

Primordial 52

Chapter 52 Arrogant and Domineering Meng Wenchang

Just as Lin Chen was preparing to go ahead and take a look, a voice rang out from behind him.

Lin Chen was puzzled. He's a man, after all. Who could be calling him "junior sister"?

Turning around with an icy look on his face, Lin Chen realized he had misunderstood. The person was actually calling out to Mu Qingxuan.

Ever since Mu Qingxuan had arrived at the Jade Cauldron Sect, she had been following Lin Chen wherever he went.

Although Lin Chen held a deep hatred for the malicious plotting of Mu Qingxue and Li Chu against him, he bore no grudge towards Mu Qingxuan in his heart.

"Junior sister, our Qing Yi Hall is very strong. Would you like to join? Once you do, I guarantee that no one in the entire Jade Cauldron Sect will dare to bully you."

"As for cultivation techniques and martial arts skills, you'll be able to access top-quality resources, and your cultivation will surely advance by leaps and bounds. What do you say?"

At this moment, the man who had been following Lin Chen and Mu Qingxuan started to extend his invitation to Mu Qingxuan again.

Upon hearing this, Mu Qingxuan took a few steps back in fright, looking towards Lin Chen with a pleading expression on her face.

Mu Qingxuan had always been of a timid and cowardly disposition, and although she had always harbored feelings for Lin Chen, she never dared to express her true emotions.

The man from Qing Yi Hall, at this moment, gazed at Mu Qingxuan with a fiery look in his eyes.

Mu Qingxuan and Mu Qingxue represented two completely different types of beauty: Mu Qingxue was enchantingly seductive, while Mu Qingxuan was more like pristine ice and pure jade.

At this moment, that guy from Qing Yi Hall evidently had his eyes on Mu Qingxuan's beauty.

As for Mu Qingxuan, Lin Chen wasn't initially keen on meddling too much, but after all, they came from the same place. Seeing that look of help in her eyes, Lin Chen ultimately decided to help her out this time.

"Excuse me, senior brother, what are the main advantages of your hall compared to the others? We're new here and would like to learn more. Could you tell us about your noble hall?"

Speaking as a new disciple, Lin Chen's tone remained courteous.

However, upon hearing Lin Chen interrupt his recruitment of Mu Qingxuan, the man from Qing Yi Hall immediately furrowed his brows.

When he looked at Lin Chen and realized he was just at the ninth level of the Body Tempering Realm, there was instant disdain in his eyes, full of aversion.

"I was talking to this junior sister. What's a piece of trash like you interrupting for? Get lost."

The man from Qing Yi Hall looked at Lin Chen with an intense irritation in his heart.

He noticed Mu Qingxuan always following Lin Chen, and the look of seeking Lin Chen's help only further suggested their relationship was out of the ordinary.

To have such a beauty connected to the man before him, he felt jealous to death.

If it hadn't been for this piece of trash Lin Chen, the beautiful girl would surely have agreed to join Qing Yi Hall by now.

Therefore, the man placed all the blame for Mu Qingxuan's refusal to join Qing Yi Hall on Lin Chen.

Seeing the man from Qing Yi Hall suddenly start abusing Lin Chen loudly, Mu Qingxuan immediately felt repulsed by him.

"Thank you for the invitation, senior brother, but I don't wish to join Qing Yi Hall right now. I want to look around further."

Mu Qingxuan, despite her timid nature, still opened her mouth to refuse the invitation from Qing Yi Hall. There was no way she could join Qing Yi Hall after the way this person had insulted Lin Chen.

Upon hearing Mu Qingxuan's words, the man from Qing Yi Hall's face instantly turned red.

"You actually dare to refuse me? Within the Outer Sect of the Jade Cauldron Sect, our Qing Yi Hall is a top-ranking group. How dare you be so ungrateful."

"I'm putting my words here today, if you don't join our Qing Yi Hall, no other group will dare to accept you. Think carefully, if you have no group in the Jade Cauldron Sect, it's very hard to survive in the Outer Sect. It won't be long before you are sent down the mountain."

The man from Qing Yi Hall looked at Mu Qingxuan, his lips curling into a cold smile, believing that under his threat, Mu Qingxuan would definitely agree to join them.

None who came to the Jade Cauldron Sect wanted to be sent down the mountain.

Hearing what the man said, Mu Qingxuan clenched her small hands, her complexion turning extremely pale in an instant.

When she left Desolate Sky City, the elders of the Mu Family had all pleaded with her to establish a stronghold in the Jade Cauldron Sect. Even if she couldn't make much of a name for herself, she had to ensure she wouldn't be expelled from the sect, for without Mu Qingxuan's deterrence in the Jade Cauldron Sect, the Mu Family in Desolate Sky City would be in grave danger.

Seeing that Mu Qingxuan was indeed frightened by his words, the man from Qing Yi Hall immediately revealed a smug smile on his face.

"She doesn't want to join your Qing Yi Hall, yet you threaten her so. Would the Jade Cauldron Sect really allow you to be so reckless?"

Lin Chen glared at this annoying fellow in front of him, unable to watch any longer.

"A waste at the Body Tempering Realm dares to talk back to me? Do you know who I am? In the entire Outer Sect of the Jade Cauldron Sect, I can do whatever I want. If you're displeased, go find the brothers in the Inner Sect and report me."

"You like to show off, huh, and even dare to play the hero? I'll make it clear today, I'll make sure you can't stay in the Jade Cauldron Sect."

The man from Qing Yi Hall glared furiously, and if it weren't for the many onlookers, he would have already taken action against Lin Chen.

Hearing this, Lin Chen frowned, realizing there would always be such arrogant and domineering individuals no matter where he went.

But Lin Chen was not afraid of him and didn't believe that in the vast Jade Cauldron Sect, such a person would be allowed to run rampant.

After all, the path of cultivation revered the principle that might makes right.

Looking at the man's aura, he was merely at the Second Layer of the Spirit Gathering Realm. Lin Chen's current cultivation level would allow him to step into the Spirit Gathering Realm at any time, but he still

had the last hundred meridians to unblock. He was holding back his cultivation level and not breaking through in order to construct a Divine Body.

However, Lin Chen's strength had long surpassed the Spirit Gathering Realm, and he did not take the man before him seriously at all.

If it came to a one-on-one fight, Lin Chen was confident he could have the man lying on the ground within five moves.

"Who is that newcomer who dares to provoke Meng Wenchang? Doesn't he know that Meng Wenchang's grandfather is an Outer Sect Elder?"

"Meng Wenchang is notoriously domineering in the Outer Sect, truly a tyrant. Not long ago, a menial disciple offended him and was played to death by him. This guy probably won't end well."

The crowd discussed among themselves, their eyes turning towards Lin Chen with pity.

In their eyes, Lin Chen was as good as half-dead.

At this moment, Meng Wenchang's smile grew even more triumphant on his face. He seemed to really enjoy the look of others fearing, hating, and resenting him, yet being powerless to do anything about it.
