

# The Return of the God of War [The Protector] Chapter 1941

Levi Garrison was waiting for this moment!

Since there is no stopping, then he tries to make up for it!

As soon as the news of today's arrogance conference came out, Levi Garrison and everyone understood what the purpose of abolishing the arrogances was.

All the people who believed in this before, who believed that the seven evil gods had abolished the pride of Great Summer, began to loosen up!

They seem to have no reason to do all this!

Hundreds of Tianjiao were abolished, and the top three missing in the rankings were unclear. The Dongfangzhou Tianjiao Conference began immediately.

This is obviously a conspiracy!

Following this line of thought, thinking of Levi Garrison before, he might have been wronged!

Someone is behind it all!

In this case, Levi Garrison became the top of the list, but he did not do anything to endanger Erudia, and even allowed the seven evil gods to change their evil and return to righteousness...

A series of things can be explained logically.

Levi Garrison was framed at all.

He will not do anything to endanger Erudia, he even controls the power of the Heretic God for Erudia's use!

Smart people quickly figured out the stakes.

I was almost certain that Levi Garrison was wronged!

But at this moment, everyone can't think of anything else!

Everyone is anxious to follow the ants on the hot pot!

How to do?

what to do?

The Tianjiao Conference is held in Erudia, but Erudia is a situation that no one can do!

The major regions of the Eastern Continent will inevitably send the strongest Tianjiao to compete.  
What does Erudia use to fight against others?

Take a group of disabled young men in wheelchairs to participate in the competition?

impossible!

This situation can't be solved at all, there is no one to send in Erudia!

At that time, only other ordinary geniuses can be sent to the conference and be brutally abused and humiliated by geniuses from other countries!

Put Erudia's reputation and the dignity of Erudia warriors on the ground!

Let Erudia can't hold her head up for at least 30 years!

Let Erudia become a shame to the whole world!

Let everyone in Erudia become a laughing stock!

...

Once you fail, the situation you may face is worse than imagined!

Erudia people are not afraid of bloodshed and sacrifice, but dignity and reputation are the most important!

We can stand and die, but we must not kneel and linger and be humiliated!

This is absolutely impossible!

Everyone in Erudia cannot accept it!

He knows the serious consequences, but there is nothing he can do!

Because I really can't send anyone!

Hundreds of the strongest Tianjiao have been abolished. Where can I find someone?

But can Erudia sit still?

Can't!

The Tiance Mansion and other organizations immediately introduced plans to find Erudia's genius seedlings as much as possible!

Then in the shortest possible time, exhausted every means to improve their strength.

Whether it is a magical medicine or a variety of modern technologies, you must use it at all costs.

This is about Erudia's reputation!

Everyone is crazy!

Seeing the Tianjiao Conference approaching, the effect was minimal.

The talents of these young people gathered are too ordinary!

It's useless at all!

Anxious!

“It is not, to borrow people! Xiemowaidao also will do anything! As long as related with the big summer can!”

“How can do? How can we go to find those Xiemowaidao it?”

“It is not, in days The young princes of the Cefu and Baolong clan pretend to be?”

“No, according to the regulations, we are the Erudia Guwu Institution and we must not participate! If i let the discovery expose, it will be a joke! Don’t even think about this !”

...The

opinions in Tiance Mansion are not unified!

The next few days, there was a mess.

These days, tianjiao from other countries in the Eastern Continent came to Erudia one by one.

Especially in the East Island, the young generation with the strongest history has been dispatched from all parts of the star country, which is said to be comparable to the rankings before Erudia.

A few days later, in the anticipation of all the people, the Dongfangzhou Tianjiao Conference is about to begin...

## **The Return of the God of War [The Protector] Chapter 1942**

The venue is held in Erudia Capital!

The eyes of the whole world gather here!

All the geniuses from all countries in the Eastern Continent are here!

Especially the East Island and Star Country are the most powerful!

The genius they sent just overwhelmed other countries in momentum!

“Star Country has always been weak in martial arts, how come there are so many strong people?”

Everyone was surprised to see Star Country’s powerful lineup.

It has never been before...

“I heard that Sanxing Group has created a batch of genius seedlings through genetic modification and other technologies!”

“I heard that Sanxing Group has combined the ancient cultivation methods of various countries with modern scientific and technological biotechnology. , To cultivate more and more powerful people! Sanxing Group’s ambitions are great!”

“Even they are still studying the technology of transforming bloodlines, once they are born, they will have the same talent and super strength as a superpower!”

.....

After hearing the explanation, everyone instantly understood what was going on.

