

DEAR PRISCHELLE

Chapter 26 No.26

Dear Prischelle,

I'

m actually touched when you told me you want to buy a present for my Mom. And I told you about the thing that she likes. Mom is a materialistic so I thought it will be a better idea if she'll received a thing as a gift for her birthday.

And I can see that Mom is so happy about it. I can't hide my smile as I watched you two, talking together after you gaver her your gift. You both are smiling and I feel like a light just invaded the dark part of my heart.

["Is Prischelle your girlfriend?"](#)

That was Mom's question after the dinner. When you left together with your family, she made me sit on the sofa at the living room.

Her question made me laugh. "I wish."

I wish you were really mine. I would be the luckiest man on earth. How far it is to reach you? I want to take every thing slowly. I want everything to fall on its place, perfectly.

Slowly and surely.

DEAR PRISCHELLE

Chapter 27 No.27

Dear Prischelle,

Be

ing able to experience another week awesomely with you feels amazing. I got to know you more. Your likes and dislikes. We often have late night talks by messaging each other and it made me happy.

Tonight, alone in my room while writing this one, I keep on glancing at your room's window and I can see that you're busy reading. I know it's creepy but I really like how your eyebrows twitched together whenever you don't understand any thing or you are confused over something.

Smiles. You look so cute. My heart would flutter every time our eyes met. I feel like there's always a rainbow whenever we talked and shares moments together during our free time.

Hoping for more moments with you.

Chapter 28 No.28

Dear Prischelle,

I have this habit of asking immediately if something is

confusing me. I got that attitude from my Mom. So while we're having our lunch together, I pushed myself to ask you.

But nothing came out from my fuckin' mouth. For the first time.

I'm afraid to ask. I'm afraid to know what will your answer be. That's why I just thanked you for the lunch made by your Mom and just eat like what we always do these past few weeks.

I think I need more confidence. I really need it.

DEAR PRISCHELLE

Dear Prischelle,

"Do you have someone special inside your heart right now? Ro...romantically?"

The next day and during lunch time, I gathered all the self-confidence I had inside me to ask you that. I know to myself that I'm getting near.

Just another push and I'll fall.

That's why I asked you that question. I just wanna know if my feelings will be reciprocated before I confess. But when you didn't answer, I laugh emotionlessly inside my mind.

"Forget it."

That's what I said instead. I felt sad but I don't want

[you to see it. Maybe you're just shocked about my question that's why you didn't answer.](#)

I'm sorry if I did shocked you. But whatever your answers will be, I hope that my heart is strong enough to know.

Chapter 30 No.30

Dear Prischelle,

That's it. I'm going to confess to you today. I already

plan on how to. I just have to wait for your out and say it to you while walking home.

But something came up.

An unexpected person called me. I was shocked upon knowing that she's outside the University, waiting for me. So I ran and when I arrived, I saw her. She smiled and hugged me tight. I was still shock so I didn't have the chance to react. Specially when she kissed me on the lips.

My eyes widen.

It's my ex-girlfriend.

Janna.
