

Priceless 2341

Chapter 2341: The Final Objective

Yun Fenglan smiled sweetly. It was an expression that only a woman in love would have.

"I won't miss it."

Xue Yating looked at the woman in front of her and really envied her for being able to meet someone she liked and fall in love with at first sight. She could talk about marriage and enjoy the happiness and sweetness of love.

A call came in and An Jichuan said, "You guys have a good chat. I'll head outside take this call."

An Jichuan did not interrupt their conversation and went outside to answer the call.

Only Xue Yating and Yun Fenglan were left in the ward. Yun Fenglan approached her and asked, "Tina, why did you lie to me?"

"What?"

"You said that Nick is your assistant, but I only found out half a month after I went to Rongcheng. He's not your assistant. He's the president of the An Group and your brother-in-law. You're really mean! You're still hiding it from me!"

Yun Fenglan scolded her, but she was not angry.

"I'm sorry."

"Forget it, forget it. It's good that you know now. But I really didn't expect him to be your uncle and brother-in-law."

Yun Fenglan held Xue Yating's hand and smiled. "If I marry Nick in the future, won't we be sisters-in-law? That's great! We can still be sisters!"

"Haha, that's right!"

Xue Yating did not know that her smile was bitter. It was uglier than crying.

Yun Fenglan talked about a lot of things related to the wedding. Xue Yating had no choice but to sit up straight and listen quietly as her friend.

When An Jichuan came back from his call and saw that it was about time, Yun Fenglan stood up and said, "Okay, Tina, I won't hold you back from recuperating. I'm going to look at the wedding dress with Nick now. I'll send you a photo after I try it on. Help me choose which one looks better! That's all for now. Let's go!"

Yun Fenglan grabbed An Jichuan's arm and left with him.

Xue Yating was the only one left in the ward. The sadness in her heart could not be any greater. Tears silently rolled down her cheeks. She was extremely sad.

There were two kinds of love in the world that were the most heartbreaking.

The first was unattainable love. The second was love that was lost.

Now she experiencing the second type love. The love of the past was clearly in front of her, but she did not cherish it. She kept pushing An Jichuan away and into another woman's arms.

It was only after losing him that she realized what it meant to regret.

Outside the ward, An Jichuan and Yun Fenglan left together. At the corner of the corridor, Yun Fenglan stopped and asked worriedly, "Is it really okay for us to provoke her like this?"

(If you have problems with this website, please continue reading your novel on our new website myboxnovel.com THANKS!)

An Jichuan showed a confident expression. "People only know how to cherish things after they've lost them."

The current An Jichuan was no longer blindly pursuing recklessly. Instead, he had adopted a roundabout strategy to retreat in order to advance. In the end, the goal he wanted to achieve was to stay true to each other forever.

In the afternoon, Xue Yating received a few photos from Yun Fenglan asking her to help choose.

Every one of them was very beautiful. Xue Yating was really not in the mood to help her choose a wedding dress, but she still had to brace herself and help Yun Fenglan choose one that she thought was the most suitable.

She received another message from Yun Fenglan. "Tina, you're the best! You chose the same one as me! I like this one too! Thank you!"

Not long after, Yun Fenglan sent a few more photos. "Tina, take a look. Is Nick handsome in this?"

Chapter 2342: A Sad Thing

They were all photos of An Jichuan. The man looked like he was born to wear a suit. It was God's most perfect masterpiece. He looked so handsome from every angle that it made Xue Yating's heart flutter.

Xue Yating was irritated by what she saw. She casually replied with a "all of them are good" and threw her phone down.

She sighed inwardly. It would be depressing if she really became Yun Fenglan's bridesmaid!

It was easy for her imagination to run wild while lying on the bed alone.

She regretted taking the medicine every time. If she hadn't taken the medicine, she might've been pregnant with his baby again.

Maybe with the baby, their relationship would be different.

Sigh, how regretful!

After staying in the hospital for two days, Xue Yating went home to rest. With the children by her side, she could more or less not think too much about stuff.

