

The Return of the God of War [The Protector] Chapter 1827

After all, sorcery is not the same as martial arts!

Spells may kill people invisibly!

In addition, Wulong Taoist is the strongest one in the field!

It is very likely that a ranking is a huge difference!

So Wulong Taoists are very strong!

All the heavy hopes of everyone are on him!

Taoist Wulong looked calm and calmly looked at Levi Garrison.

“If you get caught with nothing, I can consider sparing you!”

Wulong Taoist gave Levi Garrison a chance.

In fact, the group of forces on the East Island have been observing here.

No one can find them just by using special methods.

After all, they still have to harvest in a while!

“Horrible! Terrible

, isn't it?" "We thought that Levi Garrison was not an opponent, but we didn't expect it!"

... The warriors of the East Island were dumbfounded when they saw Levi Garrison so strong.

"But this is better! The stronger Levi Garrison is, the more beneficial it will be to our plan! The more real this is at the scene!" The boss smiled.

On the island.

Levi Garrison had just punched the entire island devastated.

The entire island is sinking a lot.

The surrounding sea water is bubbling.

It was as if a tsunami was coming...It

was the first time he had encountered a master of spells like Wulong Taoist.

However, Levi Garrison had seen all of them in the ancient books left by the cheap master and him.

The magic master is terrifying!

Any spell can kill people invisibly!

“Get out! You have to lose too!”

Hearing the provocative words of Taoist Wulong, Levi Garrison just punched out without saying a word.

“Boom...” The

island couldn't bear the strong pressure, and sank again.

Seeing a punch hit Wulong Taoist.

I saw a spell in the Wulongdao population, and pinched a decision.

A spell is generated.

Turned into a barrier.

He abruptly blocked Levi Garrison's punch!

Upon seeing this, everyone present was overjoyed.

Sure enough, Wulong Taoist is strong enough!

He is the only one in the field who can hold Levi Garrison's punch!

This has never happened before!

"Continue!"

"Boom!"

Levi Garrison threw another punch.

Wulong Taoist concocted in the same way, and once again generated a spell, which caused the wind

to form a barrier, once again blocking the punch.

But his face changed slightly and his body trembled.

Obviously, playing such a spell is also very costly to him.

“I see how long you can carry it?”

“Boom!” The

third punch blasted out.

Wulong Taoist face was pale, and his figure was shaking.

“Boom!” The

fourth punch blasted out.

Blood spilled from the corner of Wulong Taoist’s mouth.

“Boom!” The

fifth punch blasted out.

Wulong Taoist vomited blood violently, and the whole person was almost unable to hold it.

“Boom!” The

sixth punch blasted out, and the barrier formed by the spell was directly blasted to pieces.

“Puff!”

Wulong Taoist flew out directly.

Every time a spell is generated, it consumes too much for him.

Especially Levi Garrison’s attack at this level!

If it weren’t for Levi Garrison, he wanted to see what the spells were like.

Levi Garrison can solve it with one punch!

Wulong Taoist can only defend in front of Levi Garrison.

Offensive spells cannot be used at all.

At this time, no one was standing.

“Say, who arrested my daughter? Stand up!”

Levi Garrison asked, looking at everyone.

“No... it’s not us, it has nothing to do with us, we are also framed!”

“Yes, someone planned all this!”

...

everyone began to explain.

At this moment, Levilia woke up and she shouted: “Dad, it’s not them! It’s someone else! I know!”

Levi Garrison quickly picked up Levilia.

“Go, let’s leave!”

Since Levilia knew who was behind the scenes, Levi Garrison didn’t need to check again.

These people will not be killed for the sake of the child’s face.

It can also be considered as Erudia to save a piece of martial arts power.

After Levi Garrison took Levilia away in a fighter plane.

One person quietly appeared on the island.

He is like a god of death.

Start to harvest life...
