Chapter 54: The Senior Sister is a Little Witch

"Senior... Senior Sister!"

Lin Chen looked at the girl, hesitated for a moment, but still respectfully performed a salute.

The girl in front of him was not much older than Xiaoyu, clearly younger than himself, but Lin Chen had no choice but to call her Senior Sister, since she had entered the Jade Bird Peak before him.

"Hahaha... Junior Brother is really obedient, come back to the peak with Senior Sister."

Xu Lianyu couldn't stop laughing at this moment, her heart filled with joy.

After fourteen years, Jade Bird Peak finally had a Junior Brother, and she was no longer the one with the lowest seniority.

Seeing the girl's extremely smug expression, Lin Chen inwardly felt embarrassed; this Senior Sister seemed somewhat unreliable, just like their beautiful Master.

However, seeing the envy and jealousy in the eyes of the people around him, Lin Chen knew that this Junior Senior Sister probably had quite an exceptional status within the Jade Cauldron Sect, and it wasn't simply because of her sweet appearance.

"Senior Sister, please wait a moment, I have some matters to deal with."

Lin Chen saw Xu Lianyu's extreme excitement and eagerness to take him to Jade Bird Peak, but he asked her to wait for a short while.

In regards to Meng Wenchang forcibly recruiting Mu Qingxuan, Lin Chen decided to intervene; he couldn't allow Mu Qingxuan to fall into a trap.

"Does Junior Brother have some matters to attend to? Senior Sister might be able to help."

Xu Lianyu kept calling him 'Junior Brother' with great joy in her heart.

Being able to help Junior Brother on their first meeting, she was even more excited.

"No need to trouble Senior Sister, it's just a friend from my hometown who has encountered some trouble."

"Senior Brother, since Junior Sister Qingxuan doesn't wish to join Qing Yi Hall, please don't force her. If Senior Brother has any complaints, you can take them up with me."

Lin Chen was not afraid of Meng Wenchang.

He was about to head to Jade Bird Peak anyway, and Meng Wenchang wouldn't dare to run wild there. If Meng Wenchang still insisted on forcing Mu Qingxuan to join Qing Yi Hall, Lin Chen wouldn't mind giving him a taste of physical suffering.

"Meng Wenchang, what is going on?"

Xu Lianyu's brows slightly raised after hearing Lin Chen's words, and she looked towards Meng Wenchang.

Meng Wenchang's face changed immediately upon hearing Xu Lianyu's cold voice.

At this point, he was no longer jealous of Lin Chen but afraid.

If he had known sooner that Lin Chen belonged to Jade Bird Peak, he wouldn't have dared to provoke Lin Chen or anyone around him.

Provoking Xu Lianyu, the Little Witch, would likely mean the end of his good days in the Jade Cauldron Sect, and even his grandfather, the Outer Sect Elder, wouldn't be able to save him.

"If Junior Sister does not wish to join Qing Yi Hall, I naturally will not insist."

Meng Wenchang stammered in fear, casting pleading looks towards Lin Chen, as if to say, 'Let bygones be bygones; please just let me off the hook.'

"That's for the best; otherwise, you know what the consequences would be."

Xu Lianyu looked at Meng Wenchang and spoke in a cold tone, making him nod repeatedly.

Then Xu Lianyu's gaze fell on Mu Qingxuan, this Junior Brother's fellow townsman; she was quite attractive, no wonder Meng Wenchang had his eye on her.

"If he dares to bully you in the future, you just send a message to me on Jade Bird Peak, and I'll twist his head off for you to kick around like a ball."

Xu Lianyu said calmly.

However, these words, when they reached Meng Wenchang's ears, made his body tremble violently, nearly scaring him into wetting himself.

Others might say that as a joke, but coming from the little witch before him, there was an eight or nine out of ten chance it was true.

If the little witch really twisted her own head off to use it as a ball, even her grandfather probably wouldn't dare to say anything.

Hearing Xu Lianyu's joking words and seeing Meng Wenchang's reaction, Lin Chen secretly thought that his junior sister must be a fearless little witch.

"Junior brother, everything is settled now, come back with me to the peak to meet a few other senior sisters."

Xu Lianyu urged Lin Chen as she looked at him.

She couldn't wait to bring Lin Chen back to the peak and show off to the other senior sisters.

From now on, she was no longer the junior sister but the senior sister.

"I'll follow senior sister's arrangement."

Lin Chen readily responded.

Hearing Lin Chen calling her senior sister, Xu Lianyu let out a giggle and took Lin Chen's hand as they headed towards Jade Bird Peak.

"My God, the goddess is actually holding hands with that guy."

"What sorcery did this loser use to make the goddess treat him so well? I've been in the Outer Sect practicing hard for five years without even a hope of becoming an Inner Sect Disciple, and that guy, with merely Body Tempering Realm cultivation, somehow became a disciple of Jade Bird Peak, and even got taken in as a True Disciple by Uncle Master Yang. His luck is just too good."

"Where's the justice in this, what kind of dog's luck did this guy encounter to not only become a True Disciple but also to hold our goddess's hand."

"Could it be that this guy is some genius with extraordinary talent!"

"..."

Everyone watched Lin Chen and Xu Lianyu's departing figures with undisguised envy, jealousy, and hatred in their eyes.

Looking at the two walking away, Baili Chuifeng clenched his fists even tighter, his eyes filled with cold fury.

He hated Lin Chen with every fiber of his being.

Who dared to ignore him like they did today?

No matter where he went, he was always the center of attention, the brightest star.

Today, however, he was utterly ignored, and Xu Lianyu even preferred to hold the hand of a wretch from the Body Tempering Realm, paying him no heed.

Seeing Baili Chuifeng's hateful expression, Meng Wenchang couldn't help but squint his eyes.

Although this person was from the Baili Clan, compared to Baili Wentian, he seemed a bit foolish and might be usable.

He, Meng Wenchang, dared not make a move against Xu Lianyu, but for Lin Chen, the worthless Body Tempering Realm cultivator, Meng Wenchang had plenty of ways to make him fall from grace and ruin his reputation.

Although Lin Chen was now a True Disciple of Jade Bird Peak, the rules of the Jade Cauldron Sect stipulated that if a True Disciple failed to break through to the Peak of the Spirit Gathering Realm within five years, or if an Inner Sect Disciple failed to reach the Fifth Layer of Spirit Gathering Realm, their status within the Jade Cauldron Sect would be downgraded.

True Disciples would be demoted to Inner Sect Disciples, Inner Sect Disciples to Outer Sect Disciples, and Outer Sect Disciples would be sent down the mountain.

Lin Chen, with just Body Refining Realm cultivation, would find it difficult to break through to the Peak of Spirit Gathering Realm in five years, or so Meng Wenchang believed. He thought that Lin Chen would eventually be demoted to an Inner Sect Disciple, or even an Outer Sect Disciple, and that time would be his chance for revenge.

At this moment, Lin Chen was being pulled by the small hand of Xu Lianyu, as they both sat on a mysterious treasure capable of flight, heading towards Jade Bird Peak.

Lin Chen knew that the piece of lotus leaf Xu Lianyu brought out, which could fly, was definitely a treasure.

On the way there, Xu Lianyu was incessantly introducing the Jade Cauldron Sect and their Jade Bird Peak to Lin Chen.

Towards this junior brother, Xu Lianyu was especially fond...
