

# The Return of the God of War [The Protector] Chapter 1809

The language is not surprising and endless.

Levi Garrison said this.

The audience was silent.

Hundreds of forces, tens of thousands of people were all stunned.

Not qualified?

Levi Garrison's words echoed in everyone's mind and exploded directly like thunder.

Put aside hundreds of forces aside.

That is, there are 13 strong people in the Seventh Heaven.

This lineup is far more terrifying than the slaying of mysterious masters in the Eagle Nation at that time.

Turns out to be disqualified in Levi Garrison's mouth?

How strong is it to be able to say this?

It's so cute!

“Hahaha...” At

this time, everyone laughed.

Watching Levi Garrison is like watching a fool.

“Boy, I don’t care what your status is! If I hear this kind of thing again, I’m absolutely not welcome!  
Even if

you are the father of this child!” The

Palace Master of Tianwu Palace warned.

The other masters are the same.

How dare you say that they are not worthy?

Who deserves it?

“My daughter’s talent can’t be protected by everyone here! You are too weak!”

“Let’s go first, don’t hit my daughter’s idea in the future!”

After that, Levi Garrison was about to take Levilia away.

Dumbfounded.

Everyone present was dumbfounded.

gone?

Is this person sick?

Actually look down on these hundreds of forces?

Even the thirteen Seventh Heavenly powerhouses are not in your eyes?

Thirteen people!

Before the emergence of five war eagle nations, it was enough to shock the world.

Now if it is not for their own interests, where can there be thirteen?

As a result, everyone was despised by Levi Garrison.

Looking at the back of Levi Garrison about to leave, everyone was dumbfounded, but they were also angry.

“He dared to go? Stop him for me!” The head of the

Tianwu Palace ordered angrily.

In an instant, several masters stopped in front of Levi Garrison.

Levi Garrison stopped, and a smile appeared at the corner of his mouth: “Well, let you know why you are not

qualified!”

Levi Garrison turned and looked at the Hall Master of Tianwu Palace and others, hooked his fingers and said:

“Let’s go on together with the Seventh Heaven!”

mad!

Levi Garrison is arrogant to the extreme!

It means that except for the Seventh Heavenly Powerhouse, no one is paying attention to it.

No, the Seventh Heaven’s is not in the eyes.

“Boy, you are looking for death!”

Next to him, a Sixth Heavenly Master couldn’t bear it, and immediately killed Levi Garrison.

“Boom!”

Levi didn't turn his head and waved his right arm lightly.

Suddenly, an overwhelming force pressed across.

"Puff!"

The Sixth Heavenly Master was blasted out immediately.

At this time, everyone's face changed.

Levi Garrison had two things!

"Boy, I think you are upset! I'm here to treat you!" The head of the

Tianwu Palace immediately killed him.

The Seventh Heavenly Powerhouse is truly violent!

As soon as his combat skills were displayed, the world changed color, and everyone just felt that the world was spinning.

Levi Garrison sneered coldly: "Pediatrics!"

"Boom!"

He just threw out a flat punch.

“Puff!” But the head of the

Tianwu Palace was invincible at all and flew out directly.

Shock!

The audience was shocked!

No one thought that Levi Garrison would be so strong!

Even the Seventh Heavenly Powerhouse is not an opponent!

“I will meet you!” The

Hall Master of the Seven Lights Palace also shot.

...

“Bang!”

Levi Garrison still flew back with a punch.

The second seventh heavenly powerhouse loses!

“I’m coming!”

The Hallmaster of the Phoenix Palace shot.

“Bang!” The

third Seventh Heavenly Powerhouse lost!

...The

fourth place.

Fifth place.

...The

thirteenth place.

Thirteen Seventh Heavenly Powers were defeated by Levi Garrison, and everyone was a punch!

After doing all this, Levi Garrison turned and left with Levilia.

There were tens of thousands of people in the audience, looking dumbfounded at Levi Garrison and his

daughter.

No one dared to stop it anymore.

Shock!

Extremely shocked!

Defeated thirteen Seventh Heaven Powerhouses in one person!

What kind of strength does this have?

Top ranking master!

Definitely a master of the top rankings!

They are really disqualified!

Zoey and others outside saw the two come out and immediately asked about the situation.
