

Priceless Baby 1931

Chapter 1931: Would Be So Immoral!

She saw Li Muhao holding that woman at the hotel's front desk and they were in the process of booking a room. Xiao Yuqian observed carefully and already recognized that woman as Nen Modanni. She was from a competing company and she just became popular recently.

Xiao Yuqian saw the cheating couple in front of her kissing as if there was no one there and a shot of anger emerged. She rushed over impulsively and grabbed that woman's hair and then slapped her face two times straight away.

"Oww!" Nen Modanni screamed and touched her face. After she recognized Xiao Yuqian was the one who hit her, tears immediately started to fall on her pretty face. She threw herself into Li Muhao's embrace and begged for help. "Brother Li, this woman is hitting me!"

When Li Muhao realized it was Xiao Yuqian who rushed over to hit her, he held her wrist and asked, "Xiao Yuqian! What are you doing?!"

Xiao Yuqian pushed him away fiercely and then asked coldly, "Are you asking what I am doing? I am teaching this bitch a lesson! Li Muhao! You really are something. You switched off your phone and I can't find you anywhere. It turns out you came to a hotel room with a young girl! Motherf**ker, you are a piece of shit!"

Slap! Xiao Yuqian didn't hold back and slapped Li Muhao's face.

She was about to faint from anger right now. Xiao Yuqian had already forgotten about borrowing money long ago.

After all, it was Li Muhao who was disgraceful. He felt guilty in his heart and just took the beating, feeling embarrassed to hit back.

However, since the truth was already out today, there was no need to continue to pretend in front of Xiao Yuqian.

After the pretense was removed, Li Muhao laughed, "Xiao Yuqian, what the f**k are you doing? To tell you the truth, I've hated you since long ago! The thing I detest most is how a rich arrogant girl like you pretends to be noble and virtuous! Do you really think I liked you when I courted you in the past? Wrong! I only did so because I lost a bet with my friend!"

Feeling pleased with himself, Li Muhao tidied his suit and continued to say, "It is good now. Since you already know, then let's break up! Who I am with has nothing to do with you."

Xiao Yuqian felt extremely upset in her heart when she heard what Li Muhao said. She never would've thought her boyfriend of three years would be so immoral!

He was obviously the one who was wrong but he actually brought up breaking up with her so boldly. He even said those hurtful words!

Everything that happened at the hall at this time was seen by the man who was sitting not far in the rest area.

This wasn't some stranger but instead a twenty-year-old Ma Haodong.

As an irresponsible and hedonistic son of rich parents, Ma Haodong initially thought he was already a big piece of human trash. But when he compared himself to Li Muhao right now, he suddenly felt like there was still hope for him.

He looked at everything that happened with playful eyes. When his gaze landed on the weak and trembling back of the woman who threw out slaps, the corner of Ma Haodong's mouth couldn't help but move up into a slightly ambiguous smile.

He wanted to see what would happen next. How would that woman exit this difficult situation?

“How can we break up just like that? How will you repay me for the three years of my youth?”

Although they were in a relationship for three years, she never wantonly spent any of Li Muhao's money.

Xiao Yuqian's heart was bleeding. The relationship she had treated so seriously was just a gamble by someone else. Just thinking about it made her feel desolate.

“You want money, right?” Li Muhao took out a check from his wallet and threw it in her face. “This is a check for five hundred thousand. It should be enough to cover the three years of your youth you lost, right?! Take it! Now, don't appear in front of me again!”

Even if they were breaking up, she should be the one who was dumping him. However, Li Muhao was actually the one to embarrass her. Xiao Yuqian tightened her fist and then let go again. She raised her hand to hit Li Muhao but he caught her wrist.

Chapter 1932: A Full-fledged Bastard

“What? Look at yourself! You're no one now! The Xiao family is finished!” Li Muhao laughed. “Do you really think I will help you? You can take the 500 thousand if you want, but I'm not giving you more than that.”

