

DEAR PRISCHELLE

Chapter 8 No.8

Dear Prischelle,

After a week I saw you again. I guess you're too busy. You look tired as you sat at the bench in the park. I am sitting a little bit far away from you, writing this. I would take a glance at you if you're not looking but when you tilt your head to the side, I pretended to be busy.

I can feel like you're staring at me so I prevent myself from smiling. I feel like my heart flip.

By the way, it's nice to see you again. You look beautiful as usual.
