

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 492: Taken A Fancy to Him!

With a single glance, Xie Qiao understood why this person was so poor.

“Perhaps the artist didn’t paint him carefully enough,” Chun Er said.

In reality, she still could not tell what the difference was...

Could it be that there was something wrong with her eyes?! Chun Er wanted to cry, but no tears came out.

“Something’s still not right,” Xie Qiao’s brows furrowed, and she looked like she was in a difficult position, “My Eldest Brother said that this person has literary talent. I saw the portrait and indeed, he does have literary talent, but this person is different in real life. Although he looks good, his physiognomy is quite terrible, and he definitely doesn’t look intelligent or talented.”

Xie Qiao was very conflicted.

Her eldest brother might be wrong, this person had neither talent nor money.

However, why was it so coincidental that the talent matched her brother’s description based on the portrait?

Xie Qiao could not understand.

She could not understand and felt very uncomfortable. Her entire body was giving off a strange feeling.

When Chun Er saw Xie Qiao frowning so much, she could not help but sigh, “Young Lady, you shouldn’t think too much. Since he doesn’t look good, we won’t look at him anymore.”

Xie Qiao shook her head.

Something was wrong. She did not feel comfortable not knowing if her eldest brother had been deceived or if there was something wrong with the portrait.

Xie Qiao stared in that direction in a daze. Xie Pinggang took some time to look up. When he saw Xie Qiao turn toward that direction, he was overjoyed.

She must have taken a fancy to him!

Great! The matter could finally be settled!

Xie Pinggang was over the moon. The more he looked at the person in front of him, the more he liked him.

After chatting with him for a while, Xie Pinggang quickly went upstairs and sat in front of Xie Qiao. He asked anxiously, “How is it? Does this person look good?”

“Eldest Brother, you were lying when you said that he’s very talented, right?” Xie Qiao frowned and asked.

Xie Pinggang was stunned, “What? He wrote many poems. I heard that they sell his poetry books in the bookstore. He’s somewhat famous!”

“That’s impossible. He doesn’t have any talent!” Xie Qiao thought for a moment and looked down. He saw the man’s hand holding the cup.

At this distance, although she could not see the man’s expression clearly, she could see the appearance of his hand clearly.

“His palm is thin, and the bones around it protrude. This is a tilted fate. People with such palms are usually lowly and uneducated,” Xie Qiao spoke first.

Unfortunately, she could not see the lines on his palms.

“It’s just a pair of hands, how can you tell all that?” Xie Pinggang did not believe it.

Xie Qiao snorted, she glanced at his hands, “One can also see the characteristics of a person from their fingers. People with long and slender fingers are usually smarter. People with thick fingers live longer. People with thin fingers are more dull. They look like weaklings. As for the color of hands... Those that are slightly yellow and smooth is the sign of wealth, and it’s the opposite when the palms are dark and thin. Those that are slightly green and smooth are more loyal and kind. People with fair and clean skin are more relaxed...”

Of course, these things were not fixed. She would have to look at the person as a whole.

Moreover, there were also differences in the lines on the palms. That was even more complicated.

Xie Pinggang looked at his hands.

It was rosy. How could she see any other colors?

“Big Brother, look at that person’s nails and then look at yours. What’s the difference?” Xie Qiao suddenly said.

Xie Pinggang was confused. He glanced at them and said, “His hands are quite fair...”

“You told me that he’s talented, very talented. However, most of the talented people are proud and ambitious. The fingernails are related to liver qi. A person who is ambitious has hard fingernails. If the fingernails are short and soft, then this person is timid and is incapable of doing anything. He would start something and not finish it.”

Her eldest brother’s fingernails were harder, his personality was upright and determined.
