"And they're almost at the finish line!!! Holy God!!" I'm soo gonna win.

"Let's go have a picnic!" Irene o er.

"Aight. I'll be paying the food since I lost" Seulgi added and we cheered. There's nothing much better than free food!

We were about to leave when three girls approached us. Oh shit.

"Hi!" One of the girls exclaimed.

"Hi?" Jeongyeon answered.

"We saw you guys raced!" I rthink I know where this is going.

"Oh really? Thank you"

"We were thinking if we could get a picture?" The girl ask. We all looked at each other, sharing the same look.

"Uhhh, sorry but we can't" Jungkook declined.

"Why?" Don't ask why.

"W-we're in a hurry!" Seulgi stuttered. We were about to leave again when they asked us the worste question that a person can ask.

"Maybe if you guys are free, we could go out! Eat dinner or have lunch together!" Jennie gave me a dagger look. I gulp.

"No, Thank you. I'm happy married. And my other friends are already in a happy relationship, I hope you respect our decision. Goodbye" I replied shortly and started walking away while holding Jennie's hand. I can feel she's looking at me so I look back at her.

"What?" I ask.

"Nothing. I love you lili" I smile.

"I love you too nini"

Here we are having a picnic at a huge field, under a trees shade. Luckily it's not that hot and it's quite windy.

"This chocolate cake is the best thing I have ever tasted" Wendy commented while her mouth is full.

"Don't talk while your mouth is full!" Irene scolded.

"Can you pass me the chicken?" Jisoo requested.

"Here" Yeri said and give Jisoo the chicken. Jisoo took the whole thing and put it on her plate....

"Can you eat all that?" Tae ask pointing at Rosie's plate.

"Don't expect an answer from her cause when she starts eating, she will only focus on her food and nothing else" Yeri laughed.

"I need rice" Rosé said. We all look at her. "Rice?" She pointed. Jennie gave her the rice and y'all know what Chaeng did? She legit dumped it all on her plate!

"How is she still fit when she eat this many?" Tae ask again.

"I ask myself the same thing" Bam said stu ing a cheese cake in his mouth.

While everyone is talking and enjoying, Jennie suddenly layed her head on my thigh.

"You okay?" I ask in a low voice. She nods. She took my hand played with my long skinny finger.

"You're extra clingy today. Do you want me to buy you something" I teased.

"I was just thinking about the Hotel we just bought" Jennie replied.

"What about it? Do you not want it anymore?" I ask looking down at her.

"No no. I was just thinking about how we will renovate it"

"Don't think too much about it. We have our friends to help us" I said looking up at our friends laughing and smiles on their faces. I wish we could stay like this.

"You're right" She said rubbing my hand.

"Maybe, a er Halloween we can start the renovation" I o er.

"That's a good idea!" She clapped standing up.

"What you guys talking about?" Wendy ask wiggling her eye brow.

"Stop it. You look stupid" I said shoving her face away from my face.

"Me and Lisa were thinking that a er Halloween we will be starting the renovation of the hotel" Jennie explained while her beautiful smile is on display.

"And we're also wondering if you guys will help us and such" I added.