Li Muhao didn't even flinch when he said all that. He'd never liked Xiao Yuqian from the beginning. He sought after her because he lost a bet to his friend and thought of breaking up with her after a while. But then he realized that she wasn't clingy and could help with his company's problem. That was why he decided to keep her.

He was just using her. There weren't any feelings involved. That explained why he'd never touched her during the past three years of dating.

Xiao Yuqian finally found out Li Muhao's true colors. He was a full-fledged bastard.

It was true that she needed money, but she wasn't going to take the check from Li Muhao.

Instead, she picked up the check, tore it into pieces, and threw it into Li Muhao's face.

She then picked up the vase and shouted, “I was blind, so blind that I actually fell for someone like you! Just die!”

Before she could throw the vase towards Li Muhao, he was one step faster than her and grabbed the vase.

Li Muhao then showed his palm, wanting to slap Xiao Yuqian.

But before he could land the slap, his wrist was grabbed by someone from behind.

Li Muhao turned around and saw a young man in a blue suit. He was wearing a pair of sunglasses indoors, and his hair was messily arranged.

“Let me go!” Li Muhao scolded.

“Let you go? You were going to hit my girl, weren't you? Did you get my permission to do that?”

Ma Haodong scolded and stared at Li Muhao through his sunglasses.

Xiao Yuqian was utterly shocked by Ma Haodong's appearance since she had no idea who he was.

He was a complete stranger.

“Your girl? You mean her?” Li Muhao asked.

“That's right.”

Ma Haodong let Li Muhao go and grabbed Xiao Yuqian by her shoulder. Xiao Yuqian looked at the hand on her shoulder and then back at Ma Haodong.

“Huh? And here you are accusing me, Xiao Yuqian.” Li Muhao smirked. “Look at yourself. Tell me, who is he? I never thought you would like someone with a babyface.”

Li Muhao insulted Ma Haodong with the term “babyface” because of his pale skin.

Xiao Yuqian could feel the stranger pinching her shoulder, signaling to her that he was helping her.

“So what?” Xiao Yuqian asked back.

“You hear her?” Ma Haodong laughed. “She would rather date someone with a babyface than someone with an overused banana.”

“You!”

Li Muhao scolded and pointed at Ma Haodong. The moment he raised his finger, Ma Haodong grabbed it and broke it.

Li Muhao yelled in pain. Ma Haodong then forced Li Muhao down to the floor and started punching his face before breaking his whole arm.

“Don't you dare come near my woman ever again, you hear me?” Ma Haodong warned. “Or else I'm going to cut that arm off.”

Chapter 1933: Wanted To Tease Her

Li Muhao rolled around on the floor in pain. In the end, it was Nen Modanni who helped him up. The two of them ran out of the hotel with their tails between their legs.

After the human trash was gone, only Xiao Yuqian and the men she didn't know were left.

“Mister, thank you very much for just now.” Xiao Yuqian thanked him sincerely.

Ma Haodong took off his sunglasses at this time, revealing his chiseled face. When Xiao Yuqian saw this, a stunned look flashed in her eyes. She thought about how young and handsome this guy was. He looked to be around the same age as her younger brother.

“Is a simple thank you enough?” Ma Haodong didn't know why but he suddenly wanted to tease her.

“Then... how about I treat you to a meal?”

The only way Xiao Yuqian knew how to show her thanks was to treat him to a meal.

“How about...” Ma Haodong acted like he was pondering and paused for a while. He then replied, “How about you devote your life to me?”

Xiao Yuqian: “...”

She couldn't figure out what this guy was trying to do. She wasn't even close to him. She didn't even know his name. Asking her to devote her life to him the first time they met, he must be crazy!

“If you are not willing to devote your life, then how about a kiss.”

Ma Haodong opened his arms and hugged Xiao Yuqian as he spoke. He lowered his head into a posture to kiss her lips.

Xiao Yuqian saw he was really forcing a kiss on her. She basically hit his ears out of reflex and even kicked towards his crotch.

