

Priceless Baby 2011

Chapter 2011: An Absolute Slap On The Face

She already saw the news on the internet. She also saw many fans scolding Su Jimo. The reason everyone initially forgave him for having a secret marriage was because of the moving confession he gave to his wife.

But now, there was suddenly an exposé that they were divorced. This was an absolute slap in the face. The image Huayin had rebuilt for Su Jimo before instantly collapsed again.

Su Jimo arrived back at Huayin and Guan Hao was already waiting for her. He immediately showed the information about the news when he saw her. "Yuqian, what exactly is going on?"

"I'm also not sure. Have you found the source?" Xiao Yuqian asked.

"I've found it. It came from a website. However, I still haven't found the person who announced the news."

"That isn't important. What is important now is... what should we do? Help me contact the PR department. We will have a meeting and we will all study it together."

"No problem."

After that, Xiao Yuqian joined an emergency meeting. In the meeting, the person in charge of the PR department looked over the PR plan.

Everybody agreed that the best way to take care of the situation right now was to have Su Jimo and Nie Zhenglan remarry. It was the best explanation for the public.

Xiao Yuqian might be the only one who was able to help the two of them remarry. That's why the responsibility was given to her in the end. They would see if she could persuade them.

Xiao Yuqian tidied her things and got ready to go see Nie Zhenglan. Just as she came out of the meeting room, she ran into Niu Jiang.

Niu Jiang had a fake smile and said, "Oh my, why is Manager Xiao in such a hurry? Where are you going?"

"I'm going out."

"Oh, I heard something happened to the two-time award winner under your management. What's going on? Do you need my help?" Niu Jiang said 'kind-heartedly.'

Xiao Yuqian stared at him and suddenly, her intuition was telling her that it was unlikely that Niu Jiang was unrelated to what happened with Su Jimo.

Niu Jiang was the only person in the company who was against him. Niu Jiang hated her in his heart because of the things that happened in the past. That's why he wanted to ruin Su Jimo as a way to suppress her. The motive was very reasonable.

“No need. Manager Niu, it will be okay if you just look after your own team. I know how to take care of the issues with my artists.”

After Xiao Yuqian walked a few steps, she turned her back again and didn't forget to warn, “However, I hope Manager Niu can put his mind on the right path. Don't let me find out that this thing is related to you. Otherwise, don't blame me for not holding back!”

Once Xiao Yuqian left, Niu Jiang looked at her back and smiled coldly with the corner of his mouth lifted up.

Humph. Star manager my ass!

Very soon, you won't be one!

Once I catch dirt on you, you can just wait to die! F**king bitch!

Reporters crowded the door downstairs at the Huayin Building so much that nothing could pass. Xiao Yuqian spent quite a bit of time just getting in and it was similarly difficult now that she wanted to go out.

“Miss Xiao, can you give some insider information on Su Jimo's secret marriage and divorce?”

“Xiao Yuqian, an artist under your management lied to the public once again. Do you have any explanation on that?”

“Xiao Yuqian, Su Jimo married secretly and then divorced. Does Huayin pamper its artists like this?”

“Xiao Yuqian, does Su Jimo deserve the title of being a two-time award winner? As his manager, don't you have anything to say?”

All of the questions were about Su Jimo and most of them were attacks.

“I'm sorry, but we at Huayin will follow up and call a press conference. I hope everyone will be patient. I'm sorry, please move out of the way...”

Just as she couldn't push her way out, bodyguards who were wearing black uniforms suddenly came into the crowd. They separated the crowd and came beside her. They protected her, rushed out from the crowd of reporters and brought her to a vehicle.

The vehicle she got on was an RV. It was only after she got on that she saw Ma Haodong was sitting at the back. It turned out it was he who had helped. She even thought Guan Hao had done it!

Chapter 2012: A Dead-end

“Why are you here?” Xiao Yuqian asked, thinking that Ma Haodong was at his university.

“To help you, what else?” Ma Haodong said as he pulled Xiao Yuqian into his arms. “There's no way I'm going to stand and watch as my woman is in trouble.”

“Thank you. I would never have gotten out of there if you didn't come.”

“Where do you want to go now?” Ma Haodong asked.

“I need to meet with Lanlan.”

Ma Haodong immediately ordered his driver to drive them to where Nie Zhenglan was staying at. He didn't follow Xiao Yuqian into the building as he waited in the car patiently.

Nie Zhenglan wasn't surprised when Xiao Yuqian appeared at her doorstep.

“You saw the news, right?” Xiao Yuqian asked.

“I did, but what could I do?” Nie Zhenglan replied. “There's nothing I could do to help him.”

“You're wrong. You're the only one who could help him now. If you don't, it's a dead-end for him,” Xiao Yuqian said anxiously as she grabbed Nie Zhenglan's hands. “Do you really want to see all of his hard work going down the drain? It would be hell for him and you know it.”

“...”

Xiao Yuqian was right. Nie Zhenglan did not want to see that. Su Jimo was the only man she ever loved. Even if they weren't married anymore, she still didn't want anything to happen to him.

“But... What can I do to help him?” Nie Zhenglan sighed.

“You can! As long as the two of you get remarried! Do you know how many people were envious of him? So much that they would do anything to ruin him. The title he has puts him on the edge of a cliff, and someone wants to push him off...” Xiao Yuqian said. “You're the only one that can save him. Please, just help save him, or else I'm going to go down with him too.”

Xiao Yuqian's plea finally moved Nie Zhenglan as she agreed to help Su Jimo.

“Thank you...” Xiao Yuqian sobbed as she hugged Nie Zhenglan.

Xiao Yuqian then quickly contacted Su Jimo. With Ma Haodong's help, Su Jimo and Nie Zhenglan became a married couple again.

Instead of saying that Nie Zhenglan helped Su Jimo because of their past, she helped him because she still had profound feelings for him.

After the procedure was completed, Xiao Yuqian rushed back to the company to prepare for the press conference.

The conference was held three days later. Reporters from most of the biggest media companies were present.

The public relations team of Huayin patiently explained and responded to all of the questions that were thrown at them.

In the end, Xiao Yuqian, as Su Jimo's manager, took out the document that proved Su Jimo and Nie Zhenglan had married again.

“Please take a look at the document in my hands,” Xiao Yuqian said. “This is the official document that states Su Jimo and his wife, Nie Zhenglan, are still officially married.”

Even though it managed to silence some of the reporters, a few of them shifted their attention to the date.

“Miss Xiao, the document cannot prove anything. What if they got remarried just so Su Jimo could get out of this mess?” one of the reporters asked.
