

## CHAPTER 1470

Every step went beyond his plan.

Even God is helping him!

“Originally, the black dragon just wanted to use the last madness to leave Erudia a big trouble.”

But now it seems that this is not just trouble.

This is likely to lead to destruction from Messiah and his ilk.

Because no one can stop the North Demon!

“””But we still have to be cautious! In case Yan Dragon Guard hides some super power, such as the word side by side king that suddenly pops up!”””

Heilong reminded him by the side.

“Bei Mo looked cold and arrogant: “”It’s okay! None of them are my opponents. Who else can Erudia do?”””

The North Demon is provoking and ignoring the entire Erudia!

Of course he has this capital!..

He had it back then!

Not to mention now!

“Heilong said: ““Master Northern Devil, I will arrange everything for you. Then you only need to act according to my plan! I promise Erudia will pay a painful price!”””

The Northern Devil’s cold eyes suddenly stared at the black dragon.

“Originally in the depths of the ice sea, the temperature is very low and very low.”

“But at this moment, the black dragon felt the extreme coldness.”

As if falling ten thousand meters under the sea...

“““Don’t think what you are thinking, I don’t know! You spend such a big price, just want to use me to deal with Erudia!”””

“““I want to avenge Erudia’s mistakes! But I never listen to other people! Who dares to order me, who I kill!”””

The Northern Devil’s icy warning made the black dragon cold all over his body.

He is too strong!ÿ!ÿ!

The warlord behind the black dragon wears a black lion mask.

His strength can be ranked in the top five in the Avengers.

“He looked at the North Demon disdainfully and warned: ““Please pay attention to the tone of your words! This is the leader of the Avengers! Do you really take yourself seriously?”””

“In the Avengers, many people don’t know the North Demon very well.”

I feel that his fame is greater than his strength.

There are many people who are dissatisfied!

The Black Lion is one of them.

“Seeing the arrogant appearance of the North Demon, he had endured it for a long time.”

“““You don’t accept me?”””

The North Demon suddenly stared at the black lion.

“““Naturally refuse!”””

The black lion stared at the North Demon angrily.

“““boom!”””

“Suddenly, the North Demon’s eyes shot two cold lights.”

One move with one hand.

“A terrible absorption force came out, and the black lion instantly sucked in front of him.”

“Even if the black lion is very powerful, it can’t resist this attraction at all.”

“It’s like a black hole, devouring everything.”

“””Uh...”””

The black lion screamed.

Numerous blood holes appeared all over his body and blood spattered.

“His flesh and blood gradually disappeared, revealing his bones...”

Was sucked to death alive.

“In the end, the black lion was left with only bones, clothes and masks.”

shocking!

“After witnessing all this, the members of the Avengers were frightened.”

Including the black dragon!

The combat power of the North Devil is simply terrifying!

The Black Lion is the top five warrior in the entire Avengers!

There is no way to fight back?

The end is so miserable?

The others bowed their heads.

Don't dare to look at the North Demon.

"At this moment, everyone was convinced."

The North Demon's fame and strength match!

The big devil you can't mess with!

""Is anyone else dissatisfied?""

The North Demon looked at everyone.

Cold eyes swept over everyone.

Everyone has no objections.

“““Master North Devil, apologize for my failure to say something just now! I am willing to follow your arrangements! If you have any instructions, I will be there anytime!”““

The black dragon was also softened.

“““Well, let me arrange it.”““

Watching the North Demon board the battleship.

Everyone took a deep breath.

“““Haha, I like it!”““

Heilong smiled.
