jump. He took off his headphones and looked at the woman beside him. He noticed that her expression was not right. "What's wrong? Is something the matter?"

"Nothing. Hurry and drive back!"

An Jichuan did not say anything and started the engine.

On the way back, An Jichuan held the steering wheel and looked at her quickly. "What happened? Who made you unhappy?"

"I'm not unhappy!"

(If you have problems with this website, please continue reading your novel on our new website [myNovelFull.Com](http://myNovelFull.Com) THANKS!)

An Jichuan could tell that she wasn't telling the truth. She was obviously very unhappy, but she still refused to admit it.

"Didn't you meet with your friend? Why are you angry?"

"It's all because of you!"

Xue Yating turned and glared at him.

"Me? How so?"

An Jichuan felt wronged. He went up without saying anything and came down. Who had he offended?

"If you hadn't insisted on following me, Feng Lan wouldn't have fallen for you. She even asked me for your number and said that she wanted to develop a relationship with you. I told her that you were a masochist, but she still wouldn't give up."

Xue Yating began to criticize him non-stop.

"Ha..." An Jichuan laughed.

"What are you laughing at?"

"I'm laughing at you. Are you jealous?"

"Jealous? How is that possible? I just feel that there must be something wrong with her eyes if she likes you. I can't let her fall into your trap."

Chapter 2326: A Kiss To Seal It

Xue Yating tried to explain, but she refused to admit that she cared about him.

She simply had no idea the extent she cared about An Jichuan. She thought that she didn't care, so she pretended as if nothing had happened.

"Am I that scary?"

An Jichuan finally saw how much Xue Yating cared about him. Since she was afraid that he would get to know another woman, he deliberately provoked her.

“Why don't you tell her my number? It's rare to meet someone who likes me. I think I'm still very charming. It's not a bad idea to try dating. Maybe I can find a new mother for Binbin and Lele very soon.”

“Stop the car!” Xue Yating shouted.

Creak!

“What's wrong?” An Jichuan asked as he stopped the car by the roadside.

Xue Yating turned around and pouted. She said angrily, “An Jichuan, if you dare to find a stepmother for Binbin and Lele, I'll...”

“You'll what?”

“I'll... I'll...”

Xue Yating could feel the air getting thinner as the man closed in on her. His eyes were burning with passion, as if he wanted to swallow her whole.

An Jichuan looked at her angry little face, her beautiful eyes, and her lustrous red lips. He could not help but be moved. Before she could say anything, he held the back of her head and ran his hand through her hair.

A kiss to seal it.

Xue Yating's breathing was completely taken away. The man pried open her teeth and eagerly hooked his tongue around hers.

He only let go of her when she started to struggle.

“An Jichuan! You're being a hooligan again!”

Xue Yating wiped her mouth and looked at him with grievance.

But An Jichuan was in a very good mood. He smiled devilishly. “Don't worry, I'll only be a hooligan to you!”

“Pervert!”

“Do you still not know if I'm a pervert or not? Do you want to try it tonight?”

Xue Yating turned around and scolded, “Get lost!”

(If you have problems with this website, please continue reading your novel on our new website myNovelFull.Com THANKS!)

“I really want to roll around with you...” (Get lost uses the same Chinese character as roll)

No matter what she said, he could always make it sound very ambiguous and shameless.

Xue Yating realized that she really could not just casually talk with An Jichuan.

The car went back on the road. An Jichuan did not joke anymore, and Xue Yating did not bother with him anymore. The two of them went on a cold journey.

Xue Zhengrong told Xue Yating that he was taking her to Mrs. Wen's birthday party. Xue Yating agreed and went upstairs with An Jichuan.

Xue Yating ran back to her room and locked the door.

Now she deeply felt that living with An Jichuan was too dangerous. That man could take advantage of her anytime.

She thought that she would be able to go back to her room, but a few minutes later, someone knocked on the door.

"Who is it?"

Xue Yating asked through the door.

"It's me. Open the door, Tina!"

"No!"

"It's not me. It's our sons. It's a video call from Binbin and Lele."

If An Jichuan wanted her to open the door, he had plenty of ways to do so. He would use his sons in a bid to open the door.

