

## CHAPTER 1627

But Jiang Haozhe's analysis makes sense!

Levi Garrison would really do this for a better choice.

"You are talking nonsense! No matter what happens to Levi, he won't push his daughter into the fire pit, right?"

Zoey asked back.

"Not always....."

Suddenly a voice sounded.

Not Jiang Haozhe, but Fu Qiufeng.

Fu Qiufeng walked quickly towards Levi Garrison, and he exclaimed: "He has the breath of the Black God Sect on him!!!"

"what?"

The words came out.

The expressions of everyone in the room changed drastically. ..

Fu Qiufeng had a lot of dealings with the Black God Sect and was familiar with everything about the Black God Sect.

This breath can't be wrong!

It's the Black God Sect!

He is 100% sure!

The four great elders and other high-levels in Wushuang City all rushed over.

They looked at Levi Garrison carefully.

“Yes, that's wrong, he has the breath of Black God Sect remaining on him, I'm sure!”

“Wrong! He has definitely been to Black God Sect!”

...

Everyone must have been to Black God Sect.

The remaining breath can't deceive people.

Everyone present was dumbfounded.

Is it really Levi Garrison?

Jiang Haozhe was pleasantly surprised by the four.

He just had nothing to do, and quickly poured dirty water on Levi Garrison.

Who knew that Levi Garrison had actually been to Black God Sect.

He really got it right.

What I really want to come.

“Levi Garrison, do you dare to admit in public that you have been to Black God Sect?”

Fu Qiufeng asked coldly.

Zoey dyed his face in disbelief, and asked tremblingly; “Levi, you...have you really been to Black God Sect?”

“I have been to Black God Sect!”

Levi Garrison admitted.

“Wow!”

The audience was in an uproar.

Didn't think it was really Levi Garrison!

“Now the truth is clear, he himself admits that he has been to the Black God Sect! Levilia’s affairs are all planned by him!”

Jiang Haozhe said with a smile.

The other three were also overjoyed.

Their suspicions are completely extinguished.

Zoey’s face changed drastically, staring at Levi Garrison disappointedly, and shouted wildly: “Do you know what you are doing? You almost killed

Levilia! The Black God Sect is the fire pit, and you are pushing your daughter into the fire pit. what!!!”

The plum is out of anger.

She really thought it was Levi Garrison who colluded with the Black God Sect to snatch Levilia away.

“Brother, how can you do that? The Black God Sect is a wicked way. They will not cultivate the monarch, but will use the monarch to cultivate!”

Mia was also angry.

“fool!!!”

“Do you really think that the Black God Church will help you train your daughter? Their evil ways will only be considered for yourself! Regardless of

his life and death, if you send your daughter to death, it is like sending you to death!”

“They are just ordinary people, their vision is too narrow!”

...

Everyone began to criticize Levi Garrison.

He is like a fool!!!

“Okay, now the case is closed! It is his father who revealed the information of Levilia’s talent!”

“If it’s someone else, I’ll definitely kill it, but this is Levilia’s father. I will let him go. If there is any next time, I will deal with it seriously!”

Fu Qiufeng summed up the matter.

The conclusion is over.

“Levi Garrison, we are really disappointed in you! If it weren’t for the Old City Lord’s action, Levilia might no longer be in the world!”

“You almost killed Levilia!!!”

Zoey cried silently.

If others can understand.

But it was about Levilia's safety, she couldn't help it.

Angry towards Levi Garrison.

Levi Garrison bit his lip helplessly. He smiled and said, "Why don't you ask me what I am doing?"

"What are you doing?"

"Of course I go to the Black God Sect to save you!"
