

# The Return of the God of War [The Protector] Chapter 3665 - 3666 - 3667

He hates the Heavenly Medical Supervisor and everyone in the God-Heavenly Supervisor!

If it falls into his hands, he will never let it go.

As for Gong Qianqiu, he was not idle either.

While improving his strength, he had to make arrangements for the discovery of the Xuanming alien race.

Of course she wouldn't reveal it directly.

Because what she wants is for all parties to fight, and what she wants is to prolong the time, so that people like Levi Garrison can divert their attention.

Give her enough time to grow!

Gong Qianqiu also found that his strength increased, and the more he swallowed.

In the next period of time, she devoured all the treasures and medicinal pills stolen by the Tianyi Supervisor and the Shen Tianjian.

She is more powerful.

She didn't stop and continued to grow.

Keep looking for all kinds of things that can be swallowed by her!

She is also paving the way for the information of the Xuanming alien race.

the next period of time.

Levi Garrison was still looking for Gong Qianqiu and found a lot of clues.

It feels like it's not far away.

As for the Shentianjian, which is actively preparing, it is ready to start the Tianshifu.

Especially Dugu Tuo, he really wanted to attack Tianshifu.

That's right!

He is a member of the Xuanming Alien Race!

His purpose is to control the Town Demon Division.

At this time, another hindering force appeared, and he naturally would not let it go.

And this time the most depressing is Xiao Feng!

I don't know why, Gong Qianqiu doesn't contact him at all now.

This made Xiao Feng anxious.

Yes, that's right, Gong Qianqiu said try not to contact him.

But having said that, how long has it been since then?

Gong Qianqiu didn't contact him at all.

There is no message at all.

He also tried to contact Gong Qianqiu, of course not because of any major event, but just said that he missed Gong Qianqiu or something, and wanted to contact Gong Qianqiu or something.

It's just that Gong Qianqiu didn't care at all.

Now Xiao Feng and Gong Qianqiu are like glue.

Don't say no contact for such a long time.

Even if he can't see him for a second, Xiao Feng will be as impatient as an ant on a hot pan.

Xiao Feng is not doing anything right these days.

I just want to see Gong Qianqiu!

He couldn't wait to find Gong Qianqiu immediately.

He felt uncomfortable, as if thousands of ants were walking on him.

No matter what!

The key is that he contacted Gong Qianqiu, but the other side didn't reply at all.

In fact, Gong Qianqiu saw his contact and just sneered: "Sick!"

Today's Xiao Feng is like an ant in her eyes.

Now Xiao Feng has not much use.

She doesn't need to worry about this chess piece anymore.

She was too lazy to respond to Xiao Feng's contact.

What a waste of time!

You really don't think you're worthy of yourself, do you?

Gong Qianqiu sneered again and again!

If Xiao Feng has the skills of Levi Garrison, it will be fine.

But he is a piece of trash.

Where is it worthy of Gong Qianqiu!

"Trash! How dare you contact me? Hoho... I talk to you as a gift to you!"

...

There was something wrong with Xiao Feng, Phoenix saw it.

Although Xiao Feng didn't go out or do other things, his condition was too bad, which Phoenix saw.

Pretty much as she predicted.

Xiao Feng should still have contact with Gong Qianqiu, and the two sides did not cut off contact at all.

However, looking at Xiao Feng's appearance, Gong Qianqiu should ignore Xiao Feng, which is why he is like this.

However, Phoenix still wanted to continue to observe, there was no evidence of this.

It's just her guess.

She had to keep watching.

After that, Xiao Feng's condition got worse and worse.

Tea and rice are not fragrant.

I don't practice anymore, I have nothing to do all day.

Just waiting for a reply from Gong Qianqiu!

But the more I waited, the more there was no information.

Gong Qianqiu just disappeared.

Will not contact him at all.

No matter how he contacts, Gong Qianqiu will not reply!

"Qianqiu, just reply to me! I just want to know how your injury is recovering?"

