

The Return of the God of War [The Protector] Chapter 1896

The reason why Levi Garrison was defeated!

It's because he wants to test how strong Zoey is!

He can dodge completely with his body skills and speed, without getting hurt!

Using the taboo technique, you can completely get rid of plum dye!

Furthermore, even though Wen Lei asked him to do his best, Levi still kept Zoey in the end.

That's his wife.

How can I do my best?

under these circumstances.

How can he lose?

He is indeed injured!

But this injury and the previous injury are not the same concept!

"Huh?"

This caused nearly 100,000 people present to be taken aback.

What does Levi Garrison mean?

He has been wounded like this, yet he is still so arrogant?

This doesn't put anyone in the eye!

"Levi Garrison, you are crazy! You have been defeated by the Common Killer! You can't!"

"Yes, that's right! Don't say you are injured now, even if you are not injured, the Commoner Killer defeats you again, you will not be obedient. Yes?"

"Listen to my persuasion, and follow us back to Tiance Mansion to avoid the suffering of flesh and blood!"

...

everyone persuaded.

Levi Garrison reluctantly got up and sat on the ground.

The corner of his mouth looked at everyone with disdain.

"Levi Garrison, don't you really think you can escape from so many people, do you?"

"Don't be foolish and dreaming!"

...

As today, Cefu and Baolong clan core masters gathered.

It was impossible for Levi Garrison to escape by laying a net of heaven and earth in the capital.

“Don’t talk about this first, I have something to tell you!”

Levi Garrison changed his voice.

“You really don’t talk nonsense! This is your slow strategy, right?”

Tianlong roared.

“Wait, let him say!” A

voice sounded.

The Tianlong four immediately nodded respectfully and stood aside.

& The four members of Tianlong came from the hidden pavilion of Tiance Mansion, and they were mainly responsible for dealing with emergency affairs and various intelligence of Erudia.

In layman’s terms, it is the secret pavilion that is responsible for all the small and small chores within the scope of Tiance Mansion!

The person who spoke was the deputy chief of the dark pavilion, codenamed Black God.

The position is high, above the Tianlong people.

When he speaks, everyone will naturally listen.

“Let’s talk! I want to hear it!”

Deputy Pavilion Master Hei Shen looked at Levi Garrison.

“I want to say that all this is a conspiracy by the East Island forces... Soon they will carry out a crazy second plan! If your attention is still on me, that’s it! Erudia martial arts world or Erudia may be hit hard.!”

Levi Garrison told them what he knew.

“Since Tiance Mansion is the strongest Guwu organization in Erudia, we must thoroughly investigate this matter!”

Levi Garrison seriously urged.

“Edit it!”

“Continue editing! Levi Garrison really didn’t expect you to excuse yourself in this way! It really disappoints me!”

.....

Although Levi Garrison said a lot, it sounds reasonable. .

But there were very few people present.

It is generally believed that this is just an excuse by Levi Garrison.

Even the deputy pavilion master Black God is not a complete believer.

“To tell you, I have evidence! I have caught a core member! I can know everything from his mouth!
Now I don’t want to conflict with you! When I bring people, you will understand everything!”

After hearing what Levi Garrison said, everyone laughed.

“Levi Garrison, do you think we are stupid? And let you go? Do you think it’s possible?”

“Yes, this kid treats us as idiots! Take him away quickly!”

...

everyone immediately scolded.

No one noticed, one person in the crowd left.

Oni samurai!

He had already mixed in.

Knowing that Levi Garrison hid Ono Ichiro somewhere else, he immediately left.

“Forget it, I’m talking to you, it’s totally playing the piano against the cows!”

Levi Garrison slowly stood up.

Still have to use force!

“Why? Do you want to come hard? Levi Garrison, don’t you want to see your child?”
