

The Return of the God of War [The Protector] Chapter 1824

They captured Levilia and gathered the ancient forces and martial arts masters in Erudia and the surrounding area.

He wanted to use Levi Garrison's hand to destroy these people to the utmost extent and severely damage

the martial arts circles in Erudia and surrounding countries.

I have to say that they are ingeniously planned.

Many people have been fooled.

For example, the Wulong Taoists who are sitting and waiting.

In addition, the news that the Western Heavenly King found out was deliberately released bit by bit.

The purpose is to just let the masters like Levi Garrison and Wulong Taoist encounter.

So there is a big battle!

Use the same method to kill everyone!

If Levi dies in battle, their people will come out to harvest everything.

If Levi Garrison was not dead, that would be the best situation.

They can later shape Levi Garrison into a big demon.

Let Levi Garrison fight the Erudia masters in a nest, thus further destroying and weakening the strength of

Erudia martial arts!

A few minutes passed.

All the forces on the East Island have been tossed away.

Only the Wulong Taoists and the monarch covered in blood are left behind!

At this moment, Levi Garrison, who was on the fighter plane, received news from the Western Heavenly

King.

It is a few photos.

In the photo, Levilia is covered in blood, and his pitiful appearance is pitiful.

When Levi Garrison saw the photo, his anger was widened, and his whole person was going crazy.

The bruises in his arm violently, as if to tear his skin out at any time!

He has a grim look, and his eyes are filled with anger.

A terrible killing intent radiated from him, and everyone felt the terrible killing intent. The scalp was numb, and the cold air on the soles of

his feet rushed to the heavens... His eyes turned blood red, just like the devil.

The people travelling with him were all frightened.

For fear that Levi Garrison would get angry and kill them all.

Levi Garrison was extremely angry!

The anger of a father!

Who can bear it?

On the island.

Ten minutes passed.

But all the people who held the apprenticeship meeting were gone, and none of them were gone.

At this time, Wulong Taoist realized something was wrong.

“Go and see, all of them seem to be gone.” As

soon as the Wulong Taoist uttered, everyone discovered the strangeness and went to the backstage
to check.

From this look, everyone found the problem.

The opponent all ran away.

All the babies along with everyone are swept away!

Nothing left!

Searching on the island, no one was seen.

The other party has already run away!

The Wulong Taoist in the auction hall said: “No need to look for it, they have already left! Very far,
far

away!”

Wulong Taoist has just felt it, and the perception of God Leiyin is completely gone.

It means that you are far away.

But Wulong Taoist is calm.

Because he doesn't lose anything.

Although Shen Lei Yin was taken away, Levilia he got it.

"Take her, let's leave!"

Wulong Taoist ordered.

The apprentice stepped forward and was about to take Levilia away.

"Hold on!"

someone suddenly shouted.

"Wulong Taoist is a bit inappropriate? That group is clearly a liar! Our things are lost!"

"Yes, we lost all of our treasures. Isn't it appropriate for you to take it away?"

...

Everyone stared at it. Wulong Taoist mentor and apprentice.

A flash of cold light flashed in the eyes of Taoist Wulong: “What does that have to do with the poor Tao?”

“Yes, Master is right! You have lost things. Go find them. What do you do with us? It’s not us. Let’s go!”

“Yes, what does it have to do with us? Besides, we got this child in exchange for God Thunder Seal!”

...

“You...”

Everyone was speechless for a while.

I don’t know what to say.

There is a saying that this matter has nothing to do with the Wulong Taoists.

There is nothing wrong with them!

But the current situation is very embarrassing.

Everyone lost something.

Did Wulong Taoist get the benefits and let him leave?

impossible!

“No, you can’t take this child away!”

Everyone stopped!

“Who dares to take my child away?”
