

The Return of the God of War [The Protector] Chapter 1851

Levi Garrison asked with a smile.

Jifengchen nodded in a hurry: “Yes, yes, kill them all!”

Jifengchen looked at Lin Tianlong with murderous aura.

Only these people knew about his refuge in evil spirits. As long as they were all killed, he would still have a chance to be cleansed in the future.

If this matter were to be known to his clan master, it would not be enough for him to die ten times.

So he wanted to use Levi Garrison’s hand to kill everyone.

How could Fu Jia and the others understand Jifengchen’s killing intent.

At this moment, Levi Garrison smiled suddenly: “All killed, including you?” One

sentence made the monsoon dust all over the body.

“No, no, Lord Cthulhu, I have followed you, and I am from your side!”

Ji Fengchen said quickly.

“Kill!”

Levi Garrison would not give this scum a chance.

Keep him, I don't know how much trouble it will cause.

"Master Cthulhu..."

Although Ji Fengchen shouted.

Can be powerless to reverse the situation.

"Puff!" In the

end, a bloody arrow shot soaring, and Monsoon Chen fell powerlessly.

Lin Tianlong and the others were terrified.

Levi Garrison is indeed a decisive one!

"Little Cthulhu, what should the rest of the people do? Are they all killed?"

someone next to him asked.

"Hiss!" At

this question, Lin Tianlong and other people followed up with their throats.

Who is not afraid of death?

Especially such a useless death!

They are still young!

Everyone's eyes were focused on Levi Garrison alone.

Waiting for his decision.

Levi Garrison's eyes drifted away from Fu Jia and Ning's people.

With a smile at the corner of his mouth, he has a plan in mind.

"Take everyone away first! Then listen to my arrangements!" But

the look of Levi Garrison fell into their eyes and changed.

Levi Garrison seems to be interested in them!

These decent patriots, the thoughts instilled by the elders of the young family-the evil spirits are the unforgivable demons!

Burning, killing, looting, doing no evil.

Levi Garrison is especially the first-class demon, the descendant of Cthulhu.

It's normal to be interested in them.

& This fell into the wolf's mouth.

How to do?

How to do?

"You kill me! Even if I die, Fu Jia won't let you do anything!"

Fu Jia regarded death as home.

A posture that would rather die than obey!

Levi Garrison was stunned.

What is this going to do?

Who do you consider yourself?

This girl is really confident!

Why do you think you are interested in them?

“Take it away! Get out of here immediately!”

Levi Garrison gave an order.

These decency were all taken away one by one.

Levi Garrison noticed that someone was approaching.

Obviously a master of the Tiance Mansion and Baolong clan.

Soon Levi Garrison left here with the Cthulhu Army.

Soon after, Tianlong from Tiance Mansion arrived.

“A step slower!”

Tianlong was annoyed.

A corpse was left in the field.

Among them are monsoon dust.

“This is the fifteenth ranked monsoon dust! This group of evil demons! I am at odds with you!” The

ground tiger roared.

“In addition, the fifth and seventh on the list and many people are gone, I am afraid

they will be taken away!” “They shouldn’t go far, search quickly!”

“If the followers of Cthulhu and Levi Garrison converge together, they will not be able to Imagine!”

...

Then, the situation here was spread out.

The contradiction between good and evil is further intensified.

Levi Garrison led the Cthulhu army without fleeing far, but was nearby.

Because these people have outstanding ability to escape and hide.

The other party is hard to find.

“In other words, did you rush here until you heard the news?”

Levi Garrison asked.

“Yes, that’s right, there is news from someone!”

Levi Garrison touched his chin: "It seems that someone deliberately caused you to encounter each other and fight!"

Fu Jia and others not far away were fascinated by it. Goofy.

I don't know what I'm talking about.

"The news came out immediately-I am going to gather all the brothers together!" In the

end, Levi Garrison made a decision.
