

## CHAPTER 1388

Levi Garrison looked at Tangbei Road.

Kingsley was also looking at Levi Garrison.

Upon seeing this, the Emperor Xi Shu directed at Levi Garrison and said: "Since you said that you have the strength to crush the four main gates! Today I will let you see how powerful the four gates are!"

"This battle will let you know that the Western Shu family is invincible! It will also let you know where your gap lies!"

"You will be convinced to join the Xishu gate clan!"

"Uncle Master gave it to you!"

Said the Emperor Xishu.

"it is good!"

Kingsley looked up and down Levi Garrison: "A genius who has never met in hundreds of years, indeed has the qualifications to become the successor of the Erudia Wulong!"

"Boy, you worship me as a teacher! I can make you a real existence like the Erudia Wulong!"

Accept disciples? M.bg.

This scene was something that the Western Shu emperor didn't even think of.

However, the Emperor Xi Shu glanced at Linda triumphantly.

It seems to be saying, see if I said it wrong, right? He is a sought-after item, and everyone is rushing for him.

Linda and the others were extremely shocked.

Because Kingsley has never accepted an apprentice in his life.

Many people in the Western Shu gate asked Kingsley to accept his disciples, and even the Western Shu emperor wanted to ask Kingsley to accept his son as a disciple.

But they were all rejected one by one by Kingsley.

I thought that today, Kingsley actually wanted to accept Levi Garrison as his apprentice.

If the entire Xishu clan knew about it, it would definitely explode.

It also shows the potential of Levi Garrison!

Levi Garrison smiled: "You have no qualifications!"

"Presumptuous! What are you talking about?"

“Do you know who is standing in front of you? Just dare to speak madly!”

“Senior Tang is the number one master of the Western Shu family! The strongest master! He accepted you as an apprentice. You are

fortunate for three lives. Smoke is coming from your ancestral grave!”

As soon as Levi Garrison said this, the others immediately scolded him.

Kingsley’s expression also changed slightly.

It is estimated that after living so long, I have never seen such an arrogant young man.

Is he qualified?

Who is eligible?

No one else in this world has this qualification!

The Emperor Xishu and Linda are going crazy!

Levi Garrison wasted such a great opportunity?

Is he crazy?

Actually mad in front of Tang Bei Dao!

Provoking him like this?

Are you really afraid of death?

Levi Garrison shook his head helplessly: "Is it going to fight? Then don't talk nonsense, come quickly! I'm still busy!"

Arrogant!

Too arrogant!

Everyone stared at Levi Garrison angrily.

"Young people have to pay a price for arrogance!"

Kingsley shook his head helplessly.

It seems that this young man has not experienced setbacks!

"Young man pay attention!"

As soon as the voice fell, Kingsley moved.

Seeing a light step out, he crossed several tens of meters in an instant and appeared behind Levi Garrison.

“Hiss!”

At this moment, everyone’s complexion changed drastically.

It’s incredible.

How did Kingsley do it?

His physique is almost at the level of deceiving his eyes and deceiving his brain...

Not only the others, but the Northern Heavenly King was also taken aback.

Is his speed too fast?

Levi Garrison seemed to be stunned, with no reaction at all, still standing in place.

“Boom boom...”

Kingsley, who was behind Levi Garrison, shot instantly.

The afterimage of his fist was almost blurred.

With a breath, he had hit Levi Garrison with hundreds of punches.

The fists are so dense that it makes a rain-like sound...

At this frequency of fists, I am afraid that people will be smashed into flesh.

terrible!

Terrible!

There were smiles on the faces of the Xishu clan.

In their opinion, Levi Garrison must be defeated!
