

## CHAPTER 1338

Aaron and Caitlyn left angrily.

Also smashed things on the ground.

Levi Garrison also didn't expect things to develop to this point.

Today, I am afraid that in everyone's eyes, he is a person who admires vanity and abandons his wife and daughter for the sake of power and money, right?

The things that disappeared can still be explained.

But now, the facts are in sight.

Terry hasn't left for a month, and other people think this is a problem.

The key is that Levi Garrison can't do anything.

In this way, his perfunctory attitude makes others think that something is going on!

This is also the main reason Zoey is angry with them.

You don't need Levi Garrison, just stand on their side.

But Levi Garrison was almost neutral.

This makes them unhappy!

, I really don't think this woman is worthy of you!"

Terry said straightforwardly.

Although she hates the patriarchy.

But she came from a clan in southern Xinjiang, and she had a sense of clan superiority in her bones.

In her opinion, it must be right.

Zoey and Levi Garrison are still far away...

Levi Garrison sneered: "You don't understand!"

"In love, there is no one who is not worthy of anyone! I will not dislike the identity of Zoey, and she will not dislike me in a wheelchair!"

Terry shook his head stubbornly: "No, no, you are not in the same world. Let's just say that? She can only take care of you, but can she recover you?"

"Okay, I won't quarrel with you! Terry, you should leave! My body is just like this, I will trouble you during this time!"

Levi Garrison said directly.

But Terry refused: "No, I have to let you recover! I have ordered some experts to come!"

“Your body must recover! You must defeat Ray!”

Levi Garrison looked helpless.

Defeating Ray?

Isn't it enough if you have a hand?

At this moment, Aaron, who had gathered with Zoey, became more and more angry.

“That woman continues to live in my house?”

Zoey asked.

“Hey, yes, they are goddess of war! What can we do?”

Aaron sighed.

“What's Levi Garrison's attitude?”

Zoey asked hurriedly.

“The one that irritates the most is Levi Garrison! He said that he would explain to us later! Nothing else!”

Aaron stomped his feet with anger.

Caitlyn even cried and cried: "I think this bastard is just determined to have a life with others!"

"Compared with the other goddess of war, my girl is really unworthy! Zoey forget it! Don't live with him! From now on, you and your children will live with us!"

"Yes, Levi wants to see him!"

For a moment, Zoey's face turned pale.

His body was trembling with anger.

Anyway, Levi Garrison wanted to have an attitude and explanation about this matter, and she would never go back.

Terry doesn't care about her.

With her, Terry!

"Forget it, forget it, your grandpa called to tell us to go to Li's ancestral house tomorrow, saying it was an important matter to announce!"

Aaron changed the subject.

He received a call from Harry earlier.

“okay.”

In the month when Levi Garrison had family disputes, Erudia and even overseas were not at peace.

Especially Erudia, I don't know why, all the hidden powers have appeared one by one.

The first thing that appeared was the gate valve of Beiliang.

They had already arrived in North Hampton, ready to do something against Levi Garrison.

It's just that I heard that Levi Garrison has Terry by his side, so I didn't have any hands on it.

The other interesting thing is that there are hidden forces that have come to North Hampton.

I don't know what the intention is...
