The battle lasted more than ten hours, and no one would pay attention to Jefferson.

"Run? Well, good!"

"But you have to understand that I can catch you once, and I can catch you twice."

"When the war is over, I will personally go to War Eagle Nation and capture you back in front of everyone in the War Eagle Nation!"

"In this life you never want to escape from the palm of my Levi Garrison's hand!"

Levi Garrison sneered a few times.