After she kicked him, she scolded, “Hooligan,” and ran away.

This was simply a classic case of biting the hand that fed you, right?

Ma Haodong pinched his legs in pain and shouted at her back. “Hey! Woman! The next time I see you, just see what I will do to you.”

He massaged his cheeks and his face was also burning from being hit. This woman was definitely a wildcat, her paws were so sharp!

Xiao Yuqian escaped from the hotel, quickly got into the car and drove away. She was really afraid the man would catch up to her and get revenge.

If the unpleasant situation just now was not considered, she was still quite thankful for the man just now for stepping up and helping her at the time she needed it the most.

When Xiao Yuqian thought about Li Muhao, she couldn't help but feel a jolt of pain in her heart.

It was one thing to cheat, but he even shamed her in public. Such a man should be chopped up and fed to the dogs!

She could only blame herself for being blind. She actually couldn't tell Li Muhao was such a piece of shit. She even stupidly devoted herself to him.

Forget it. She shouldn't be thinking about Li Muhao right now. So what if they broke up!?

She wouldn't miss such a piece of shit even one bit!

She already saw clearly that men were all unreliable. The only person she could rely on was herself.

She kept comforting herself while she was on her way. Xiao Yuqian had no choice but to forcibly pull herself together. After all, with their current family condition, she needed to support the family as the eldest daughter.

After she arrived home at the Xiao residence, she saw her Aunt Xiao Lan. Xiao Lan moved back to her parents' house with her daughter after she divorced her husband, and she had been living there ever since.

Xiao Lan was also very anxious now that something happened to the Xiao family. When she saw Xiao Yiqian come home, she immediately went up to her and asked, "Qianqian, how is it going? Is there a way to solve it?"

Xiao Yiqian shook her head.

Xiao Lan sighed. "Sigh, what should we do? Did you go see your boyfriend and find a solution? Isn't he in the property business? Our Xiao family can still be saved as long as he is willing to help."

"Don't bring it up, auntie. I've already broken up with Li Muhao!"

"Huh? Why did you break up at such a time? Have you gone stupid?" Xiao Lan couldn't help but criticize her.

Chapter 1934: Beg

Xiao Yuqian was already hurt by Li Muhao, and now her aunt was blaming her for everything. It broke her.

"Do you think I want that?" Xiao Yuqian roared. "He cheated on me! He's the one who broke up with me! What do you expect me to do? Get down on the floor and beg to trash like him?"

Xiao Lan was stunned by Xiao Yuqian's sudden change in mood. After hearing Xiao Yuqian's reason, Xiao Lan's heart softened.

"I'm sorry, I was just thinking of the family... What should we do now? How about you go meet the president of Licheng? If he can call back the proposal, maybe we can prevent them from purchasing our company," Xiao Lan suggested.

Xiao Yuqian did not reply. She knew that Li Dacheng, president of Licheng Group, was interested in her.

Li Dacheng had been trying to date her, but she'd rejected all his invites.

Licheng Group trying to purchase her father's company wasn't a surprising move either.

Li Dacheng wanted to use the chance to make her beg for his help.

Meeting with Li Dacheng was the option that Xiao Yuqian had pushed to the far back.

She would never go with that choice unless there wasn't anything else she could do.

There were still three days left before the purchasing proposal went through. Xiao Yutian went to look for her mother, Tang Qingyuan, and her cousin, Tang Yitan, for help.

They did help her. But the money they managed to put together was only enough for her to cover the money she owed the suppliers.

She still had the bank debt to pay.

One day before the purchasing date, Xiao Yuqian finally gave in and agreed to meet with Li Dacheng.

They were set to meet at a restaurant in a five-star hotel. Xiao Yuqian pushed open the door to a VIP room and saw Li Dacheng sitting his fat ass on the couch.

"We finally meet again, Miss Xiao." Li Dacheng smiled excitedly.