However, no matter what she did, she could not bring herself to do it.

A servant came to inform her that the second young master of the An family was here. Xue Yating heard this and immediately got up from her lying position as if she had been injected with a shot of adrenaline.

When she went out again, she was already fully dressed.

She knew it was inappropriate for her to do this, but she still did it. She only wanted to show An Jichuan her perfect self.

Downstairs, An Jichuan was playing with the three children. His two sons climbed onto his shoulders and rubbed his hair.

He had a good temper. No matter how the children threw a tantrum at him, he would never get angry at them. This was also the real reason why all three children relied on him to like him.

Su Su was the first to notice that her mother had come. She told her father, "Daddy, Mommy is here!"

An Jichuan turned to look at the beautiful Xue Yating and asked, "Tina, are you going out?"

"Um... yeah, I'll be heading out later."

She wasn't going out. She just wanted to look pretty.

Xue Yating felt a little awkward. She lowered her head and looked at her dress and gorgeous shoes. She also felt that she was dressed too formally.

But since she was already downstairs, she could not run up to change her clothes.

Moreover, this was the best dress she had ever seen in the closet.

(If you have problems with this website, please continue reading your novel on our new website myboxnovel.com THANKS!)

"Are you feeling better?"

"Much better."

Xue Yating sat down beside him and the children. She could feel the change in An Jichuan. Even the way he talked to her was very normal.

There was no eye contact or flirtatious tone. He had really cut off all ties with her. Sigh.

They sat down and chatted. The content of their conversation was also irrelevant. An Jichuan played with the children for a while and proposed to leave. Xue Yating asked the servants to bring the children to play. She also wanted to "go out".

"Why don't we go together?"

An Jichuan asked calmly.

“Okay! Thank you!”

She did not refuse and took the passenger seat.

An Jichuan habitually leaned over to help her buckle her seatbelt. Xue Yating subconsciously held her breath when he suddenly approached her. She couldn't help but feel her heart palpitate.

After buckling his seatbelt, An Jichuan turned around and drove away.

On the way back, Xue Yating had a crazy idea. She wanted to snatch An Jichuan back and tell him that she loved him too.

As she thought of this, her heart thumped non-stop. She was extremely nervous. She mustered her courage and said, “Ji Chuan...”

“Uhh?”

“Have you... really decided to get married?”

“Yes. It's rare to meet a woman that makes my heart flutter. I must marry her.”

Chapter 2343: It was really over!

When An Jichuan said this, he turned to look at her quickly with a determined look in his eyes.

Xue Yating felt as if her heart had been cut by a knife. It was bleeding non-stop and it hurt like hell.

Even though she was trembling with heartache, she still had to pretend that nothing had happened. But she still couldn't help but ask, “Then between us...”

“Oh, don't worry. I won't tell anyone what happened between us. It won't affect your future.”

An Jichuan explained clearly.

Xue Yating did not speak again. She quietly digested the sad truth.

They were finished!

It was really over!

Xue Yating was so immersed in her own sorrow that she did not notice that the car had already turned into another road. When she raised her head again, she realized that the car was already heading towards a place she was not familiar with.

“Where are we going? I should get off now!”

“Let's go take a look at the new house I've prepared. Help me think of something.”

An Jichuan said it lightly, but Xue Yating's heart thumped like a broken string.

Did he ask her to accompany him to his new place with Yun Fenglan?

Could she not go?

Xue Yating realized that she did not even have the strength to say no. Her heart was filled with sadness.

The car passed by a road filled with ginkgo trees. After turning a corner, a wide view appeared in front of them. After driving for a while more, a villa surrounded by greenery gradually appeared.

At a glance, one could see that the style of the building inside was a modern Baroque style. It was gorgeous and full of texture.

As she followed him into the manor, she could enjoy the beautiful scenery. Xue Yating noticed that the layout here was very similar to that of Shui-mo Lan Ting Residence.

An Jichuan opened the door and made a “after you” gesture.

Xue Yating looked at the door and was a little afraid. After all, An Jichuan had eaten her up many times and even imprisoned her. She had a bad feeling about it.