“And Dong Dao this time is super terrible! It is said that the inheritors of the ancient forces and strong people who exist in Dong Dao legends are here, and they are much stronger than before!”

“No way, Dong Dao royal family Personally go to the East Island to ask the ancient powerhouses to come out! That’s why they agreed to send the strongest genius out!”

“It shows how confident they are in this!”

This time the East Island and the Star Kingdom are well prepared. !

They are all aimed at the strongest!

When everyone in Erudia heard this, their hearts were ashamed, and they became more desperate!

Erudia was originally a situation that no one could do!

The forces of the East Island and the Star Kingdom are fully prepared again, and they are coming fiercely!

This time Erudia will not only lose its dominant position, but also lose face!

Everyone in Erudia can no longer look up!

The face and reputation are completely gone!

Everyone will mention things like this in the future, just like walking dead!

When you see people from other countries, you can only go around!

Not only that, the abolition of these genius seedlings means that Erudia's future is ruined!

The future will not be comparable to the martial arts circles of these countries!

Will be crushed by others!

Everyone in Erudia present was lifeless, with a face like water, and they didn't even breathe for the atmosphere.

The meaning of this Tianjiao conference is to silently wait for the humiliation and jokes to come!

"Huh? As the host, Erudia, why haven't you seen Erudia's Tianjiao appear?" At

this time, someone brought the topic to Erudia.

Others said: "Yes, Erudia is the strongest ever! I also heard that they have produced a genius that has been rare in thousands of years, only a few years old! The potential has reached the highest level of Tiance Mansion!"

"Not only So, the Erudia Earth Ranking is announced, and the top three of the earth rankings are the strongest in history!"

“Yes, Erudia is number one again this time? We should come again for nothing? Ha ha ha...” In the end, almost Everyone is laughing.

All deliberately!

Knowing that Erudia’s strongest genius has been abolished, and the top three lives and deaths are unknown, and the whereabouts of them are unknown, I said so...

Everyone in Erudia felt uncomfortable and angry!

Is there any way?

Others are specifically designed to target, this is cutting off Erudia’s hope for the future!

“People are the host, so naturally they will be the finale! Let’s wait!”

Time passed by one minute and one second, and it will soon be the time for the Tianjiao Conference to start.

All the next geniuses blindly select groups and draw their opponents!

All the geniuses are here.

Only Erudia’s geniuses are left out of the show!

Everyone in Erudia was sweating in a hurry one by one!

“What about the people? Why haven’t they come out yet? Deliberately let everyone wait?”

Everyone began to urge.

“Can’t hide, bring everyone up!”

Tiance Mansion ordered, calling all the geniuses they recruited forward.

When seeing these mediocre people, everyone laughed...

## **The Return of the God of War [The Protector] Chapter 1943**

Even Dongdao, the geniuses of Star Country were suffocating smiles.

Erudia is indeed a situation that no one can do!

Although their plans have been completed, the East Island forces will still worry about a reversal at the last moment!

For example, suddenly a large number of geniuses appeared!

In that case, everything they did would fall short.

Although this possibility is very small, it does not rule out the possibility!

They even thought about a possibility!

Tiance Mansion and Baolong clan will send their geniuses out to participate in the competition!

The other party released a message saying that these no longer belong to Tiance Mansion and do not belong to a country's ancient military organization.

You can participate at will!

Although this behavior is shameless and despicable!

But it is also possible!

Of course, Erudia, who has always been righteous, would rather lose than do it!

But when they saw Erudia's appearance, they were relieved.

This possibility does not exist!

They can rest assured.

"What are these all about? Is this not worthy of other people?"

"Should we not send out the strongest Tianjiao? Why are they all crooked melons?"

"Yeah, what is Erudia doing?"

...

The voices of cynicism and sarcasm sounded.

Obviously they knew what was going on best, but deliberately asked like this.

Obviously, Erudia won't come to Taiwan!

"If Erudia is so perfunctory, I am afraid it will be the last one!"

"Is this rubbish also worthy of our opponent?"

"Erudia is going to bear the title of a sick man in the East, right?"

... The

other Tianjiao looked proud and looked down upon Erudia's people at all.

But everyone in Erudia dared to be angry but didn't dare to speak!

There is no other way but to let others arrogant!

Who told you that there is no one who can fight here!

Be beaten if you fall behind!

Be ridiculed if you fall behind!

As the host, the talents of Tiance Mansion who are in charge of the Tianjiao conference are irrelevant!

They can't wait for the Tianjiao conference to end soon!

Staying here for a second is torture!

