

## **CHAPTER 1311**

**This.....**

**what's going on?**

**North Hampton Garrison's family was kneeling.**

**The three families all kneeling.**

**Levi Garrison was also trapped in it holding Levilia.**

**It seems that the Garrison Clan in Oakland City is going to investigate the matter of changing the surname of the king.**

**All related families and people have been killed.**

**Zoey was terrified when the facts were in front of him.**

**She immediately rushed to Levi Garrison and said to everyone, "Isn't there just one surname? We don't have the surname Garrison anymore, as**

**long as you don't embarrass my child! Our last name can be anything!"**

**Seeing this posture in front of him, Zoey was really scared.**

**Levi Garrison smiled; "My child is named Garrison, who can control it?"**

**“hiss!”**

**Everyone took a breath.**

**Who dares to control this?**

**I thought I was the king of heaven!**

**The Garrison Clan in Oakland City hopes that Levilia’s surname is Garrison!**

**Who dares to stop?**

**Who understands this wrong, right?**

**Don’t dare to give them a hundred courage!**

**Jamal Garrison was about to speak.**

**Zoey’s voice sounded.**

**“Don’t say anything, can’t you see what the situation is now? You shut up quickly!”**

**Zoey was afraid that Levi Garrison would go on, angering the Garrison family and making things worse.**

**At that time, no one can eat it and walk around.**

**Zoey turned to look at Old Man Lin next to him: “Old Lin, for the sake of I was your righteous daughter before, you beg for mercy! Let us go!”**

**“This.....”**

**Old man Lin was suddenly dumbfounded.**

**At a loss.**

**What’s this?**

**Who dares to pursue your family?**

**Do you think it’s too long to live?**

**The fastest response was Jamal Garrison .**

**He immediately said: “, Levilia can be named Garrison! Let this matter go!”**

**“Yes, let this matter go!”**

**Others said one after another.**

**They also gradually realized what was going on...**

**At present this matter needs to be kept secret.**

**Because they are also classified as part of the LEvi's Squad.**

**It can even be said to be confidential.**

**"Thank you Garrison family, thank you, Mr. Lin, let's go!"**

**Zoey quickly pushed Levi Garrison away from here.**

**"Aren't you getting out of here?"**

**Jamal Garrison glared at Meredith and the others.**

**Everyone, like a pardon, hurriedly left.**

**As for the North Hampton Garrison family, Levi Garrison believes that they can handle it well.**

**After coming outside, Zoey and Beitianwang were about to push Levi Garrison into the car.**

**Meredith and her party chased up.**

**"Slower!"**

**Harry shouted.**

**“what’s happenin?”**

**Zoey asked.**

**“Huh, isn’t it Levi Garrison? Take a look for yourself! Almost can’t keep your child’s surname!”**

**“Yeah, at the critical moment, it’s better to rely on a woman? If it weren’t for Zoey, you asked Mr. Lin to intercede today, God knows what the consequences will be, I am afraid that all three of us will be greatly affected!**

**Meredith and Harry said angrily.**

**Zoey glared at Levi Garrison and said angrily; “It’s really sad that a man mixes like this. If I were you, I would have committed suicide by jumping off the building.”**

**“Yes, it’s shameless to rely on a woman! What about the dignity of a man?”**

**Meredith even dyed the plum: “Levi Garrison and the child are broom stars! Wait, it will cause you a lot of trouble in the future! They are destined to bring you bad luck!”**

**Zoey’s face was cold, not talking.**

**Today this situation is very serious!**

**If she meets next time, who else can she ask?**

**“Levi Garrison, can you be harder yourself? If I were you, I would leave Zoey immediately, so as not to hurt them!”**

**Concubine Jennie pointed to Levi Garrison.**
