

DEAR PRISCHELLE

Chapter 41 No.41

Dear Prischelle,

My tears keep on falling after reading your journal. It's been a month but still I couldn't move on.

It's been a month without you.

It's been a hellish month.

I miss you so much. I miss seeing your face, I miss having conversations with you, I miss your voice, your laugh, your smile, your pout. I miss every thing about you.

I don't even know how I survived a month without you.

Janna keep on coming to my house but I told my

Mom to tell her I'm not home. I don't want to see her. I don't want to talk to her. I felt too much already.

I can't function properly. I can't.

When I read your letters, I am missing you more. How sad it is to think that you couldn't tell this to me in person. And when you told me you love me, I look like a crazy person who laughs but in tears at the same time.

I'm happy upon knowing it but sad for I did not responded to it.

But even if you're not here with me, I just wanna say that I love you.

I love you so much.

DEAR PRISCHELLE

Chapter 42 No.42

Dear Prischelle,

I did every thing I can to pass the subjects I failed the last time. Even if it means studying with a blank mind, I did. I got a passing grade and that's more than enough for me.

Ignoring Janna makes me breathe and free from problems. But when her parents called me and told me a bad news, I was shocked. My mind went unresponsive for a second.

She's in the hospital again. But unlike before, her condition is severe. She took a lot of pills that led her to overdose. Her parents said that she keep on chanting my name before losing her consciousness.

I'm so fucking guilty, Prischelle. What shall I do to her anymore?

DEAR PRISCHELLE

Chapter 43 No.43

Dear Prischelle,

I spent another week of my life without writing for you.

I'm sorry. There's a lot happening to me right now. 2nd semester is starting and I have to be more focused now. Then Janna...she still keep on bothering me. And it became worse after getting discharged from the hospital.

She's getting more unreadable and creepy as days passes by. And the more fucked up thing is that...her parents just told me to bear with her.

Like, what the fuck? I can't handle her attitude anymore and her parents seem to be giving her to me.

One day she just showed up outside my classroom and introduces herself as my girlfriend, which is not true. Then she would come to my house every time.

Her attitude bothers me. She even wants me to stay at the same roof as hers! That's crazy. She's being

crazy.

My parents can't take it anymore. They can't stand watching me bothered. That's why they decided to talk to her parents and I'm alone in our house now.

How's life there, by the way? Are you slowly coping up the new environment? Did you already made friends? Are you...seeing someone?

Please, wait for me. It may not be now but I promised to look for you in the future.

I know I'm asking too much. But I couldn't bear seeing you with another man. It hurts. It pains me. I love you so much.

DEAR PRISCHELLE

Chapter 44 No.44

Dear Prischelle,

Janna wouldn't agree being sent to abroad by her parents. She wanted to stay here, with me. That's why she started a conflict. She threat her parents that she'll end her life this time if they will force her more. I think it's not just suicidal thoughts anymore. I think she had a problem inside her head. Normal people won't act like that.

I don't know what to do anymore. I can't keep up with any idea on how to get rid of her in my life.

I want to see you so bad. How are you doing today? I miss you so much.

Chapter 45 No.45

Dear Prischelle,

When I talked to Janna about what I feel towards her, she cried. I felt guilty but I want her to know the truth. I told her that I don't love her and I already have someone inside my heart.

What's new is that, she didn't open her mouth to speak. She's just silently sobbing. I tried to comfort her but she ran away. Leaving me alone.

And now that I'm home, I'm worried what she'll do this time. Her mind runs differently to other people.

But when her parents called me, they were both crying. And I was beyond shocked upon hearing the bad news.

Janna....ended her life. They said she couldn't take it too much. That she's too hurt and couldn't bear the pain anymore.

I feel so guilty, Prischelle. I'm lost in thoughts and keep blaming myself because of what happened. Mom and Dad are keep on knocking on my room's door but I didn't respond. I don't want to talk to any one. I want to be alone.

Someone just died because of me.
