

The Return of the God of War [The Protector] Chapter 1883

Suddenly, Zoey let out a scream.

Wen Lei was taken aback.

“What’s wrong with you,

Zoey ?” Zoey snarled in pain, clutching his head.

The familiar scenes of the Shenlong base when it was intact flashed in her mind, including the external buildings and the full picture of the various laboratories... The

more memories, the more Zoey’s head exploded.

This movement alarmed the guards not far away, they rushed over, Wen Lei immediately took Zoey away.

Wen Lei suspected that Zoey’s brain was traumatized.

Soon after, Wen Lei took Zoey to a private hospital in Beijing for a comprehensive examination.

This is Wen Lei’s own hospital, so no one will doubt it.

The result of the check came out soon.

It's okay!

There is nothing unusual about plum dyeing!

The brain has not suffered any trauma!

But the brain has been disturbed.

Wen Lei immediately thought of Xu Zhengjie's experiment!

Although the experiment was interrupted and failed, there were slight sequelae.

The doctor's advice is that plums can get better if you take more rest.

Upon hearing the result, Wen Lei both felt relieved.

“By the way, I just asked someone to inquire about it! Except for those who hid in the underground base, no one left alive! Xu Zhengjie can't be alive!”

Wen Lei said.

“That's great! Xu Zhengjie's scourge is finally eliminated!”

Zoey smiled.

Immediately, Zoey frowned, "But the Shenlong base was destroyed, and the price was too high. It's because of me!"

Wen Lei shook her head indifferently: "It's okay! I will pay the Alliance for my science and technology base at that time! Although it is not as good as the original base, it can be replaced temporarily!"

Zoey dyed his face with surprise: "Your home base?"

"Yes .", My father and grandfather are the best in the field of science! My family owns a world-class base, a national-level base

Three "

Wen Lei probably introduced her family background.

Whole family of science and technology experts, all are genius.

So Wen Lei young age, it becomes a scientist!

Successes in the professional field!

In such Nurtured in the environment!

"Miss Wen, thank you! If it weren't for you, I'm afraid I would have become Xu Zhengjie's puppet! At that time, I was not as good as death, and I couldn't even decide on death by myself! "

Plum dyed genuine sense Xiewen Lei.

” This is what I should do! You see I got a blessing in disguise! In fact, we should be most grateful to that old man! If it weren’t for him, how could we live? “

Yes, yes, he is my great benefactor!” I thought it would be like this for the rest of my life! “

...

Somewhere in Erudia.

Richard and a few people gathered together.

This time Richard entered Erudia with a mission. They

even said that killing Levi Garrison was a pretense, and they were here to do other things. .

of course, in their view, leaves monarchs of certain death, no one can think of leaves monarchs survived.

they are no longer concerned about Ye monarchs, but rather their real task.

but in the meantime they heard Dragon science and technology base occurred I knew that Xu Zhengjie had fallen.

Richard and Xu Zhengjie hurriedly met before.

Richard was in a good mood. Seeing Xu Zhengjie becoming so powerful, he thought that the Eagle Nation would have a big help.

Unexpectedly, less than a day, Then came the bad news of Xu Zhengjie's death.

“That's not right! Xu Zhengjie's consciousness is still there. Although it is very weak, it has not died out. He is still alive! “

Richard's men were surprised. Through detection, they detected that Xu Zhengjie's consciousness still existed.

That means people are not dead!

Before Xu Zhengjie transformed himself, he asked Richard for help and obtained a set of devices to preserve consciousness and transform it into an energy body.

Now they are detecting that consciousness is still alive through the device connected to that device.

Xu Zhengjie is not dead!