She was afraid of being alone with him, but she also felt that the door had some kind of magical power that attracted her in.

The villa was huge and luxurious, but it did not lose its humanity. Xue Yating noticed that the furnishings and objects in the house also looked like they were from Shui-mo Lan Ting Residence.

(If you have problems with this website, please continue reading your novel on our new website myboxnovel.com THANKS!)

For example, the table lamp they had chosen together after their marriage, her favorite soft wool carpet, and some small ornaments she had collected.

“You brought all this stuff from Rongcheng over here?”

Xue Yating asked in surprise.

“Yes, they are all things that I like, so I brought them here. What do you think? What else do you think is inappropriate? Will my bride like this place?”

An Jichuan stared into her eyes.

Xue Yating forced a smile and looked away. “Maybe! It's quite good.”

“Then I'm relieved! I'll show you upstairs.”

When she was alone with him, An Jichuan did not do anything romantic or take advantage of her anymore. Xue Yating was relieved, but she was also a little disappointed.

This meant that his heart was no longer with her.

An Jichuan took her upstairs and showed her every room. “This is the study room, this is the children's room, and this is the master bedroom.”

“You haven't bought a bed yet?”

Xue Yating realized that there was only furniture in the master bedroom. The only thing missing was a bed.

“Yes, we'll go later. You can accompany me and help me out,” An Jichuan suggested.

“Me? Forget it. You should let Lan Lan go with you.”

She really didn't want to go with him. After all, it was their wedding. What was she doing there?

Chapter 2344: I Don't Want This Cheap!

An Jichuan deliberately brought up their relationship. Xue Yating's expression changed and she forced a smile that was uglier than crying.

“Fine.”

She just wanted to leave this place that was suffocating her.

After that, An Jichuan drove her to the residential square. The two of them went to choose a bed together. To avoid any unnecessary misunderstandings, Xue Yating wore a mask and An Jichuan wore sunglasses.

When they arrived at the public square, they went straight to the place where the beds were sold. There were all kinds of prices. An Jichuan got someone to recommend a few of the best beds.

“Tina, can you help me try it out?”

Xue Yating shook her head as An Jichuan made a new request. “You should try it yourself. Since you are the ones sleeping, your feelings are the most important.”

An Jichuan sat on the bed and tried the height of the bed and the comfort of the mattress.

“I think it's fine. But I don't know what my bride wants, so you're a woman. You can help me decide.”

Unable to resist An Jichuan's request, Xue Yating began to carefully choose a bed and mattress for him. In the end, she chose a large bed that she thought was the most comfortable. “This one will do. It feels quite comfortable.”

An Jichuan immediately ordered the waiter, “Miss, I want this one.”

“Yes, sir.”

Just like that, the two of them chose their beds and left the furniture square. An Jichuan then proposed to treat them to a meal. “I'm very sorry for troubling you today and taking up your private time. Why don't I treat you to a meal?”

“No, I have something else to do.”

“It's okay. It won't take too much time.”

Xue Yating could not reject his proposal at all. Or rather, she could not resist his temptation.

She did not want to go, but as long as he was a little domineering, she would obey him.

Damn it!

An Jichuan booked the best spot at the western restaurant, Memory and brought Xue Yating over for dinner.

When they arrived, Xue Yating realized that it was a candlelit dinner. She was a little hesitant. "I don't think that's a good idea! You should be with Lan Lan. I should go."

"Don't be in such a hurry to leave. You've helped me so much today. Shouldn't I treat you to a meal?" He pulled her back to her seat and added, "Originally, I wanted to invite my bride over for a meal, but she's busy! Fortunately there's you around!"

She didn't want to be this cheap!

(If you have problems with this website, please continue reading your novel on our new website myboxnovel.com THANKS!)

Xue Yating pouted.

The waiter quickly served the food and the two began to eat. During the meal, An Jichuan asked, "What are your plans now?"

"Nothing much. I'm just taking care of the kids at home."

