

# The Return of the God of War [The Protector] Chapter 1817

The sky is falling!

For Levi Garrison, the disappearance of Levilia was like the sky collapsed.

This group of people are still here to wrong him.

Levi Garrison can't wait to slap all of them to death!

He stared at the Tianlong four angrily: "My daughter let the enemy take away! I have no time to talk nonsense with

you!"

"Let the enemy take away?"

Everyone was stunned.

Then Tianlong sneered: "Impossible! How could the child be taken away? Really if the four of us don't exist?"

Earth Tiger looked proud: "Yes! We are in the courtyard, and the child is not far from us. More than one hundred

meters, it is equivalent to under our noses, no one can take people away from under our four eyelids!"

“Yes, you underestimated us? With us, how could the enemy be silent? How about taking people away?”

Huang Hu also agreed.

Xuan Lang looked at Levi Garrison with cold eyes: “No one can snatch people away under our noses, and still unaware. That

can only mean that you are lying!”

“Yes, unless there is only one possibility— You hid the child silently by yourself, and then blamed other people who didn’t

need it!” The

Tianlong four pointed to Levi Garrison.

Levi Garrison was the last to see Levilia.

Moreover, the Four Heavenly Dragons knew his identity as the Heavenly King, and it was no problem to do all this with

his strength.

Levi Garrison smiled: “The ability to take people away from under your noses can only show you food!”

“You are

looking for death!!!” Xuan Lang said word by word.

The whole body exudes a cold killing intent.

In any case, everyone present believed that it was Levi Garrison who hid the monarch.

After all, it was almost the same as the previous massacre at Baiyun Mountain Villa.

“I don’t have time to talk nonsense with you, I’m going to find Levilia!”

Levi Garrison ignored the others and left.

“Dare you?”

Xuan Lang stopped in front of Levi Garrison.

“Leave me aside, or don’t blame me for killing you!”

Levi Garrison’s eyes were murderous.

“Xuanlang get out of the way!”

The voice of Tianlong sounded.

Only then did Xuan Lang slowly let go.

“Why don’t you let me take the shot, I won’t lose! And there are you!”

Xuan Lang obviously refused to accept Levi Garrison.

Even if he is the strongest in the sky list.

Xuan Lang is the best fight among the four.

The strength far exceeds the Seventh Heaven!

“We’d better not conflict with him, don’t force him!”

Tianlong explained.

“Then what to do?”

“Staring at him! Staring at him from now on! As long as you follow him, you can definitely find the child!”

Tianlong ordered.

“Four adults, don’t worry, we must let him hand over the child! Zoey, you must let him hand over the child!”

Lopez and Black’s family agreed.

“You don’t need this matter, we will solve it!” The

Tianlong four left here.

“Next, Levi Garrison may make big moves. He doesn’t want the child to follow us. The reason is very simple. He doesn’t want this child to let us cultivate decent characters! He wants to cultivate it himself!”

Tianlong analyzed.

“We have to stare at him, and then get the child back! This is very important!”

“We have to seek support, otherwise Levi Garrison will not be able to deal with it!”

“Okay, immediately contact Tiance Mansion and report the news truthfully! ”

...After

Levi Garrison left here.

Immediately contacted the old ministries of the parties and began to search for Levilia's whereabouts.

He sent all the strongest Western Heavenly Kings out, just to find out the whereabouts of Levilia.

Others are anxious like ants on a hot pot.

But the good point is that the other party did not directly attack Levilia, but took her away.

Obviously they have other plans.

Maybe it was for yourself.

Thinking of this, Levi Garrison was a little relieved.

Levilia at the moment did not leave Erudia.

She was taken somewhere in Erudia.

At this moment, the group of people appeared.

The most important thing is this group of people...