Xiao Feng was extremely impatient.

Just wait for Gong Qianqiu's reply!

But no matter how Xiao Feng waited, it was of no avail!

Gong Qianqiu did not reply to him!

Now he is almost useless!

What is Gong Qianqiu doing?

Everyone knows that Levi Garrison is eyeing him, and he can't send any message now.

It will even be used by Levi Garrison!

It's almost useless.

That is, when Gong Qianqiu finally needs it, he will contact him.

Otherwise, it is impossible!

There is no value, and for Gong Qianqiu, it is not as good as an ant crawler under his feet.

She is still busy, how can she have time to take care of Xiao Feng!

Useless waste!

Seeing Xiao Feng contacting himself, Gong Qianqiu felt disgusted.

But the less Gong Qianqiu did not contact Xiao Feng, the more impatient and frantic Xiao Feng became.

Everyone is going crazy.

Heartbroken all day long!

Do nothing!

The whole person is in a state of collapse.

Stay where you are and never go out at all.

Even Phoenix, who had been observing him, felt extremely depressed!

Xiao Feng's state is very wrong!

After a few more days, Gong Qianqiu almost completed the foreshadowing of the Xuanming alien information.

It's about to start.

Of course, Xiao Feng didn't care about her at all.

This made Xiao Feng collapse and go crazy.

Seeing each other in one day is like every three autumns.

It's been so long since he's seen it, he's really on the verge of going wild.

He wanted to see Gong Qianqiu all the time.

Just listen to her voice.

But the more I waited, the more there was no information.

It felt like he was abandoned.

He has a feeling that Gong Qianqiu is going to stay away from him...

This is the last thing he wants to see!

If so, what's the point of his life?

Gong Qianqiu is far away from him, and it is meaningless to live.

He can have no master, no other people.

But there can be no Gong Qianqiu.

This is what keeps him alive.

What Xiao Feng thought before was to avenge the Azure Dragon (Qinglong) Five.  
This is his next goal and his motivation.

But it's all gone now.

There was only Gong Qianqiu in his mind.

Everything lives for Gong Qianqiu!

Gong Qianqiu didn't contact him, he was more uncomfortable than death.

Xiao Feng couldn't help it, so he wanted to contact Gong Qianqiu.

Finally he was about to collapse.

He must contact Gong Qianqiu!

He was so worried.

Various ideas popped up in my mind.

Is there someone else in Gong Qianqiu?

Or is she in danger?

impossible!

There is definitely something wrong.

Otherwise, Gong Qianqiu would not have not contacted him for such a long time!

There must be something wrong!

He must contact Gong Qianqiu!

must!

But how he contacted, Gong Qianqiu did not respond.

what to do?

I have to find a way to contact Gong Qianqiu.

Xiao Feng began to think.

correct!

He thought that Gong Qianqiu had said that he could contact her, but only when there was something important.

Although lying.

But in order to contact Shang Gong Qianqiu, he was desperate.

Afterwards, Xiao Feng immediately contacted Gong Qianqiu.

It is said that there is a major event, a major event has occurred, and it is urgent!

Gong Qianqiu, who was busy, was frightened by the urgent message sent by Xiao Feng.

For a time she was frightened into a cold sweat.

The whole person's face was pale and bloodless.

Could it be that Levi Garrison found himself?

Otherwise, Xiao Feng would not have contacted him like this!

Although now she feels that she has the power to fight against Levi Garrison.

But definitely not a good time for her to be exposed.

She will reveal it when she can take down Levi Garrison enough.

This is not a good time.

She is single-handedly, and may be tied with Levi Garrison, but if all the people from Zhen Mosi and Tianshifu come, then she is not necessarily an opponent.

She wants to be 100% sure!

Now there is no 50% certainty.

Still can't be discovered by Levi Garrison!

Now Xiao Feng urgently contacted himself, but was it not discovered by Levi Garrison?

Other than that, what's the big deal?