"Nice to meet you too." Xiao Yuqian forced a smile and greeted him.

"I never thought you would contact me. Please, have a seat."

Li Dacheng patted the seat next to him, but Xiao Yuqian ignored it and sat opposite him instead.

"Thank you," Xiao Yuqian said as she sat down. "About the purchase..."

"We aren't in a hurry, are we?" Li Dacheng stopped Xiao Yuqian. "Let's talk while we eat, shall we?"

Li Dacheng then waved his hand, signaling the waiter to bring in the food.

Soon, the table was filled with exquisite food and wine. Li Dacheng got up and poured Xiao Yuqian a glass.

"I'm sorry, but I can't drink," Xiao Yuqian rejected.

"Can't or don't want to? I believe that you drank quite a lot at your father's events. Even if you really can't, I can teach you how to," Li Dacheng said and placed the glass in front of Xiao Yuqian.

"Do you still remember how we first met?" Li Dacheng then continued. "It was at a party. I still remember seeing the most beautiful lady ever there. You could've become a celebrity, and yet you chose to become a manager for them instead. What a waste..."

Chapter 1935: She Really Couldn't Do It!

"There's nothing to pity about it. Everyone has their own ambitions. I feel that I am better suited as an agent," Xiao Yuqian said.

"That's true! With Miss Xiao's good looks and abilities, you will excel no matter what you do.

Li Dacheng kept on praising her but Xiao Yuqian's felt extremely nervous in her heart. She came to see him so that they could talk about the acquisition. What could she do if he kept on avoiding talking about it?

“Thank you, President Li, for the praise. However, the reason I came here today is to talk about the Xiao family business. I know Licheng Group wants to buy it over but I hope President Li can spare us. If you do so, I won't be able to thank you enough.”

“Oh, this thing. This is easy to solve. Come, come. Have a few drinks with me first.”

Li Dacheng held a cup of alcohol and Xiao Yuqian evaded it once again. “I'm sorry, President Li. I really can't drink alcohol. Why don't I pour it for you to pay you my respect?”

Li Dacheng saw she wasn't giving him any face and his expression immediately turned slightly cold. “Miss Xiao, you came to see me today because you wanted to ask for my help. You don't even give me face when I ask you to drink with me. Where is your sincerity? Since this is the case, then there is no need to talk about the acquisition. Guards, come and see her out!”

The room's entrance opened very quickly and two bodyguards came in. Xiao Yuqian wanted to seize her last chance. She said, “Wait! President Li, I will drink this as you wish!”

Xiao Yuqian stood up, picked up the cup, raised her head, and drank it in one go.

Li Dacheng looked at her as she downed the cup and his mouth lifted up into a smile. He schemed in his heart that once she was drunk and the drug started to take effect, there was no way she wouldn't let him have his way with her.

Li Dacheng poured another drink for her after she put down the cup. When the alcohol went down into her stomach, Xiao Yuqian felt her throat and stomach both burning. It felt unbearable. She definitely wouldn't be able to drink the second cup.

“I can't drink anymore, President Li. I really can't continue drinking. My tolerance for alcohol is very low.”

In any case, the drug had already entered her so Li Dacheng was in no rush. He then started to ask her to eat. “It's fine if you can't drink. Miss Xiao, eat some more!”

Li Dacheng took the opportunity to change seats and sit beside her. “I will sit closer so we can talk about the acquisition.”

Xiao Yuqian felt the alcohol going to her head right now. She used one hand to support her forehead and tilted her head to listen to Li Dacheng.

Li Dacheng started talking nonstop. However, Xiao Yuqian had already started to become slightly absent-minded. Not long after, she felt a wave of indescribable heat rising in her body.

It got hotter and hotter. It was so hot that it made her want to rip off her collar.

She had drunk and also gotten drunk in the past. However, she never encountered a situation like what she faced today.

She had a low tolerance level for alcohol, but it was not so bad that she would faint from one cup. As Xiao Yuqian often hung around such social circles, she could immediately deduce that Li Dacheng had done something to the alcohol she just drank.