Xue Yating could not resist the temptation and opened the door a little. "For real?"

Chapter 2327: Unbelievable

"Why would I lie to you?"

An Jichuan showed her the phone screen. There were indeed two little heads on the screen. After seeing her, they began fighting for screen space to talk to their Mommy.

Xue Yating's heart melted when she heard the children's voices. "Give me your phone."

She reached out a hand through the door, wanting to take his phone.

"Take it."

He placed the phone in her hand and grabbed her hand. He pushed the door open and barged in.

After the man entered, he locked the door and pressed his back against it. Xue Yating retreated in shock.

"Hey! You! Get out! This is my room!"

"Hurry up and talk to our sons. They're both worried sick!"

An Jichuan had no intention of leaving. It wasn't easy for him to come in. He didn't want to go out.

Xue Yating realized she could not chase him away, so she could only make use of the time to chat with the children.

While she was having a video call with the children, An Jichuan swaggered into her bedroom and lay down on her bed to rest.

After Xue Yating ended the call, she saw An Jichuan lying on her bed. She came over angrily and pulled him up. "Get up! Don't lie on my bed!"

She wanted to pull him up, but unfortunately, not only did she not pull him up, but he even pulled her into his arms slightly.

Xue Yating fell onto his chest and looked into his eyes. She cried out in her heart and tried to get up, but the man turned over and pinned her down.

"An Jichuan! No! If you do anything rash, I'll call for help!"

Xue Yating was scared out of her wits. Being pinned under him was too dangerous.

"Go ahead and scream. I like the sounds you make in bed!"

He lowered his head and started to kiss her neck, gently biting her earlobe.

"You're a pervert! My father is in the study next door! He'll hear you!"

"If you call him over, he can see how much I love you."

"Despicable! My father treats you as his brother, but you actually want to sleep with his daughter!"

Xue Yating had no idea how to describe their relationship.

(If you have problems with this website, please continue reading your novel on our new website [myNovelFull.Com](http://myNovelFull.Com) THANKS!)

She really wanted to push him away, but the man's body was as tall as a mountain and she could not move him at all.

"I can also call him dad. It was you who insisted that I be like a brother to him."

"Let me go..."

"No!"

An Jichuan did not want to waste any more time talking to her. He began to enjoy his food seriously.

She had no idea that the more she rejected him, the more he wanted to be with her.

The forbidden relationship between them was even more addictive than anything else.

Ever since a wolf came into the house, Xue Yating's life had never been peaceful. She could be taken advantage of by him anytime.

The passionate kiss had almost made her forget where she was.

Luckily, An Jichuan did not do anything stupid. He only kissed her and let her go.

After taking Su Su back in the afternoon, Xue Yating threw her daughter to An Jichuan. She had to attend the banquet with her father tonight, so she could not bring her daughter along.

An Jichuan was quite easy to talk to today. He did not insist on following her, but was willing to take care of his daughter obediently.

They were drawing with Su Su when Xue Yating came back. "Why are you back so early?" An Jichuan asked.

"I decided to come back early. What happened tonight is really unbelievable!"

Xue Yating briefly talked about what she had seen that night. She followed her father to the Wen family home and saw Wen Zhehan's long lost daughter at the banquet. It turned out that she knew Wandou.

She also learned that Mu Chenguang and Wandou had gotten back together.

Chapter 2328: You Belong To Me Tonight!

He couldn't help but sigh. Fate was yours. It was yours in the end. If it wasn't yours, you wouldn't be able to get it even if you forced it.

After chatting for a while, Xue Yating looked at the time and said, "Su Su, it's getting late. It's time to sleep." She then said to An Jichuan, "Come and coax her to sleep. I'll go take a shower."

"Mm."

When Xue Yating came out from the shower, An Jichuan had already coaxed the child to sleep. Xue Yating looked at the room and asked, "Where's our daughter?"

"In her own room."

"Thank you. You can leave now."

Xue Yating understood. She pulled up her pajamas and glanced at him. In order to guard against him, she specially chose a set of conservative pajamas to wear.

An Jichuan looked at her and walked towards the door. But who knew that he would go to the door and lock it, then turn around and walk back.

"We have an early flight tomorrow. Hurry up."

"What?"

