

CHAPTER 1669

Everyone witnessed that a powerhouse of the Supreme Triple Heaven burst into blood mist instantly!

It's the same as disappearing out of thin air.

“boom!”

“boom!”

“boom!”

...

Thirty killing weapons were launched almost at the same time.

“puff!”

“puff!”

“puff!”

.....

The 30 Erudia Supreme Powers who were the first to be locked down were bombarded into blood mist with no resistance at all, and disappeared in

an instant.

Thirty supreme-level powerhouses were instantly burst into pieces.

What a terrible picture this is.

Both sides were stunned.

Under the cover bombing, the unscathed supreme-level powerhouse, the energy of this weapon burst upon contact.

There are no opportunities to evade and react.

terror!

Horrible!

Everyone was scared silly!

“Good! Great! Dominating the Alliance will win!”

Soon bursts of cheers erupted from the Domination Alliance.

The power of Xu Zhengjie's super weapon is a hundred times more exaggerated than they thought!
!!

God helps me too!

Xu Zhengjie also yelled frantically: "Look! This is the weapon I invented! I, Xu Zhengjie, is the master of this world! All of you are destined to be

stepped on by me!"

"Kill! Kill me! Kill all the Supreme Powers!"

Xu Zhengjie ordered.

His men began to load the energy box needed for the weapon.

Similar to the magazine of a firearm.

Soon, the weapon was loaded.

Thirty weapons are once again locked to the supreme-level powerhouse.

"No, everyone quickly withdraw, the other party's weapons are terrible!"

Xiao Feng on the other side immediately shouted.

Everyone turned around and ran.

Rao is so.

There are still more than a dozen supreme-level powerhouses locked by the killing god weapon tracking device.

“boom!”

“puff!”

...

More than a dozen supreme-level warriors are like children under the killing weapons, directly turning into blood mist.

Xiao Feng and others quickly hid in the base.

Everyone is so nervous!

“It is now certain that the enemy has a weapon that can hunt down the Supreme-level powerhouse! It is estimated that no one can hold it except for

the Supreme-level Sixth Heaven Powerhouse! Hurry up and send this message to Messiah!”

Xiao Feng immediately said.

This wave of losses is too great.

People still haven't seen it, but nearly fifty supreme-level powerhouses have fallen.

If it weren't for running fast, it is estimated that hundreds of supreme-level powerhouses would have to be lost.

There was cheers from the Dominator Alliance.

Everyone looked at Xu Zhengjie with awe.

Before, no one could value this ordinary person.

Today, he is a god of battle on the battlefield!

Soon Xu Zhengjie's message spread all over the world.

An ordinary person, but invented a weapon that can kill the supreme-level powerhouse!

The name Xu Zhengjie shines all over the world!

"Big things are bad! Big things are bad!"

"There is a message for help from the front line of the East, the enemy has a super weapon to kill the supreme powerhouse! We have suffered

heavy losses!”

“The former Jianghai Emperor’s Laboratory Xu Zhengjie invented a weapon to restrain the supreme-level powerhouses. He has already taken refuge

in the dominance of the alliance. This weapon is called Killing God and has already killed forty-eight of our supreme-level powerhouses!”

“The defense line of the Eastern Frontier Theater is facing the biggest test! There is no way to restrain it at the moment!”

...

Suddenly, Xu Zhengjie’s message spread to the streets and alleys.

“What? Xu Zhengjie? Isn’t this a nerd? The weapon he invented can kill the supreme powerhouse?”

“Xu Zhengjie? Is it him? Unbelievable!”

...

Everyone who knew Xu Zhengjie was taken aback.

Zoey, who was trapped in Wushuang City, also knew this message.

She finally understood what Xu Zhengjie meant at the beginning...