What should she do now?

She looked at Li Dacheng's face and she felt disgusted in her heart. She wanted to leave but when she thought about her father at the hospital and the risky situation the Xiao business was in, if she left, wouldn't their business be done for tomorrow?

Could it be that she really needed to take this step today to save the Xiao family business?

As Li Dacheng was speaking, he touched Xiao Yuqian's head. "Miss Xiao is really a beauty. The more I look at you the harder it is to hold back. Oh my. So young and pretty, with such a good figure too. If you are willing to consider me, discussions about the acquisition will be easy!"

The moment his voice disappeared, he grabbed Xiao Yuqian's hand with one hand, and his other hand was already on her back, getting ready to embrace her.

The moment Li Dacheng touched Xiao Yuqian, the disgust in her heart overpowered the effect of the drug. She really couldn't do it!

Chapter 1936: Fate

Just as Li Dacheng was going to hug Xiao Yuqian and try to kiss her, Xiao Yuqian pushed Li Dacheng away.

But her strength was drained entirely because of the drug. The scarier part was that the drug was starting to take its effect, and she actually had the thought of not rejecting Li Dacheng.

"Do you know how much I've thought about you every day?" Li Dacheng smiled pervertedly. "I should take good care of you, shouldn't I?"

Li Dacheng pushed his face closer, and Xiao Yuqian quickly turned her head. What little remained of her reason was the only thing that kept her safe. She grabbed the wine bottle on the table and smashed it into Li Dacheng's head.

Li Dacheng screamed and let Xiao Yuqian go as his head bled.

Xiao Yuqian took the chance and ran for the door.

"Get that bitch! Go! I'm going to make her suffer!"

Xiao Yuqian could hear Li Dacheng's scream as she ran.

She ran and ran until she arrived at the hotel's garden. There wasn't any place for her to hide except for the swimming pool.

Without any choice, she jumped straight into the cold pool.

Miraculously, the cold water actually woke her up a little from the drug and her head became clearer.

"Where is she?"

"I think she's hiding somewhere."

"Look around."

Xiao Yuqian could hear Li Dacheng's guards talking near her.

As their footsteps got closer, Xiao Yuqian took a deep breath and dove under the water.

Since she was being hidden by the shadow of a tree, the guards did not notice her in the pool.

Xiao Yuqian waited until she was almost out of breath and poked her head out as she gasped for air.

She noticed that the guards were walking towards other parts of the hotel and did not see her. She climbed out from the water and was about to take the chance to leave when someone stood above her, staring at her.

Shocked by the person, Xiao Yuqian jumped back into the pool.

"Huh? You look familiar?" the person said.

Xiao Yuqian was stunned, as the voice sounded familiar. She raised her head and finally saw the man's face with the help of the lamp next to him. Whether it was fate or not, Xiao Yuqian had no idea.

It was the man that helped her with her ex at the Hilton Hotel.

"What? Don't tell me you've forgotten about me?" Ma Haodong asked with a cunning smile.

"No, I didn't. I don't have the time to talk to you, please move."

Xiao Yuqian was already shivering from the cold water. Any longer than that in the pool, and she might get sick.

Ma Haodong did not move and just stared at her. Then, they heard the guards coming back towards the pool, and Xiao Yuqian panicked.

Ma Haodong had guessed what was happening and joked, "Are those people looking for you? Should I tell them you're here?"

"Wait, please don't tell them!" Xiao Yuqian begged.

Chapter 1937: Waiting For Her To Give In

She dived into the water once again when the two bodyguards got closer.

The two bodyguards searched through the entire garden but couldn't find Xiao Yuqian. They were sure she was still in the garden and that she hadn't left the hotel.

At this time, they saw Ma Haodong beside the swimming pool. They came and asked, "Mister, have you seen a woman who is about this tall and is wearing blue clothes?"