Xue Yating had already decided that she would not hold anymore concerts in the future. She would leave her time to the children. They were still growing up and needed their mother's company.

When the children grew up, she might also want to set up a music training institution. She would switch from pre-stage to post-stage and use her skills to teach more children who wanted to learn music.

"Have you ever thought of starting your own school or becoming a music teacher?"

An Jichuan asked again.

"What?"

Xue Yating raised her head and looked at him in surprise. How did he know what she was thinking? That was what she was thinking just now!

"I think you can set up your own music school."

An Jichuan felt that he was very suitable to be a music teacher. Previously, he could tell that she loved Doremi's job and liked to stay with the children.

"We'll talk about it later!"

Chapter 2345: Heartache

For the time being, Xue Yating was not in the mood to do this. An Jichuan had sucked all of her energy away, making her unable to do anything.

After dinner, An Jichuan sent her back to the Xue family's house. When they arrived outside the Xue family's house, he did not drive his car in but stopped at the door.

He habitually helped her unbuckle her seatbelt. The two of them were very close to each other, and the man's hot breath landed on her face. If it was in the past, he would definitely force a kiss on her. But now, he politely withdrew his body and got out of the car to open the door for her.

Xue Yating got out of the car and walked towards the Xue family's gate. Behind her, the sound of an engine could be heard. When she turned back, his car had already sped away and disappeared into the night.

He didn't even have a second to wait. He must be in a hurry to see Yun Fenglan!

Ever since that day, Xue Yating had been in a sickly state. Nothing she ate smelled good, and her sleep quality was poor.

Her father asked her to go to the hospital to check on her body, but she did not go. She knew what was wrong with her. She was not sick. She was suffering from a heart attack.

This negative energy continued until An Jichuan and Yun Fenglan's wedding. Yun Fenglan called her and reminded her that she was going to be her bridesmaid tomorrow and she could not go back on her words.

That night, her father came to her room and asked her with concern, "Tingting, do you want to eat something? I'll get the kitchen to prepare it."

"No need, Daddy. I have no appetite."

Xue Zhengrong looked at his daughter's face that was becoming thinner by the day and sighed in heartache. "Actually, you can live a more relaxed life. There's no need to take all the pressure on yourself. You are now free to be with anyone. No one will say anything about who you are with. You can pursue the life you want. For example, if you like Ji Chuan, you can pursue him without any worries. Don't wait until you lose it before you regret it."

"Dad..."

Xue Yating was shocked by her father's sudden words. Did he know about her relationship with An Jichuan?

"I won't stop you from doing anything anymore. What I want to see the most now is that you can live a happy life. If you're not happy, I will be very sad too. So Tingting, open your heart bravely. Don't have any more considerations. The most important thing is to seize the happiness that should belong to you."

Xue Zhengrong patted her hand and left the room.

Xue Yating stared blankly at the ceiling. She had mixed feelings in her heart. It was as if her father knew everything. It was as if he did not oppose her and An Jichuan and even encouraged her to open her heart and accept that man.

But it was already too late.

The wedding was tomorrow!

Even if she found An Jichuan now, what was the use of confessing her feelings?

After thinking about it for a long time, Xue Yating mustered her courage and got out of bed.

She found a set of clothes and put them on. Then she grabbed her car keys and left.

(If you have problems with this website, please continue reading your novel on our new website myboxnovel.com THANKS!)

She decided to drive to look for An Jichuan. If she found him, she would tell him her feelings and see how he would react.

If he still loved her, she would never leave him again, even if it meant offending Yun Fenglan.

With this humble thought in mind, Xue Yating drove to An Jichuan's new manor in Peijing.

But she could not find him at the new house. She asked the guard and said that he had not come back tonight.

Xue Yating was anxious. She felt that she and An Jichuan were now like a kite that had lost its string. It was difficult to even find him.

Chapter 2346: A Little Enticed

She mustered her courage and called him. It took a long time for the call to go through. "Hello?"

"Ji Chuan, where... where are you now?" Xue Yating asked as she held her breath.

"At the bar. What's the matter?"

"Uhm."

