

The Return of the God of War [The Protector] Chapter 1853

The voice fell.

Xu Zhengjie moved.

Go straight to the villa.

The experts arranged by Tiance Mansion quickly discovered Xu Zhengjie's abnormality.

Several people walked up quickly, wanting to question Xu Zhengjie.

Only a weird smile appeared at the corner of Xu Zhengjie's mouth.

The next second, these masters fell to the ground one by one.

They didn't die, one by one just passed out.

This is naturally the ghost of Xu Zhengjie.

The energy he controls can affect the human brain and can be manipulated consciously.

It couldn't be easier for these people to fall asleep.

Of course, it is not effective for those who have a particularly high level.

They are not only strong, but also strong willpower. Xu Zhengjie's energy can't interfere with their brains.

Xu Zhengjie walked all the way, everyone fell under his feet and fell asleep.

If ordinary people see it, I am afraid that Xu Zhengjie is a god.

His supernatural ability is the same as the gods in the phantom movie.

Little did they know that this ability was obtained through experimentation.

Xu Zhengjie went wild all the way, and soon came to the villa.

Zoey and others were shocked when they saw Xu Zhengjie.

It stands to reason that the guards here are tight, and it is impossible for anyone to break in.

How did Xu Zhengjie get in?

By the way, Xu Zhengjie seems a little different.

Especially his eyes are terrible!

There is a feeling of looking at the world and ignoring sentient beings.

"Long time no see!"

Xu Zhengjie smiled.

“You... how did you get in?”

Zoey said in horror.

“Come in directly, I want to come in, no one can stop me!”

Xu Zhengjie casually sucked a servant of the Li family with energy.

“Uh...”

Then under everyone’s eyes, Xu Zhengjie dissolved the person alive.

The terrible scene scared everyone at Zoey!

Isn’t Xu Zhengjie an ordinary person?

How could he?

Especially this method is the same as God.

& Even more exaggerated than those warriors!

Even if Zoey is very strong now, he is shivering in the face of Xu Zhengjie.

Xu Zhengjie is truly unstoppable like a god descending from the earth.

“No way, I am so strong now! I forgot to tell you, this is my experiment and transformation!”

“In my heart, those warriors are barbarians with well-developed limbs! Compared with modern technology, they are gorilla monkeys! “

Xu Zhengjie laughed.

But he does have this strength to ridicule!

Xu Zhengjie looked at Zoey carefully, and he no longer felt what he had before.

Looking at her, just thinking about how to get revenge.

There is no emotion between men and women at all!

He has no interest in Zoey anymore.

“You... what are you doing?”

Zoey looked at the demon god tremblingly.

“I heard that Levi Garrison has become a big demon, I will naturally kill him! Eliminate the harm for the people!”

“Of course you! You are destined to be mine, you can’t run away!”

Zoey immediately refused: “Impossible! I won’t go with you!”

“This can’t be done with you! You will follow me voluntarily! Hahaha...”

Xu Zhengjie had already prepared an experiment for Zoey.

At that time, it is very likely that Zoey will become his puppet.

Zoey is scared!

Today’s Xu Zhengjie really gives her a devilish feeling.

“Levi Garrison, you didn’t expect to have this day, right?”

Xu Zhengjie laughed loudly.

Soon, the Tianlong four came with the masters of hundreds of Tiance Mansion.

“Who are you? What are you doing?”

Xuan Lang scolded, staring at Xu Zhengjie firmly.

“Everyone, don’t get me wrong! I’m here to fight against Levi Garrison!”

“They are not dead either! They just slept over!”

Xu Zhengjie smiled.

He waved his hand.

The masters of Tiance Mansion who had just fallen asleep on the ground woke up one after another.

“Don’t worry, I just want to join the team that killed Levi Garrison!”

Xu Zhengjie smiled.

“Master of spells?”

Tianlong looked at Xu Zhengjie in horror.