Ma Haodong glanced at them and then said, "Yeah, she ran that way."

"Okay, thank you."

The two of them ran towards the wrong direction he pointed at to look for her. There was still no movement on the surface of the water and Ma Haodong said, "They are gone, you can come out now!"

Xiao Yuqian finally emerged. It was only after she was sure the bodyguards were already gone that she swam towards the edge of the pool.

“How will you thank me?” Ma Haodong's lips lifted up and he asked.

When Xiao Yuqian thought about how he tried to take advantage of her, she couldn't help but roll her eyes. “Let me get up then we will see!”

“You are so cunning. I need to set the conditions first. Otherwise, what will I do if I let you up and you kick me again?”

Ma Haodong spoke playfully. It seemed as if he was patiently waiting for her to give in.

Xiao Yuqian was almost speechless. This guy was even more shameless than Li Dacheng. But she was in his hands so what was she to do?

“Tell me! What do you want?”

Xiao Yuqian felt extremely unwell right now. The heat in her body kept on pounding her so much that even the cold water was almost unable to surpass the effect of the drug.

“Spend a night with me,” Ma Haodong said in a carefree way.

“You are trying to gain from someone else's misfortune!”

Xiao Yuqian cursed him heavily in her heart. She'd only just escaped from Li Dacheng's clutches and now she ran into a guy who was trying to raise the price.

He must be a wolf dressed in human skin!

“Being with me is definitely better than being with that fatass Li. You can choose yourself! If you are not willing, I can call the bodyguards back right now.”

Ma Haodong stood up and looked like he was going to shout.

“Sigh! Wait!” Xiao Yuqian was almost speechless. It was obvious that this bastard had planned this. Otherwise, how else would he know who she was meeting tonight?

“Hm?” Ma Haodong crossed his hands and waited leisurely for her to give him an answer.

Xiao Yuqian thought about it and she could only accept that she was unlucky. In any case, she really didn't want to go to that fatass. Although the man in front of her looked young and was also a bad guy, at least he looked slightly better than that fatass.

“Okay! I promise you!”

“That's a good girl!”

Ma Haodong took the initiative to stretch out a hand. Xiao Yuqian didn't want his help and planned on getting up using the railings. However, the moment she moved, she felt a tear on her ankle and it was very painful.

She couldn't move. It seemed like she had a cramp.

“What is it? Have you become addicted to the water and don't want to come out?” Ma Haodong raised his brows and asked.

“No... I have a cramp!” Xiao Yuqian said awkwardly.

So that was the case!

Ma Haodong didn't say anything else and reached out with his hand to pull her out of the pool straight away. A breeze blew past Xiao Yuqian the moment she got up and her body started to shiver.

Ma Haodong took off his jacket and placed it on her body. He then picked her up straight away.

The moment he picked her up, Xiao Yuqian's nose smelled a strong scent of male hormones. It immediately provoked the heat in her body and she pretty much subconsciously pressed against his neck.

Just as Ma Haodong carried her towards the hotel, the bodyguards who were tricked just now were walking back and just so happened to see them.

“Stop right there!”

“Put that woman down!”

Chapter 1938: Let Her Have It

The guards chased after them, and Xiao Yuqian's heart tightened. She was afraid that Ma Haodong would hand her over, so she grabbed his collar tightly.

“Please... Don't...”

Ma Haodong didn't stop walking. When the two guards caught up with him, he kicked one of them in the gut to put him down.

The others charged at him next, but Ma Haodong made a clean side sweep which threw that guard into the water.

Ma Haodong took care of the guards quickly and carried Xiao Yuqian back to his presidential suite.

Even though Xiao Yuqian was safe, her mind was going crazy. The drug was taking its full effect.

She latched onto Ma Haodong like a panda hugging bamboo as if she was looking for something.

Ma Haodong took Xiao Yuqian straight to the bathroom so that she could take a hot bath.

He was afraid that she might get a cold from soaking in cold water for too long.

