

## DEAR PRISCHELLE

Chapter 36 No.36

Dear Prischelle,

I tried seeing you today but you weren't in your house. Your parents just told me that you went out with the man named JD. Maybe the man who comforted you that night.

I lost my phone that's why I couldn't contact you.

Laughs sarcastically. I think I'm going crazy missing you, Prischelle. I couldn't function properly. I want to see you so I could bring back the sane me again.

I love you and I miss you so much.

Chapter 37 No.37

Dear Prischelle,

Janna always have this 'suicidal thoughts'. That's what her parents told me. After multiple check ups, she still not back to normal. Instead, she became worst.

She tried to kill herself by stabbing herself that's why she's in the hospital right now. Her hand slipped that's why her condition is not that critical. And it's all because of me. Because I decline her offer again.

[Fuck it.](#)

Mom and Dad is also worried. They found out after her parents visited me in the house.

But don't worry, okay? We are finding a way right now. As much as we could.

Still I still need you here. I want to see you. I know I asked too much but it's really hard to see you these days.

How....how are you doing?

DEAR PRISCHELLE

Dear Prischelle,

I'm so frustrated as fuck right now. I know I didn't do well in exam that's why I failed. I got scolded and I have to retake it again so I won't repeat the same subjects next year.

I have a lot of things in my mind right now, Prischelle. It's chaos. I couldn't think properly. I still have to study but I couldn't even open my reviewer. I feel like all the informations won't stay inside my head.

It sucks. It hurts.

I keep on glancing at your room's window but your curtain was blocking my way so I couldn't see anything inside. I keep on sighing. I'm clueless on what to do next. I feel like there's a lot on my plate right now.

I'm tired. But I can't rest. I can't even keep my eyes close without thinking of you. I miss you so much.

Please, I want to see you. Please...

DEAR PRISCHELLE

Chapter 40 No.40

Dear Prischelle,

I thought God heard my prayers as soon as I saw you outside our house. You look so radiant. So beautiful. So fragile. Unlike me who looks mess. So looked so fucked up.

Your smile can be compared to the shine of the sun. It's bright and carefree.

But when you handed me the small notebook, I was confused.

"I'm leaving."

It's just two words but I feel like my world stopped. My breathing hitched and I couldn't move.

"I'm going to continue my studies abroad and I don't know when will I come back. So I wanna say that it was nice meeting you, Kaizen. I had so much fun with you. I promise to keep our memories together inside of my heart forever."

That's what your last words to me before leaving.

And the stupidest thing I did in my whole life was to let you go.
