

CHAPTER 1616

The surrounding temperature dropped rapidly.

Everyone couldn't help but shudder.

Looking at Fu Qifeng in horror, for fear that he would be troubled.

I don't know that Levi Garrison is vying to face each other: "Yes, you are not qualified!"

"I am not qualified???"

Fu Qifeng suddenly raised his tone, like a billowing thunder, exploding in the air.

"Rumble..."

The earth began to tremble, and the whole Wushuang City began to shake vigorously.

Everyone was shaken.

"Wow..."

What was even more frightening was an invisible force exuding from Fu Qifeng's body.

This terrible force is pressing all around.

The dense bamboo forests around Wushuang City burst into pieces at a speed visible to the naked eye.

spread!

It keeps spreading out!

The bamboo forests around Wushuang City for dozens of miles were all battered...

Not only that, the sky in Wushuang City is about to get dark.

Billowing clouds are coming, and a storm is coming.

Zoey and Mia were shocked.

Although they gradually learn about martial arts, they have never seen such a scene.

This is the aura of the Supreme Level Five Heavenly Powerhouse! ! !

As soon as his momentum came out, the world changed color.

Not to mention he did it.

unimaginable.

“Boom boom boom...”

Soon, Fu Qiufeng's palm twirled, unexpectedly a group of tornado storms gathered.

The tornado storm is getting bigger and bigger.

A terrible wind swept all around.

It's the same to bring everyone up to heaven.

The tornado storm is getting bigger and bigger.

There is a tendency to cover the entire Wushuang City.

While controlling all this, Fu Qiufeng asked Levi Garrison: "Now, am I eligible?"

Fu Qiufeng did all this to prove to Levi Garrison how strong he is.

Levi Garrison squinted his eyes, not timid at all.

When he was about to answer, Levilia's voice sounded: "Master! Dad!"

Levilia is a sensible child.

She was afraid that her father would fight with the master.

“Levilia!”

The two men answered at the same time.

Fu Qiufeng also reduced his momentum.

“For now, you are okay! But Levilia is growing very fast, and I will have to take it away after a few months. At that time you can’t teach her, you will

only waste her talent!”

Levi Garrison left here holding Levilia.

“presumptuous!!!”

Fu Qiufeng’s other apprentices were so angry.

An ordinary person, dare to provoke their supreme master like this?

Several people wanted to kill Levi Garrison.

“There is no need to care about an ordinary person!”

Fu Qiufeng waved his hand to indicate that it didn’t matter.

“Ok?”

Everyone was taken aback.

Fu Qiufeng has never done this before.

It is an ordinary person who should be like trampling an ant to death in his eyes.

As a result, he was so tolerant to Levi Garrison.

Mainly because of Levilia.

“But Master, he is so provocative, and I have the face of Wushuangcheng...”

Jiang Haozhe, Fu Qiufeng’s eldest disciple, was just halfway through when he was slapped and flew out by Fu Qiufeng.

“Are you teaching me to do things?”

Fu Qiufeng’s cold voice came.

“Master, the disciple dare not!”

Jiang Haozhe immediately knelt on the ground.

However, Jiang Haozhe wiped the blood from the corner of his mouth and clenched his fist tightly.

His eyes were red and murderous.

Before that, he was hailed as the first genius in Wushuang City and Fu Qiufeng's most beloved big disciple.

Set thousands of favorites in one.

Wushuang City treats him as a treasure.

But when Levilia came, everything changed.

Everyone's attention went to this little kid.

He was ignored by everyone.

No one cares about him anymore, pays attention to him again.

The master hit him unexpectedly.

"No! Wushuang City is mine, and I must never let a child get involved!"
