

## CHAPTER 1344

The old lady is majestic.

Levi Garrison was taken aback.

This is Zoey's grandma?

How does Harry deserve it?

Back then, the old lady didn't like the rules of the Xishu clan and came out privately.

Love and agree with Harry...

"Yes, it's wrong! You must teach this kid a lesson!"

"Otherwise he thought we were so bullied!"

The villains of the Lopez family are determined, and they all show off their strengths.

"At least I don't want to see him sitting! This kind of person can only lie on his stomach or kneel!"

The old lady snorted coldly. m.bg.

The big powers around her are about to do it.

"Who dare I see?"

There was a cold drink.

Terry and her men stopped in front.

“Little girl, are you sure you want to stop me? You are also from the four main gates. According to the rules, you have to kowtow to me!”

The old lady snorted coldly.

“Even if you are a member of the Western Shu family? I’m not afraid!”

“Whoever wants to move him, pass me first!”

Terry looked firm.

“The Great Wall Army is here, who dares to be presumptuous?”

The guards shouted together.

The masters of the Xishu clan stared at Terry.

Just wait for an order from the old lady.

The old lady narrowed her eyes, weighing the pros and cons.

She is not afraid of a Terry!

But Terry's identity is the leader of the Great Wall Army.

That is Erudia!

Even if the four gate valves tore up the agreement and entered the WTO for legitimate reasons.

But who dares to face Erudia head-on?

Are you looking for death?

"withdraw!"

"Levi Garrison next time you won't have such good luck!"

"Also, don't even think about seeing Zoey and Levilia. When you are qualified to talk to me and match Zoey's identity, you come again!"

"This is what I mean, and it is even the meaning of the clan of Xishu! I am waiting for you in the clan of Xishu to take your wife and daughter back home!"

Although the old lady has withdrawn.

But make such a decision.

Don't let Levi Garrison see his wife and daughter goodbye!

Unless you have the strength to talk to her...

In the eyes of people like Lokita, Levi Garrison has no chance in this life...

Want to be on an equal footing with the clan of Xishu?

At least it has to be at the level of Erudia God of War!

But is it possible?

Levi Garrison is sitting in a wheelchair by himself!

Even action is a problem, and I still want to be at the level of Erudia God of War...

It's idiotic to say dreams!

Levi Garrison was thinking about eating soft rice now, hiding behind Terry all his life.

Just this, what chance?

"Haha, old lady wise!"

"In this way, Levi Garrison will never see his wife and daughter in this life!"

Everyone in the Lopez family laughed presumptuously.

Aaron and Caitlyn also clapped their hands and said, "We agree!"

Aaron even stared at Levi Garrison with a sneer: "You only deserve to hide behind a woman in this life. If your wife and daughter are gone, you don't even dare to hum!"

"You are not worthy of being a man! Aaron, I despise you in my heart!"

"Yes, this kid is not a man! Go with your goddess of war! Let someone protect you forever!"

Caitlyn snorted coldly: "Levi Garrison, can I still see you come to meet Zoey and Levilia one day?"

Subsequently, the old lady took the Lopez family and left.

This is really a magical day.

Levi Garrison was still wondering why Zoey's grandma never showed up.

So she still has such an identity?

Turns out to come from the four gate valves.

This identity is really amazing.

Levi Garrison smiled helplessly.

She wants to cut herself off to see his wife and daughter?

How can it be?

Do you need qualifications?

I don't know if Yanlong Ring is qualified?

Does Yanlong Noodles have?

Where is the Yanlong Sword?

Levi Garrison jokingly smiled.
