

CHAPTER 1412

“One by one, they eagerly wanted the Emperor Xishu to punish Levi Garrison.”

Send it to the King of Side by Side as soon as possible for execution!

“””Hurry up! Disability is trouble!”””

“Songkui and several people pushed their wheelchairs, all venting their negative emotions.”

“””This??”””

The servants of the Western Shu Emperor were shocked to see them.

They are really about to collapse.

This is the king of the word side by side!

Are you crazy?

Several people can't imagine what will happen next...

“When they came to the yard, many people from Lopez and Black's family had already rushed out.ymi.ÿc”

“””Well, you traitor, do you dare to come back?”””

““““See if I can suck you to death today?”““““

““““Having a scum like you is really maddening me!”““““

...

“When the Lopez and Black family saw Levi Garrison, each seemed to be crazy.”

“Facing Levi Garrison’s words and penalties, there were even hands-on actions.”

“Meredith slapped up, Harry smashed it down with a stick...”

““““What are you doing?”““““

“The six major slaves couldn’t help it anymore, and quickly stopped them.”

““““My sirs, we have lost our way. The main reason is that we can’t help but encounter this traitor!”““““

““““Yes, I can’t wait to kill him! Eliminate harm for the people, and give back justice!”““““

...

“The crowd stared at Levi Garrison, extremely angry.”

""Dad...Dad...""

Levilia ran over at this moment.

""Levilia missed you, Dad...""

Levilia crawled into Levi Garrison's arms.

“Levi Garrison hugged Levilia tightly and smiled: “Levilia will be patient, and soon my dad will pick you up and mom back.””

""Idiot dreaming!""

""Levi Garrison, you are like this, you still want to pick up your wife and daughter?""

""Today, Elder Don will send you to the king of the word side by side! Let me see how many lives you have!""

Meredith roared.

""No, he is not a traitor! He will never betray Erudia!""

Zoey's voice sounded.

“Although she still didn't choose to forgive Levi Garrison, she still trusted him.”

“““Hmph, he is a traitor! Even the potion is handed over!”””

“Zoey defended against everyone: ““If he really did this, he should have gone abroad a long time ago, why would he come back?”””

“““He should know that people all over the world are looking for him, right? He just came back to join the Internet cafe?”””

“““It’s not because he is frank and frank, he didn’t do this at all!”””

...

“““This??”””

“Faced with Zoey’s doubts, everyone was speechless.”

“““No matter what, Levi Garrison is a traitor! Everyone gets punishable!”””

“““Yes, this scum must die! Erudia’s traitor must die!”””

Songkui shouted.

“““Okay, Zoey, you don’t have to worry about this. Brother will take care of it!”””

The old lady said.

Ordered to protect Zoey and Levilia aside.

No more contact with Levi Garrison.

Zoey was about to cry in a hurry.

“If the Emperor Xi Shu came to deal with it personally, Levi Garrison would definitely be over.”

They want to take Levi Garrison to go side by side with the king to invite credit.

“”Zoey, you don’t have to be afraid! I’m sitting upright, Levi, who is in trouble!””

Levi Garrison comforted.

“The six major servants also subconsciously said: “”Miss Li, please rest assured! The master will deal with it impartially!””

They were the most disturbed throughout the whole process.

“For a while, I am afraid that the storm is coming.”

The scene was so terrible that they couldn’t even imagine it.

“”What’s the noise? Is Levi here?””

“Accompanied by the voice, Emperor Xi Shu and Tang Yanran came to the court surrounded by everyone.”

“““Brother, this is Levi Garrison!”“““

The old lady pointed.

The emperor of Xishu looked at Levi Garrison.
