

DEAR PRISCHELLE

Chapter 31 No.31

Dear Prischelle,

I cut my connection with Janna years ago. I can't handle her attitude anymore. She likes to be in command to everything and it sucks me. And when we broke up, her parents called me often. Saying that Janna is planning to end her life if I won't go back to her.

But I insisted. Of course I said no. That's why they send Janna into the near Mental Institution and I thought everything's okay now. That's she's already fine. But it's not.

She came back like nothing happened. Giving me the same threat she did years ago.

I'm afraid, Prischelle. I don't want her to ruin the relationship I built in with you. But what can I do now?

Damn this. Damn me.

Chapter 32 No.32

Dear Prischelle,

The next day, Janna wants us to have dinner together. I want to decline. I badly want to decline and just be with you instead. But she sent me a video of her, trying to cut herself. I don't want her to hurt

herself and I don't want to be at fault so I said yes.

So when you approached me on the park, I was shocked. Then you asked questions that I couldn't answer. My mind is in turmoil. Janna is capable of hurting any one who blocks her way and I'm afraid that she'll touch you.

So I did my best to ignore you. Even if my mind is shouting to hug you because of missing you so much. I really do miss you.

I don't want to do this, Prischelle. Ignoring you like this pained me. But for the sake of your peacefulness, I'll do everything.

I'll definitely find a way to end this so I could be with you again. I miss you so damn much.

Chapter 33 No.33

Dear Prischelle,

How are you? I want to have lunch with you today but Janna called me over. I'm sorry. I'm very sorry. I know I'm so stupid for letting her control me. Prischelle... I miss you.

Did you have lunch already? Eat well, okay? Even if I can't eat with you for now. I know you're confused because of my sudden actions. But please, just a little bit longer. I already talked to Janna's parents. They promised me to talk to their daughter. I don't know why she transferred here. She said she just wanted to

be with me. But I don't have any feelings for her anymore.

I just want you. I just wanted to be with you during our breaks and going home. I miss being with you. I miss having conversations with you.

Just a little bit longer, okay? If this will end, I promise to confess immediately.

I...I love you. I'm sorry.

-Kaizen

DEAR PRISCHELLE

Dear Prischelle,

If I can't go home with you, might as well go home by myself. But she's persistent again. If I know that she can't hurt herself, I wouldn't do this, but she did. There are still some scars at her wrist and I'm guilty because I know I'm the reason why she did that.

I'm still a little bit far from our house when I saw the familiar figure of yours-getting out the car with a man.

I saw how he pulled you towards the dark part of the street. I felt jealous but I know I have no rights to feel that way.

Janna kept talking and I'm forcing myself very well to get along with her even if I don't want to.

[I don't fucking like this.](#)

When she kissed me, I couldn't feel any thing. I feel like a dead body was pressing her lips against me.

Since I'm facing my back to the light, I know you couldn't see that I didn't close my eyes. It was stucked on you and the tears flowed down to your cheeks.

I don't want to respond, but she pinched my waist and whispered between the kiss.

"Why aren't you responding? Kiss me back, Kaizen."
She said in an angry tone. I sighed heavily before kissing her back. I didn't make it last long. I quickly bid my goodbye to her and went inside my house.

As soon as I closed the door, I ran upstairs to where my room is. I didn't switch the lights on and watch you two hugging through my room's window.

I feel like someone just stabbed my chest. You are crying really hard as he comfort you. His eyes went up and our eyes met. He flashed me a deadly glare and mouted 'fuck you'.

I looked down, feeling embarrassed and asshole.

I throw myself down to the floor and clenched my fists to my hair. I closed my eyes tight when I feel a tear fall down from my eyes.

Curse me. Fuck me. Damn me. I deserve all the curses for hurting you. I'm very sorry, Prischelle.

I'm sorry.

DEAR PRISCHELLE

Chapter 35 No.35

Dear Prischelle,

I couldn't write for you for about two days now. Janna kept contacting me any time. She wants me to be with her. Every time she wants. If I won't obliged, she will give me the same threat as before.

I didn't agree on going to her condo which made her really mad. Good thing her parents is with her that time. That's why someone stopped her from hurting herself.

And about the things she said last night. Some of it wasn't true. We just kissed. We didn't do any thing erotic on bed. I didn't let any thing happens to us. I know the outcome if I'll decline her, but I would never

let myself be fooled by 'that' thing. It's too much. I won't go too much.

How are you, any way? Did you ate already? Did you rest well? I'm really sorry for making you cry.

I'm so sorry.