Xue Yating saw him walking towards her and subconsciously stepped back. She asked warily, "An Jichuan! What are you doing?"

"What do you think I'm doing? Of course I'm doing something I didn't finish at noon!"

"Go away!"

Xue Yating quickly got up and pushed him away.

"I just want to roll with you... Xue Yating..."

Xue Yating struggled but to no avail. Just then, someone knocked on the door. Xue Yating said nervously, "Someone is knocking!"

An Jichuan ignored her and his actions became even more impudent. A voice came from outside the door. "Tingting, are you asleep?"

Xue Yating could tell that it was her father's voice. Just as she was about to say something, An Jichuan whispered, "I don't mind you calling dad in for a visit!"

Xue Yating did not want her father to see such a terrible scene. She could only shout outside, "Daddy, I'm already sleeping. What's the matter?"

"Oh, nothing. I'm just here to take a check on you. Rest early."

Xue Zhengrong had only heard the commotion when he was passing by the house.

(If you have problems with this website, please continue reading your novel on our new website [myboxnovel.com](http://myboxnovel.com) THANKS!)

"Can you let go of me now?" Xue Yating asked.

"No, you belong to me tonight!"

"Tina, didn't you say that you don't love me? Why..."

Xue Yating was extremely ashamed. It was just as he said. Her heart was very against him, but...

"An Jichuan..." Xue Yating finally lost her ability to resist.

Early in the morning, An Jichuan got up reluctantly.

"My dear baby, you must wait for me to come back! Be good..."

He put on his clothes and tidied himself up. In the end, he did not forget to come over and say goodbye to her.

"Get lost!"

Xue Yating covered her face with the blanket, hoping that the pervert would leave their house soon.

An Jichuan did not get angry. He smiled lightly and left the room.

Xue Yating lifted the blanket and looked at the door.

Her heart felt a little empty. She did not know why, but from the moment he left her, her heart began to feel empty. Knowing that he was rushing to the airport now, she actually felt a trace of reluctance in her heart.

She must be going crazy!

Chapter 2329: She Was Going Crazy!

In the morning, Xue Yating first sent her daughter to school and then went to the pharmacy to buy the pill. After that man did that to her, she would take the pill in time to prevent any more unnecessary deaths.

She did not want to get pregnant again. Her career was about to start afresh. She could not afford any more accidents.

She went to the pharmacy before heading to Chenguang Music Company. Mu Chenguang called her and told her to go there and discuss some details.

As for the concert, there was a piano violin duet. Originally, they had chosen the internationally renowned piano master, Clayde. But because his schedule was too full, he could not come, so he recommended his beloved disciple, Fredle, to help Xue Yating. Now he wanted to ask Xue Yating if she would accept it.

“No problem. I believe that Master Clayde's beloved disciple is also very skilled!”

Xue Yating did not necessarily need Master Clayde to come personally. Since he had given her face and asked his beloved disciple, Fredle, to come help, it was also giving her face.

However, it was said that Fredle was an extremely mysterious person. He would never reveal his true appearance in every performance, and it was said that he had a very strange temper.

She was worried that she might not be able to work well with such a weird pianist.

Xue Yating immediately agreed to it. Mu Chenguang nodded. “Okay, it's settled then. I'll make the arrangements.”

Xue Yating came out of the music company and received a call from Yun Fenglan. She said excitedly, “Tina, guess where I am now? Guess who I met?”

“I don't know.”

“I saw your assistant Nick at the airport. Where is he going? He seems to be with another handsome man.”

While Yun Fenglan was making the call, she was already walking towards where An Jichuan and Qin Yan were.

Xue Yating frowned. “You met him?”

“Yes. I sent him a message the last time you gave me his number, but he didn't reply. I met him today, and I took the initiative to talk to him. Okay, I won't talk anymore. Bye!”

After ending the call with Yunfeng Lan, Xue Yating imagined the scene where Yun Fenglan was chatting with An Jichuan. She felt a little depressed, but she urged herself not to care.

If they really succeeded, wouldn't he stop pestering her?

This might be a good thing!

She said she didn't care, but when she slept alone at night, she kept thinking about that person.

