

## DEAR PRISCHELLE

### Chapter 9 No.9

Dear Prischelle,

I am at the sky walk, waiting to see you. And when I did, I didn't lift my head up, just my eyes and watch you as you walk in the hallway.

My lips formed into smile. You look radiant in the morning. I really do hope we could talk again.

When you rest at the railing, facing the sky walk, I pretended to be busy...again. I don't why but I like it when I felt like you're staring at me.

My heart flutters.

When I look up again, I assume that our eyes will meet but you are now talking to someone. I look down to my journal when you glance to my direction. And

my heart sank when you left.

I want to see you more.
