

The Return of the God of War [The Protector] Chapter 3691– 3692 – 3693

He doesn't care who this force is now?

He only cares about his plans.

Can he control the Demon Squad and expose the Xuanming alien race!

But now the plan has failed.

He could only listen to Levi Garrison.

"Let's go, go back, and focus on checking the West Pavilion!"

Dugu Tuo took people back.

Levi Garrison was in no hurry to leave.

He has an intuition.

The other party has succeeded.

Advertisement

Doing so much is diverting attention and procrastinating.

This opponent is crazy strong!

Although I don't know how it became stronger, it can absorb such a powerful force in a short period of time.

But now, he deliberately released the message of Xuanming Alien Race, which caused Zhenmosi and Tianshifu to fight again.

There must be something wrong with this – it means that the opponent has come to a critical node.

Maybe from now on, the opponent will come to a very high realm and be able to fight against himself?

Stop being afraid of yourself?

Even if you don't know the specific situation, Levi Garrison can still feel it.

This opponent is afraid that it has become extremely powerful now!

Advertisement

But he was still slow.

Don't find out before others act.

I'm afraid it will be quite difficult to deal with next.

Levi Garrison's intuition is of course not wrong.

Today's Gong Qianqiu is the return of the king.

She first came to the mass grave.

"What? You?"

Xu Qingya and the three were shocked.

Even the eyes of the top ten arrogances showed shocking expressions.

this.....

It's too incredible, right?

In such a short time, Gong Qianqiu actually came to this level?

witness!

They are all witnesses to Gong Qianqiu's growth.

It has never been as good as them, to the point where it is now the first person in the town magic division.

The key is who can stop her now?

Before, everyone was still imagining that Zhen Mosi could find Gong Qianqiu and interrupt her.

Or better let that Levi Garrison find her and kill her directly.

But now it's too late.

It's all fantasy after all.

No one can stop Gong Qianqiu before she grows up, even if she finds out.

Now, she is so powerful.

No one can stop it!

Everything is false!

Even if Levi Garrison or Zhen Mosi finds out now, no one can be her opponent!

Disaster is coming...

The real horror is coming.

Nothing they've been through before!

At this moment, Gong Qianqiu showed his breath without reservation.

Fortunately, the people present were protected.

Otherwise, everyone will be treated as a bloody fog!

Including the powerful bone master, can't bear the slightest breath of Gong Qianqiu.

See Gong Qianqiu again.

The Bone Master has nothing but surprises.

Today's Gong Qianqiu is the same every day.

stronger day by day.

Especially this time I haven't seen you for half a day.

Gong Qianqiu made a qualitative leap directly.

So shocking!

How could there be such an existence in Zhen Mosi?

"Hahaha... Now you, I am afraid that Tiansi is far inferior... I am so excited, I can witness the birth of such a strong man!"

The Bone Master laughed the craziest.

The stronger Gong Qianqiu is, the happier he is.

This power is enough to destroy the entire town magic division.

Trample those high-up guys under your feet!

Gong Qianqiu smiled: "It's a pity that Tiansi has disappeared for how many years? Otherwise, we can really fight!"

Master Bone sighed: "Tian Si is said to be pursuing a very high realm and looking for the legendary Tianmen! I don't know what realm he has reached now? But I don't feel as good as you!"

Gong Qianqiu smiled: "I also think so, now Levi Garrison can still interest me a little bit. No one else has this qualification!"

"Hahaha... Now it's no problem for you to destroy the Town Demon Division!"

The Bone Master continued to laugh.

He has already seen the miserable end of Zhen Mosi.

"this....."

Yufeng Tiansi was even more shocked.

How long does it take?

Gong Qianqiu actually raised a super high level.

It is completely the power to control the world.

He could feel the terrifying power surging in Gong Qianqiu's body.

Terrible too.

As if there is a feeling of looking directly at a super spiritual vein!

Once it breaks out, the whole world will suffer!

Can't save.

No one can save you now...

Before, he was lying flat and waiting to be destroyed.

More now.

According to the realm of Gong Qianqiu before, maybe Tiansi can stop him when he comes back.

It's not possible now!

No one can stop it.

The Town Demon Division is waiting to be destroyed!

Even if Tiansi finds the legendary Tianmen, he will pursue it to a higher realm.

But the only thing that can come back is the destroyed Town Demon Division...

Everything is useless!

Master Bone couldn't wait: "Then we will start to deal with Zhen Mosi now?"

"Don't worry! I'll release the information about the Xuanming alien race first! Let them fight in the dark before talking about it!"

Gong Qianqiu smiled.

Today, she has the ultimate power, and she can kill whoever she wants!

But that would be extremely boring.

It doesn't make any sense.

She prefers machinations.

The feeling of being in control of someone in the palm of her hand was so refreshing to her.

All she has to do now is to see everyone under her control and kill each other.

It's a visual feast.

Playing in the palm of your hand is the most advanced!

Except for her interest in killing Levi Garrison, other people are not interested in killing them.

too weak.

Including Dugu Tuo.

There's no point in killing him, let alone other people!

Before leaving, Gong Qianqiu looked at Xu Qingya and said, "I told you earlier that I will let you see my growth with your own eyes, and I will let you see with your own eyes that I killed Levi Garrison!"

"Wait, the day is coming! I will kill him with his sword!"

She looked at the top ten talents again.

"Huh? You look sad? Ho ho..."

"You should be happy? Because I brought your roots to a height that doesn't belong to you..."

"Without me, you can at most reach the level of Yufengtiansi! But have you seen me now? The first person to be the first person in the history of Zhenmosi!"

"Your roots are in my body, and it is the greatest honor in your life! You should be proud..."

Gong Qianqiu laughed.

"Mad! You are the ultimate lunatic!"

The top ten Tianjiao cursed loudly.

It's just that Gong Qianqiu laughed more and more arrogantly.

Gong Qianqiu returned to the West Pavilion.

She had a smile on her face, and everyone looked at the feeling of ants.

Even Dugu Tuo and his ilk are ants!

Not to mention others.

"Qianqiu, you are in a good mood, I can see that you are very happy!"

When the people in the West Pavilion saw Gong Qianqiu, they all began to ask.

Gong Qianqiu smiled, but there was no answer.

A group of ants would dare to ask her?

Dugu Tuo was a little anxious at this time.

what to do?

Seeing that the Xuanming alien race was about to be exposed, he had nothing to do.

The first lady couldn't help but said, "Why don't we do this? Let's act directly!"

"I was caught off guard by the Zhen Mo Division. Those who follow me will prosper, and those who go against me will die!"

"It's not realistic to have the entire town magician follow us, but as long as half of the people follow us, the rest will be killed if they don't obey the order!"

The first lady's cold glow flashed.

Dugu Tuo nodded: "This is the only way to do it now. Only by force is the real control!"

"Let the Xuanming alien race and other alien races get ready, we will act immediately, and directly take down the Demon Suppression Division!"

...

The secret plan of the two was heard by Gong Qianqiu outside.

"Huh? In addition to the Xuanming alien race, there are other alien races? It turns out that the alien races from all sides have united and acted as an undercover agent in the Town Demon Division!"

"Hahaha... But don't try to succeed, I will let Levi Garrison take care of you!"

Gong Qianqiu is in control of everything.