She could still feel his scent and smell lingering in the room, as well as the man's painful breathing. Ahhhh! She was going crazy!

It was a night of self-reproach.

(If you have problems with this website, please continue reading your novel on our new website [myboxnovel.com](http://myboxnovel.com) THANKS!)

The next day, Xue Yating was playing in the piano room. When she was resting halfway through, she picked up her phone and looked at it.

The man had probably already returned to the country. She had not sent a single message to tell him that she was safe. She called the An family and only saw her two sons. Her mother-in-law also did not mention that An Jichuan had returned to the country.

There were a few unread messages on her phone. Xue Yating quickly opened them, but there was still no message from An Jichuan. However, there was a message from Yun Fenglan.

He opened the page and saw that Yun Fenglan's messages appeared on the screen.

[Tina, do you know that Nick is really humorous?]

[We chatted throughout the flight. I realized we have something in common.]

[Tina, Nick wants to treat me to a meal and even invited me to go to the beach. Oh my god, it looks like we have a chance! Wait for my good news!]

In addition to the news, there was also a photo of An Jichuan sleeping and the side profile of the man Yun Fenglan had secretly taken.

Goddamn it!

Chapter 2330: She Was Jealous!

Could it be that Yun Fenglan and An Jichuan were on the same flight and were sitting next to each other?

Could it be that the two of them had bought the tickets on purpose?

Now that she thought about it, she really regretted telling Yun Fenglan An Jichuan's number.

An Jichuan did not contact Xue Yating for the whole day, and Xue Yating felt her heart being gnawed at. It was unbearable, but there was nothing she could do.

She couldn't possibly take the initiative to send him messages and ask him all sorts of questions. If that happened, he would definitely push his luck even further!

On the seventh day since An Jichuan had returned to the country, Xue Yating still had no news of him. She only heard from Yun Fenglan occasionally how he was doing.

He even saw that she had really sent a photo of her and An Jichuan at the beach.

After Xue Yating finished reading it, she was so angry that she pouted. She did not want to say anything more. Let it be like this!

She kept sulking until the tenth day when she had no contact with An Jichuan.

In the end, she couldn't take it anymore and took the initiative to call An Jichuan. The phone rang a few times before it was picked up. A lazy and magnetic voice came through. "Hello, Tina?"

"Where are Binbin and Lele? I'm just calling to ask if they're okay..."

"They are fine. Is there anything else?"

An Jichuan's reply left Xue Yating at a loss for words. He had completely shut her up.

"Have you been busy lately?"

Xue Yating could not help but ask.

A lazy voice came from the other side of the phone. "Yes, I am indeed very busy. I have a lot of things to do. Also, I have to be your tour guide for your CEO Yun."

"Hey! You can ignore her. You're not her assistant. You don't have to do that!"

Xue Yating shouted. She really did not want him to accompany Yun Fenglan every day.

"Don't worry about it. I'll definitely treat your good friend well and be a good host. Also, I think President Yun is a very interesting woman. She has a straightforward personality and is also very loyal. She is quite a good person. Most importantly, she is very beautiful and has a good figure..."

An Jichuan, how dare you praise another woman's beauty in front of me!

Xue Yating almost crushed her phone screen as she tried to control her emotions.

"Tina, are you still listening? Why aren't you talking?" An Jichuan asked.

"There's nothing to say. That's it! See you again!"

Xue Yating hung up the phone angrily. The last two words were spoken through gritted teeth.

She had already lost her rationality and her heart was in a state of extreme tension.

She was angry. Or rather, she was jealous!

Very well!

This was the result An Jichuan wanted and also his strategy.

He wanted to make her angry, to make her anxious, to make her unpredictable, to make her miss him so much... In the end, she would willingly submit to him.

Initially, Xue Yating had been angry and told herself to stop thinking about everything related to An Jichuan.

But sometimes, even if she did not look for trouble, things would still come to her.

Even though she had returned to Zstan, the location of her phone's browser was still set at Rongcheng. Any news related to Rongcheng would be immediately sent to her phone.

Every morning when she opened her eyes, her first habit was to take out her phone to browse through the news. When she saw the headlines of today's news, Xue Yating woke up with a start.

The headline read: Is She An Jichuan's Secret Girlfriend?
