

DEAR PRISCHELLE

Chapter 7 No.7

Dear Prischelle,

I was busy the whole morning so I don't have the chance to stay at the sky walk and took a glance at you. Our Professor gave us a lot of problems to journalize and when I felt thirsty, I went to the convenience store to buy something to drink. And because I still have to walk pass to the Park, I stopped when I saw your familiar figure.

Our distance is quite far but I can sense that you're....sad. I walked faster to the store and brought a Mountain Dew and a chuckie. Before going outside, I empty the can-in drink and walk back to the park.

When I still saw you there, with your head hanged low, I didn't hesitate to come near and stand in front of you. And when you look up and I saw your sad eyes,

my heart soften.

And when you didn't move and just stare at the drink, then back to me, I decided to hand you the chuckie and leave the place in a hurry. I'm afraid what will you say because of my sudden action. I don't know what happened to you but I hope you'll get better soon.