He opened the shower and set it to the right temperature before helping Xiao Yuqian take off her wet shirt.

But he then realized that Xiao Yuqian was not responding to him and was still hugging his waist. She would also let out moans from time to time as if she was crying.

“Hey! What are you crying for? Weren't you the one who said that you'd come with me?”

Ma Haodong shook her and realized her face was already full of tears.

“Seriously?” Ma Haodong scolded, as she was making him feel like he was forcing her. “I haven't even started doing anything, and you're already crying? Wash yourself up then!”

Ma Haodong was planning to let her go. But when he tried to walk away, Xiao Yuqian hugged him from behind.

“Please... Don't go... It's hot...” Xiao Yuqian muttered.

Ma Haodong could feel her body temperature rising through the clothes.

Thinking of a possibility, Ma Haodong cursed Li Dacheng. He was furious that Li Dacheng had actually drugged Xiao Yuqian.

Xiao Yuqian was lucky that Ma Haodong came to save her, or else she would've been played by Li Dacheng.

Xiao Yuqian was sticking to Ma Haodong, and her hands kept moving around his body. No matter how much of a gentleman Ma Haodong was, there was no way anyone could resist the temptation.

Ma Haodong then thought of his virginity that he'd kept for twenty years. He wondered if it was worth it to give his first time to a woman who just got dumped.

In the end, Ma Haodong gave in and let Xiao Yuqian get what she wanted.

When they finally did it, Ma Haodong only realized that, for the woman beneath him, it was her first time too.

Ma Haodong was shocked. The woman had been dating the playboy Li Muhao for three years, and he'd never touched her.

Thinking of those things were pointless to him now since the woman kept asking him for more.

They kept on going for the whole night as Ma Haodong satisfied Xiao Yuqian with his young and healthy body.

Xiao Yuqian slept until noon the next day and woke up with pain all over her body.

She started to recall what had happened yesterday, and her mind cleared instantly.

Chapter 1939: Quickly Leave The Wolf's Den

She opened her eyes, saw his handsome face up close, and screamed out in shock. She pushed him away and immediately covered her body with the blanket.

Ma Haodong was awoken by her and opened his eyes. He cast a glance at her and said casually, “Are you up?”

“You hooligan... you actually did it to me...”

Xiao Yuqian could not imagine that she actually had relations with a man who she didn't even know the name of.

Ma Haodong reminded her by saying neither quickly nor slowly, "You seem to have forgotten the conditions you agreed to last night! How am I a hooligan? It was clear you were the one who kept wanting it."

"Impossible! I don't remember it!"

Xiao Yuqian's memory was chaotic and hazy. She really could not remember what happened between them at all.

"You were drugged and I saved you. However, you kept holding onto me and didn't want to let go. I was the one who was taken advantage of last night. You kept wanting it the entire night. I really couldn't have guessed you were actually so open."

Ma Haodong pointed at her forehead with one hand and spoke casually.

Xiao Yuqian's face immediately turned red after he said this. She felt so awkward she wanted to find a hole to crawl into.

It was too late to say anything now since it had already happened. Xiao Yuqian could only tell herself to let it go!

She didn't say anything and just stood up while feeling depressed. She wanted to find her clothes and leave. However, she made the miserable discovery that her clothes were not in the room.

The man behind her saw what she was trying to do and he explained. "Your clothes are not here. Have you forgotten? All of your clothes got wet last night and couldn't be worn anymore. I already threw them out for you."

"Threw them out? What am I supposed to do now?"

"Do whatever you want. It's fine even if you run out naked like this."

"..."

Who talks like this? Did he ask her to run out naked?

Xiao Yuqian really wanted to ask what kind of demon she had met.

Why was she so unlucky to always run into him. Moreover, he always saved her but he would also be the one to take advantage of her while she was in danger.

Xiao Yuqian couldn't figure it out and just as she was worried about how she could leave the hotel, the doorbell rang.

"Go open the door!" the man on the bed ordered.