"Why don't you come over and look for me..."

An Jichuan told her the name of a bar and the room number. Xue Yating ended the call and drove to the bar.

When she arrived at the bar, the waiter led her to the private room where An Jichuan was. Xue Yating stood at the door and looked inside.

There were a few people sitting inside, drinking. Other than An Jichuan, she also knew a few other people. For example, Mu Chenguang, Wandou, and Qin Yanzhi from the last auction. The other two men were strangers.

"Tingting!"

When Wandou realized that it was her, she immediately stood up to welcome her. "President An said a friend would come. So he's talking about you."

"You're all here!"

Xue Yating had no choice but to follow her into the private room.

Wandou pulled her to the side and sat down. Coincidentally, there was Qin Yanzhi between Xue Yating and An Jichuan. She quickly glanced at An Jichuan.

An Jichuan looked at her and asked, "Tina, what do you want to talk to me about?"

"Oh, it's nothing important."

After sitting down, Xue Yating felt a little regretful. She couldn't say what she was thinking in front of so many people, right?

"Then let's have fun for a bit. You can sing if you want!"

"I..."

Xue Yating was about to say that she didn't know how to sing, but Wandou had already handed her the microphone. "Tingting, they drink, we sing."

"Forget it, you sing! I'm not good at it."

"I've already picked the song. Let's sing together. I'm also tone-deaf!"

With Wandou's invitation, Xue Yating couldn't refuse and sang a song with her, 'Start Point'.

(If you have problems with this website, please continue reading your novel on our new website myboxnovel.com THANKS!)

Xue Yating rarely sang, but that didn't mean she couldn't sing. The moment she opened her mouth, her voice was breathtaking.

"It hurts when I hug you.

"And I will feel lonely

"I could only hear silence when it's time to leave. What other choice did I have?

"Don't be sorry, don't feel like you owe me.

"Now that he is by your side, treat him better..."

Wandou looked at her singing and gestured at Mu Chenguang coquettishly. How was this not good at singing?

Xue Yating stopped after she finished singing a part of the song. Wandou took over and the two of them began to sing together.

At the end of the song, Wandou basically stopped singing because she was fascinated by Xue Yating's singing.

When the song ended, everyone applauded for her. Qin Yanzhi, who was beside her, was even more generous with his praises. "I didn't expect Miss Xue to not only play the violin well, but also sing with such a beautiful voice."

"Thank you."

As she thanked him, she stole a glance at An Jichuan. The man was looking at her with a secretive gaze.

“One more song! I would like to invite Miss Xue to sing a duet! Please help me pick one, Mrs. Mu. Thank you.”

Xue Yating wanted to reject Qin Yanzhi's invitation, but Wandou had already picked the song.

It was a love song between a man and a woman. She knew how to sing it, but was it appropriate to sing it with Qin Yanzhi?

Xue Yating noticed Qin Yanzhi whispering something into An Jichuan's ear. An Jichuan looked at her.

“Miss Xue, it's your turn,” Qin Yanzhi reminded.

She really did not want to sing with Qin Yanzhi, but she had already sung with Wandou just now. If she rejected Qin Yanzhi, she was really afraid of offending a friend, so she could only bite the bullet and sing.

Chapter 2347: A Mess

After she finished singing the female part, it was the male part. When the song entered her ears, Xue Yating trembled uncontrollably.

This voice...

She turned around and saw that it was indeed An Jichuan who was singing next. His voice was magnetic and gentle, like a woman whispering in your ear. It was so pleasant that it could make your ears pregnant.

Xue Yating could not help but blush. She did not expect An Jichuan to sing the male part.

What did he mean by taking the initiative to sing with her? Did he still have some feelings for her?

Xue Yating thought to herself. It was Wandou who reminded her that it was back to her part in the song.

After the song ended, she and An Jichuan did not talk to each other directly. They then began to drink.

Qin Yanzhi raised his glass and toasted An Jichuan. “Come! We're getting married tomorrow! Cheers to our last bachelor today!”