From now on, the Erudia martial arts world will be black and white, without a trace of color!

“Well, this time to participate in the Tianjiao Conference, each country and region will select the top 100 geniuses to participate!”

“Huh? There is an accident. There are only 67 people in Erudia!”

...

this message As soon as it came out, the audience was in an uproar!

Suddenly, Tiance Mansion and everyone's faces lost their brilliance!

Shame!

They can only get so much together for a long time!

I can't even find anyone who can compete normally!

What a shame!

Immediately, the laughter started loudly: "Hahaha...you don't understand, this is Erudia for us!"

"Yes, Erudia is so many, that is what we can compare? They just send it out to crush Ours!"

"Erudia, please don't let us!"

...

the voice of cynicism was everywhere.

All parts of the world have to celebrate the scene of Erudia's deflation!

Before the conference started, I lost my face!

But this is only the beginning!

There will be more embarrassing moments in the next...

Everyone in Erudia clenched their fists tightly, and this nasty breath was about to suffocate people!

“Since there is no objection, then the conference will begin!”

...

“We have no objection!”

“We have no objection either!”

“I wonder if Erudia has any objection?”

.....

Pointing at Erudia’s side, everyone looked over.

The leader can only bite the bullet and promise: “Neither do we!”

“Well, if there is no controversy, let’s officially start!”

But at this critical moment, a different voice sounded.

“I have objections!”

A peerless genius in the East Island team stood up.

He is Hojo Yoshido, Higashishima Tianjiao ranks in the top three.

“I think Erudia these people are too weak, are there no one? Send these wastes to let them all withdraw from the Tianjiao Conference, right?”

## **The Return of the God of War [The Protector] Chapter 1944**

A word provokes a thousand layers of waves!

Everyone’s eyes are on Hojo Yoshidō!

Everyone was ridiculing before!

Unexpectedly, this time Hojo Yoshidō directly and mercilessly slapped his face and insulted!

Hojo Yoshidori looked at the geniuses sent by Erudia, he sneered: “Just this bunch of rubbish waste, I can kill them all with one finger! If Erudia really can’t send people, let’s quit collectively! Why should it be so embarrassing?”

Others echoed: “Yes, don’t send out ashamed at this level, they are not worthy of our opponents!”

“Yes, we strongly request Erudia to withdraw from this Tianjiao conference! They are not worthy at all!”

“Yes, our star country also asks them to withdraw from the conference!”

“We also ask!”

...

everyone expressed their attitude one by one!

Everyone in Erudia was stunned!

I originally felt that it would be a great shame to be cruelly abused after the conference began!

Unexpectedly, there is even more shame!

They even let Erudia lose the qualifications to participate in the conference!

Had to force Erudia to withdraw from the conference!

This is what everyone in Erudia didn't expect!

“What do you think of the Great Summer Policy House? Look at the people you sent out, they are all rubbish! Even if you only get abused and humiliated

on the court !” “Rather than being abused on the court, it's better not to participate! It can still save Erudia a trace of face! “

Yeah, is Erudia shameless? Don't participate at all!”

...

Everyone began to ridicule and laughter again.

Everyone in Erudia is bleeding! ! !

Especially those geniuses who were selected temporarily, clenched their fists, their complexion flushed, and they shouted unconvinced: “We are not afraid! You are not allowed to insult us like this!”

“Yes, no one can insult us!” We!”

...

Hojo Yoshitō looked at everyone with disdain and said: “Just you? Let’s go together!

Before the conference starts, I will clear you up first!” “You’re looking for death!!!” Hojo

Yoshitaka Dao’s words completely angered these young people in Erudia, and they madly killed Hojo Yoshido.

one by one!

They have taken out what they have learned all their lives, coupled with anger, and their combat effectiveness has increased horribly!

But the result is obvious!

The gap is too big!

Hojo Yoshitou can fight against the Erudia Di Bang Tianjiao Neng!

It’s not like these pieces together!

“Puff!”

“Puff!”

“Puff!”

...the

ones who rushed up flew out one by one!

Within a few minutes, all of Erudia’s more than 60 people fell to the ground, groaning in pain!

Their faces are distorted and hideous, but there is nothing they can do about it!

Not as good as humans!

Can’t beat it at all!

At this moment, the audience burst into laughter.

Everyone else was laughing, making no secret of mocking!

As for Erudia, everyone is dumbfounded!

The conference hasn't started yet!

More than 60 people they singled out were killed by Hojo Yoshido!

This time is completely over!

No one can go to the conference at all!

Make a bigger joke!

