

# The Return of the God of War [The Protector] Chapter 1848

The language is not surprising and endless.

As soon as Levi Garrison's words came out, the audience was silent.

Deadly still to the point where the needle can be heard!

This is something that no one here thought of!

Levi Garrison, the descendant of the Heretic God, is in the middle?

This, this...Who would believe this!

Thousands of people on the field were stunned, motionless, and even their expressions were frozen.

One by one is like a sculpture.

A full minute.

Only then did someone react.

"You...what did you say? Are you a descendant of the Heretic God?"

the man asked tremblingly, his mouth trembling fiercely.

His voice drew everyone back from a daze.

Everyone looked at Levi Garrison in horror.

Especially the monsoon dust, Fu Jia and the others.

Eyeballs are going to stare out.

“I am Levi Garrison!” The

voice fell.

Levi Garrison’s face changed.

The last thing that appeared was his true face of Lushan!

“Yes, yes... is a descendant of the Heretic God!!!”

When Levi Garrison revealed his true face, the audience went crazy!

Now, no matter who it was, he knew Levi Garrison’s appearance by heart.

See his true face!

The followers of Cthulhu were so excited that they were suffocating!

excitement!

too excited!

There is nowhere to be found after breaking through the iron shoes, and it takes no effort at all.

The descendants of the Heretic God they were actively looking for, unexpectedly met in this way.

“All of them, visit the descendants of the Cthulhu!”

“Puff!”

“Puff!”

... The

group of followers of the Cthulhu knelt to the ground one after another.

Qiqi shouted: “See the little Cthulhu !”

“I will follow the

little Cthulhu in the future! Follow your orders!” Now the followers of the Cthulhu everywhere come out to follow Levi Garrison’s orders?

Looking at the people kneeling on the ground, Levi Garrison suddenly had another idea in his mind,

& What he thought before was that he could go as far as he could without contact with these evil god followers.

But now it seems that the followers of the Cthulhu are chasing around, and it is easy to be exploited, intensifying contradictions, and greatly causing infighting in the Erudia martial arts world.

So Levi Garrison had a new idea.

Rather than let these dangerous forces run wild, he might as well accept them all.

He commanded uniformly!

Thus.

First, it will not be used.

Second, there will be no accidents.

Judging from the degree of obedience of this group of people, he basically said one thing, and these people would definitely not dare to do two things.

Just gather all the followers of Cthulhu together.

Levi Garrison unified command so that nothing would happen.

The sooner the better, the later, the more things will happen.

On the other hand, it is a super powerful force to gather the followers of Cthulhu.

It is good for Levi Garrison!

“Well! You will all follow me from now on!”

Levi Garrison said coldly.

“I’m waiting to swear to follow the little evil god!” The

crowd kowtow with excitement on their faces.

They are keen to be regained by Levi Garrison, and everything listens to Levi Garrison.

It is enough to explain how powerful the Huoyun Cthulhu was back then, and why that era was called the Cthulhu Age.

It is estimated that Cthulhu has become the belief of this group of people!

That’s why he obeyed Levi Garrison so unconditionally!

No one expected this to happen...it

was right to attract both sides to fight!

But the real protagonist Levi Garrison appeared!

Upset everything!

“Little Cthulhu, I also know that there are colleagues around, I immediately sent someone to notify them to come and meet!”

someone said.

Levi Garrison nodded: “Well, let everyone come together! It’s best to let everyone come together!”

“Little Cthulhu, this is a bit difficult!”

“It needs a long-term plan!”

Everyone looked embarrassed.

Levi Garrison smiled and said, “Don’t worry, I have my own plan! But before I announce this plan, I will deal with them first!”

Levi Garrison looked at Lin Tianlong, Fu Jia and others.

“Boom!!!” At

this moment, they were struck by lightning.