"Are you asking me to open the door?" Xiao Yuqian was using the blanket to cover her body right now. She wanted to ask him how she was supposed to open the door while looking like this?

"Women are really so annoying!"

Ma Haodong sounded a bit irritated. He cleared his throat, pulled the blanket away and got out of the bed. He casually pulled a bath towel, tied it around his waist, and went to open the door.

The man came back to the bedroom not long after. He threw the two bags in his hand to her and then crawled back underneath the blanket.

Xiao Yuqian picked up one bag and took a look. It was actually women's clothes inside and it even had underwear prepared. Shoes and socks were in the other bag.

She looked, slightly in shock, at the man lying down next to her. He had shocked her once again. She thought he was inhumane but he actually got everything ready for her.

This fella was simply a combination of an angel and a demon!

After Xiao Yuqian put on the clothes, she realized they fit well. Even the bra was her size. Suspicion couldn't help but fill her heart. She turned around and looked at him. Who exactly was he?

She couldn't help but feel he planned his appearance. Him coming to her help every time made it feel even more like it was an elaborate scheme.

She really couldn't figure it out and couldn't understand. But she shouldn't be thinking too much right now, as she should quickly leave the wolf's den.

After Xiao Yuqian finished putting on the clothes, she said to the man on the bed, "Hey! It's not like I won't thank you! Yesterday night was just a transaction. I already thanked you for saving me. The business is complete to the satisfaction of both sides! There is no need to see each other in the future! I will be leaving now!"

Chapter 1940: One Time Couple

Xiao Yuqian left quickly after that. Ma Haodong slowly opened his eyes after she left, and no one had the faintest idea of what was going through his mind.

All Ma Haodong knew was that the game between Xiao Yuqian and him was just beginning.

Since Xiao Yuqian was afraid of running into Li Dacheng's people again, she wrapped a scarf around her head to disguise herself.

She'd dropped her purse with her phone inside when she was running away last night. She went to the reception and asked if anyone had found her wallet.

Unfortunately, no one had.

With everything inside, Xiao Yuqian could not drive her car back. She then gave up and quickly left the hotel.

After walking for a while, Xiao Yuqian realized it was hard for her to get a cab since the resort was built quite a distance away from other civilizations.

It wasn't long before a car came from behind her.

Xiao Yuqian quickly moved to the side to let the car pass, but the car stopped next to her instead.

The window of the car rolled down, and inside sat a man.

Since the man had his sunglasses on, Xiao Yuqian couldn't tell who it was.

“Hey there, beautiful, need a ride?” the man asked.

The moment Xiao Yutian heard the man's voice, she shivered and quickly declined him.

“No, thanks.”

“Are you sure?”

Ma Haodong raised a purse up in his hand. It was Xiao Yuqian's purse.

“Where did you find it? Give it back!”

“You want it? Then come and get it,” Ma Haodong laughed as he hugged the purse.

Without being given any other choices, Xiao Yuqian opened the door to the shotgun seat and got in.

“Can you give it back now?” Xiao Yuqian asked.

Ma Haodong did not reply and moved towards Xiao Yuqian, which scared her.

She thought he was going to violate her, but instead, he was helping her with the seatbelt.

The awkwardness was written all over Xiao Yuqian's face.

Ma Haodong then started the car and drove towards the city.

“Hey! My bag!”

“I have a name, you know,” Ma Haodong scolded.

“Well, you never told me what your name is.”

“Hus is my name. My last name is Band.”

“Hus Band?”

“Yep.” Ma Haodong laughed cunningly.

Realizing she'd been tricked, Xiao Yuqian raised her fist and punched Ma Haodong in the shoulder.

“How dare you trick me!” she scolded.

“Hey! You better be nice to me. Don't forget that we've at least dated for one night.”

Ma Haodong's words instantly made Xiao Yuqian blush with embarrassment.

“Cut it with your jokes! Didn't I tell you that I don't want anything to do with you again?”