“I'm not going home until I'm drunk tonight!” An Jichuan seemed to be in a good mood as he drank with him.

“Happy wedding!” Mu Chenguang and the other men joined in.

Everyone was congratulating An Jichuan and wishing him a happy marriage tomorrow. Xue Yating's heart was filled with bitterness. She could only talk to Wandou to ease the awkward situation.

At the end of the drink, An Jichuan and Qin Yanzhi were the most drunk. After the party ended, Qin Yanzhi was taken away by his two friends.

There was still a drunk An Jichuan left in the private room. Before Wandou left, she asked worriedly, “Tingting, what about President An's place? Do you want me to help you after I send Chenguang to the car?”

“No need. You guys go back. I'll send him back.”

Xue Yating volunteered.

Wandou helped Mu Chenguang leave. Xue Yating tried to help An Jichuan up. "Ji Chuan, I'll send you back now."

An Jichuan did not refuse and let her carry him out of the house. It took a lot of effort to get the man into the car.

As she drove back to his new home, she looked at the man in the back seat through the rearview mirror from time to time. She saw that he was frowning and his eyes were closed tightly. He looked very uncomfortable and her heart was filled with a faint feeling of pain.

She secretly blamed him for drinking when he knew that she had stomach problems. She also blamed herself for not stopping him back then.

Xue Yating finally managed to get the car to the manor and parked it at the entrance of the villa. Xue Yating asked the servants to help carry him into the house and to the room upstairs.

She wanted to send him home, but seeing that he wanted to vomit, she decided to stay and take care of him.

She searched online for a way to make him some hangover soup and waited for him to drink it. After he had calmed down, she prepared to leave.

The man was so drunk that it was impossible for him to say anything to him. It seemed that this was the only way. They were destined to not be fated.

(If you have problems with this website, please continue reading your novel on our new website myboxnovel.com THANKS!)

But just as she got up, the man grabbed her wrist.

"Don't go..."

"I fell for you the first time I saw you... You're the only one I want to marry in this life..."

The man seemed to be saying something romantic. Xue Yating's heart was in a mess. She really wanted to know who he thought he was talking to. Was it Yun Fenglan?

"I'm getting married tomorrow... Are you happy?"

"..." Xue Yating lowered her head sadly.

After saying this, the man closed his eyes again. He must have fallen asleep. Xue Yating pulled her hand back and covered him with the blanket before finally leaving the room.

She stood at the door and turned to look at An Jichuan one last time, her eyes filled with reluctance and longing.

Chapter 2348: Goodbye, Ji Chuan

From tomorrow onwards, she would draw a clear line between herself and this man called An Jichuan. There would be no more emotional entanglements.

He would have a new family, a new lover, and a different life from now on.

And after experiencing the two relationships between An Xianming and An Jichuan, she could no longer love anyone.

Goodbye, Ji Chuan. I hope you can be happy.

Xue Yating left the manor dejectedly. She sat in the car, her hands trembling as she held the steering wheel.

Tears rolled down her cheeks uncontrollably. Sadness, sadness, regret, the pain of longing... The complicated feelings intertwined together and made her heart break.

In the end, she lay on the steering wheel and cried.

It was the day of the wedding.

Xue Yating forced herself to wake up. She tidied herself up and put on exquisite makeup to cover her pale face.

She drove to Yun Fenglan's house and saw her parents and many guests. The Yun family took her to Yun Fenglan's room.

Yun Hailan had already put on her makeup and put on a white wedding dress. It was beautiful beyond comparison. She was wearing the wedding dress she had chosen for her.

"Tina, you're finally here!"

Yun Fenglan greeted her happily. Xue Yating came up to her and said, "Lan Lan, you're so beautiful today!"

"Thank you!"

"I've prepared a dress for you. Go change into it!"

"Okay."

Xue Yating had already calmed down and treated herself as an outsider. She felt better when she thought of this.

The wedding was held in the largest Catholic church in Peijing. The wedding car arrived at the church with the Yun family.

The church was filled with people, and romantic wedding music echoed in the air. Flowers and red carpets lined the path to the sacred altar.

