

## DEAR PRISCHELLE

### Chapter 16 No.16

Dear Prischelle,

I

was actually planning on seeing you today so I could apologize the way I acted yesterday. But when I saw you standing outside my building, I stopped. Acted emotionless even though I'm shocked.

Your worry face makes me feel more guilty, specially when you come near me and hand me something that can treat my wound.

I was still shocked when you handed it to me. I couldn't move my body to accept it. So you grab my hand and put it in my palm.

"I was worried. Help yourself, okay?"

That's what you said that makes my heart accelerated. I was worried when you started to step backward. I was being desperate to I pulled your arm and brought you to the park.

"Help me." That's what I said that made you froze for a second. I was planning to talk you you but I couldn't. I can't stop staring at your face. I was hypnotized by how close it is to mine.

You have long eyelashes and clear face. You....you look more dazzling up close. I want to touch your face but I stopped myself. Thinking that it will scare you.

My wound does hurt, this little shit hurts but I'm still happy.

I'm happy that you're the one who treated it.

"I'm leaving."

That's the last thing you said before leaving. The cut hurts when my lips formed into smile but I didn't mind it at all.

Damn, woman. How can you make my heart beats so fast?