Easily killed by one person!

shame!

Great shame!

This is even more humiliating than losing at the conference!

At this moment, the real shame is coming!

Erudia will never be able to raise her head from now on...

Especially seeing other people's ridicule and insults, everybody's blood surged, almost fainted one by one.

Hojo Yoshitō stood on a high platform with his hands on his back, and after scanning a circle, he said disdainfully: “Look, I’m right! A bunch of waste, I can crush it alone!”

“Yes, a bunch of waste, Is it worthy to be our opponent?”

everyone agreed.

Hojo Yoshitō arrogantly shouted: “Is Erudia really no one?”

“Who said I am no one in Erudia?”

Suddenly a voice sounded.

In the distance, Levi Garrison appeared.

Behind him was a group of people...

## **The Return of the God of War [The Protector] Chapter 1945**

With this earth-shattering sound, tens of thousands of eyes glanced over.

Levi Garrison?

Seeing him, everyone was stunned!

No one thought that everyone’s common “enemy” appeared at this moment!

However, Levi Garrison is not the protagonist!

The real protagonist is behind!

“God, this is the practice of Erudia Southern Realm Genius Yin! Tianjiao ranked eighty-nine in Erudia!”

“This is North Realm genius Zhang Donglong! Ranked 67th Tianjiao!”

...

“This It turned out to be the twentieth genius on the Erudiadi Ranking!”

“This is the thirteenth genius

on the Erudiadi Ranking!”

“The ninth on the Erudiadi Ranking!” “The eighth on the Erudiadi Ranking!”

...

” Hiss!”

The sound of everyone’s gasp was endless!

Is this dreaming?

When the gaze fell on the three of them, everyone in the room went crazy, and their eyes flew out.

The top three on the list all appeared...

horrible!

The third mid-autumn in the Erudiadi ranking!

Zhongqiu is the strongest woman on the Erudia Di list!

Fu Jia has the title of Fairy Fu, and Zhong Qiu is the nickname Valkyrie!

It shows how strong she is!

The first and second place on the list are brothers, known as the strongest Gemini!

They have mysterious origins, and they are secular disciples of the ancient Shushan line!

It's so outrageous!

Was jokingly called the descendant of the sword fairy!

Gemini and Valkyrie are naturally the top three strongest places ever!

If you add Levilia , it will be unimaginable!

Therefore, the geniuses of Erudia this year are the thorns in the eyes of the East Island and other major forces!

They will use all means to get rid of it!

...

But when everyone thought it was stable and there was no one in Erudia to leave, Levi Garrison actually brought them here!

Shocked!

terror!

shocked!

Almost everyone present was dumbfounded!

No one thought that such a situation would be discovered!

dream!

It must be a dream!

This is the thought in everyone's mind!

They don't want to believe what they see before them!

It's not just that they don't want to believe it, not even Tiance Mansion and all the Erudia people present!

How is this possible?

How could Erudia's strongest Top 100 Tianjiao appear?

Haven't they been abolished?

Wu Mai was forcibly destroyed and it was impossible to cultivate, let alone an ordinary person!

How can they come?

There are also the top three in the list. Under various pursuits, whereabouts are unknown, life and death are uncertain...

How come they all appear here!

Tiance Mansion has been searched for a long, long time, and I haven't even seen any hairs.

How did they show up?

unimaginable!

All the people present looked incredible at the scene before them, and their expressions were frozen, like stone statues.

For a while, everyone couldn't react!

After all, this is unimaginable!

"Is it the one who said that there is no one in Erudia?"

Levi Garrison's voice sounded, which brought everyone back to reality one by one.

Gemini lifted a chair behind Levi Garrison, and Levi Garrison sat down.

Everyone is stable, and their faces are still shocked!

Really!

All this turned out to be true!

Now that everyone does not accept it, everyone has to accept it!

The hundreds of arrogances of Erudia are here!

The foundation of Erudia's future is here!

The most important thing is that all Tianjiao's bodies have recovered!

The auras are like dragons, and the sea of blood is surging, where is there a little bit of wounded martial art that has been abandoned?

And the top three in the rankings didn't mean that he was seriously injured?

One by one, like a okay person!

How is this going?

For a while, people from East Island, Star Kingdom and other countries were all gray and pale, and even their legs trembled!

Standing on the high platform, Hojo Yoshido, who had just pointed the country, the arrogance on his face was completely gone, his calves were trembling constantly, and he was about to lose his footing!

He swallowed his saliva!

Unexpectedly, he arrogantly shouted like this...

this, this...

this is a fierce kick on the iron plate!