Xue Yating escorted Yun Fenglan into the wedding hall as a bridesmaid, but she did not dare to look up at the altar. She could see a tall black figure standing there, but she did not dare to look.

(If you have problems with this website, please continue reading your novel on our new website myboxnovel.com THANKS!)

She lowered her eyes and walked all the way. Finally, she escorted the bride to the altar and retreated to the bridesmaid seat beside her.

Facing all the guests, Xue Yating raised her head slightly and looked around. She saw her mother-in-law, Rong Lihua, and her sister-in-law, An Zhitong, sitting below the stage with her father, Xue Zhengrong.

She was curious. Why was her father here?

Other than her father, she also saw the Wen family, the Mu family, and many other friends. She even saw Jing Xi in the audience.

Why was Jing Xi here? Whose wedding was she attending?

Xue Yating could not help but turn to look at Yun Yunlan and the groom beside her. Xue Yating was stunned. Why was the groom not An Jichuan but An Jichuan's friend, Qin Yanzhi?

What about An Jichuan?

What was going on?

Just as Xue Yating was confused, another group of people came in from the church entrance. In the white light, a little girl in a white princess dress skipped ahead, followed by a tall man and two children.

When they got closer, she saw that it was An Jichuan, his daughter Su Su, and their two sons.

An Jichuan quickly arrived with the three children and said to Xue Yating in front of everyone, "Tina, I'm sorry I'm late!"

Xue Yating saw that he was dressed the same as Qin Yanzhi and was also a groom. She was confused. "What's going on?"

Chapter 2349: He was still waiting for her!

"Today is Qin Yanzhi and Yun Fenglan's wedding day. I want to use this occasion to formally propose to you."

An Jichuan took out a small box from his pocket and opened it to reveal a sparkling diamond ring. Then, he knelt on one knee and said solemnly, "I've prepared for this day for a long time. I don't care about what others think, and I'm not afraid of being mocked by the world. I only care about you. Please promise to marry me and let us give our children a complete and happy family, okay?"

After An Jichuan finished speaking, the three children ran over and hugged Xue Yating's leg. "Mommy, marry Daddy!"

"Mommy, we want Mommy and Daddy to be together..."

Happiness came too suddenly. She had already given up and was only here to be a bridesmaid. How did it turn into An Jichuan proposing to her?

Xue Yating looked at An Jichuan, then at Yun Fenglan and everyone else. Her eyes were wet. "All of you came together to lie to me..."

"I'm sorry, Tina. The person I want to marry is actually Qin Yanzhi. Nick is still your Nick. He only has you in his heart! Everything he did was to make you change your mind. Seeing how sincere he is, you should just promise him!"

If Yun Fenglan had not met An Jichuan and Qin Yanzhi at the airport and flew to Rongcheng together, she would not have had the chance to know his real identity.

As soon as she arrived at C Nation's Rongcheng Airport, she saw a huge poster of An Jichuan. After figuring out that he was the president of Rongcheng's An Group, she checked the information and found out about the relationship between An Jichuan and Xue Yating.

An Jichuan did not hide his identity from Yun Fenglan and told her about his relationship with Xue Yating.

Yun Fenglan was touched by his love for Xue Yating. Not only did she withdraw any intentions she had for Nick, she also said that she was willing to help them.

During the two weeks in Rongcheng, it was Qin Yanzhi who accompanied her. The two of them fell in love with each other and decided to get married. That was how things ended up like today.

"Tina, please think back to the past. What was your heart like? Were you sad to lose me? Are you happy now that I'm standing in front of you and proposing to you?"

An Jichuan looked into her eyes, hoping that she would recognize her heart and not back down.

She didn't need him to remind her. She knew how she had gotten through it. She was worried about her gains and losses. She missed him so much that she was sick. Losing him made her heart empty.

"Tina, I know you love me too," An Jichuan continued. "Please stop running away. No one will object to us being together now. Everyone will support us. Please give me a chance, okay?"

"Agree to it! Marry him!"

