

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 238: Evil

Zhao Xuanjing wrapped the rather thick blanket on Xie Qiao and tied a rope around it.

Very soon, she was wrapped into a dumpling.

The few ghouls watched with their eyes widened in panic.

“Is this the Crown Prince? What the hell, he wrapped her up. Then what’s the point of us possessing her?!”

“This idiot didn’t run away from him, and now the Crown Prince got what he wanted!”

“What do we do now? Do we still possess her? This opportunity is rare. I want to eat that osmanthus snack!”

The ghouls felt wronged.

They were angry and helpless.

“We should possess her. This brat adores women. Let’s scold him throughout the night, I bet he wouldn’t dare to do anything to us!” A ghoul said angrily.

The other ghouls thought that made sense.

Zhao Xuanjing carried Xie Qiao into the room and laid her flat on the bed. Meanwhile, he sat at the table next to the window and got someone to fetch him a book. He guarded while feeling bored.

“Brat, let go of me!” Xie Qiao’s body began to scream, “If you don’t let go of me, we’ll follow you from tomorrow onward. We’ll suck your pathetic dragon energy dry!”

Zhao Xuanjing frowned.

‘Pathetic dragon energy?’

‘Can it be that the dragon energy I have on me is too little? Or was the blood too little?’

‘Would it be more efficient if I go to the palace to borrow some of Father’s blood?’

He looked serious, but he figured the possibility of him borrowing blood was low. The older his father got, the more terrified he was of death. A talisman soaked in blood aside, his father would be in pain to even borrow a drop of blood.

“Brat, we’re not afraid of you even if you’re the Crown Prince. Aren’t you scared that you won’t have a good night’s sleep in the future?!”

“Your Highness, I think you’re interested in this young lady, right? How about you touch her secretly? We won’t tell anyone. Can we do that?”

“This young lady won’t remember what happened even after she woke up. We definitely won’t tell her. Your Highness, Your Highness?!”

Zhao Xuanjing rubbed between his brows. He got up helplessly and found a soft cloth, which he shoved it into Xie Qiao's mouth.

In the next second, the world was silent.

Zhao Xuanjing did not look at her. After all, Xie Qiao's face was too seductive. If those ghouls pretended to cry, would he not let his guards down?

Zhao Xuanjing was too cruel. The ghouls felt it was meaningless even if they possessed Xie Qiao now.

A moment later, all of them surrounded Zhao Xuanjing in unwillingness.

They were snarling at him, they were terrifying.

Unfortunately, Zhao Xuanjing could not see anything.

Without the ghouls possessing her, Xie Qiao slept for quite some time. When she had gained consciousness slowly...

She realized that there was something in her mouth, and her body was tied up. She was shocked.

She looked around and saw a familiar figure by the window, as well as those resentful ghouls.

The ghouls began to complain seeing that her eyes were opened.

"Young lady, we had an agreement. Now a cruel man appeared out of nowhere, we can't do anything even if we possessed you, right?!"

“Why don’t you talk to him? Tell him that we just want to take a rest, we won’t do anything else. All we need is 15 minutes each, can you do that?”

Xie Qiao wanted to speak, but her tongue was constrained. She could not talk at all.

She blinked, feeling exhausted.

“Young lady, see how cruel this man is. You’re so young and beautiful, and he did this to you. You can see that he’s evil by that! You must stay far away from him!”

“Yes! That’s right, he’s evil. He even touched my hand when I possessed you!” The beautiful ghoulsaid in all seriousness.

The other ghouls showed up to speak too.

“If not for us stopping him with all our might, your dignity would’ve been gone, young lady!”

“See, it’s almost midnight, and he’s still here. You’re a lady. Now that the both of you are alone in the room, your reputation would be tarnished if this goes out!”