The voices got louder and louder, but Xue Yating was crying tears of joy.

She could not help but cover her face and cry. Recalling the torture and longing she had been through, her heart ached terribly.

She was so touched!

It was too surprising!

"Mommy, don't cry!"

The children knew how to comfort her. Su Su took her hand and Bin Bin and Lele pushed her towards An Jichuan.

Xue Yating looked at the man kneeling in front of her and nodded. "Alright."

Hearing her promise, An Jichuan got up from the ground and pulled her into his arms. The two hugged each other, and the three children also hugged their parents' legs. The family of five gathered together.

Chapter 2350: Marry Me Today

Applause rang out from the audience. Everyone stood up and gave their blessings.

Xue Yating cried in the man's arms. An Jichuan patted her and comforted her.

Yun Fenglan came over and pulled Xue Yating back. "Tina, today is a good day. Why don't we get married together?"

"We?"

"Yes, I've brought the wedding dress you chose! Look!"

Xue Yating followed the direction of Yun Fenglan's finger and saw two people walking into the church holding a white wedding dress. The design was the one she had chosen, the same as the one Yun Fenglan was wearing.

She turned to look at An Jichuan, who smiled. "Tina, are you willing to marry me today?"

"Yes, Mommy, say yes!"

Su Su pulled her sleeve and asked her to answer.

Xue Yating wiped her tears and smiled back.

With the help of her friend, Xue Yating changed into a wedding dress and entered the church with her father.

At this moment, she had already transformed into a beautiful bride and was walking towards the man on the altar.

An Jichuan reached out his right hand and Xue Zhengrong placed her hand in his. An Jichuan gently pulled her onto the altar.

An Jichuan whispered something into her ear. Xue Yating blushed and looked at him.

Standing side by side with Yun Fenglan, the two women looked at each other and smiled.

Soon, the priest announced the arrival of the holy wedding.

In front of God, the two sets of newlyweds swore an oath of love together. They put the ring on their respective beloved's hand and kissed each other.

The wedding ended smoothly, and the two grooms led their brides out of the church. The lively wedding reception was up next.

All the guests who attended the wedding continued to gather together. At the wedding reception, Xue Yating warmly greeted her family and friends. When she saw Jing Xi, she did not forget to hug her warmly.

“Sister Jing Xi, thank you for coming to my wedding! I'm really surprised!”

“Yes, I should thank Mr. An. He has done a lot for you. You should cherish him! Don't regret it when you lose him again.”

Jing Xi gave her the most sincere warning. She only hoped that she could understand that she had already lost An Xianming. She didn't want to miss a man who loved her so much. Otherwise, she would have to live in regret and pain for the rest of her life.

“I understand, Sister Jing Xi. I will cherish it. Can I stay for a while longer after I return?” Xue Yating really wanted to have a good chat with her.

“Let's see how it goes. You go greet the guests first. We'll talk later.” Jing Xi saw An Jichuan waving at Xue Yating.

“Uhm.”

Xue Yating hugged her again before walking back to An Jichuan.

Jing Xi felt happy for them as she looked at her friends.

She was not worried about Xiao Yuqian and Ma Haodong, nor was she worried about Yi Xiao and Fang Xiaocheng. She was even less worried about Wandou and Mu Chenguang. She was most worried about her brother, Helian Qingyu.

In order to wait for Li Ruochu, he had already become a senior. Sigh, who knew when he would make progress.

The last time she came back to attend Fang Xiaocheng and Yi Xiao's wedding, she met Li Ruochu and knew her latest address. Jing Xi planned to visit Li Ruochu after the wedding and persuade her.

After the wedding, Xue Yating and An Jichuan moved into their new room that night.

An Jichuan carried her out of the car and directly carried her into the villa before putting her down. Now that she was standing here again, Xue Yating felt completely different from before.

She finally knew how much the man had done for her. For her, he had moved from Rongcheng's home and company here. For her, he had chosen to accommodate her and settle down in Peijing.

Everything he did was for her.

“How is it? Do you like our new home? My bride!”
