

The Return of the God of War [The Protector] Chapter 1946

Can't get off the stage!

Hojo Yoshitō's legs are now weak, and he doesn't have the strength to get him down!

Looking at the audience, Erudia Hundreds of Heavenly Pride looked at him all together, Hojo Yoshido's face was full of horror, and the desire to die was all there!

"Who allowed you to be arrogant on Erudia's site?"

"How dare you say that Erudia has no one?"

...

Hundreds of arrogances all asked, the momentum was soaring, and the sky was obscured and left !

"Puff!" Hojo Yoshido

couldn't bear the pressure at all, and fell directly to his knees, just like a frustrated balloon.

terrible!

too frightening!

Everyone present was so scared that their faces were pale, and they didn't dare to say a word!

Erudia's Tianjiao are too strong!

Not only that, someone soon discovered a big problem!

Become stronger!

Erudia's hundreds of arrogances not only recovered their martial arts, their strength also increased a lot!

Some even greatly enhanced!

Even the top three strengths of the rankings are advancing by leaps and bounds!

What have they experienced?

Together with other countries have discovered this problem!

Not only have they all recovered, they are also stronger than before!

disaster!

It's like a disaster for them!

What is going on here?

Ok?

In an instant, everyone looked at one person-Levi Garrison.

Whether it is from other countries, or Tiance Mansion in Erudia.

They all looked at Levi Garrison!

These arrogances are brought by him!

Then he solved all the problems!

He repaired hundreds of Tianjiao martial arts!

He found and cured the top three in the list!

He taught everyone to improve their strength!

.....

Every question can be solved at once!

Many people remembered that sentence—you can always trust that man: Levi Garrison!

“Okay, don’t froze! Everyone is here, let’s start the conference!”

Levi Garrison couldn't help but urged.

He looked at the great arrogances again and shouted: "Don't be ashamed of me!"

"Teacher, please rest assured, I will wait for my mission!!"

Erudia Hundreds of Heavenly arrogances all bends over and said, their faces are right. Levi Garrison's awe!

"Hiss!" There

was another sound of cold breath.

A moment ago, everyone was amazed for the Tianjiao!

Now I am amazed by Levi Garrison!

Everyone in Tiance Mansion was dumbfounded!

They never expected that Levi Garrison would save Erudia in the end!

It is Levi , who regards them as the enemy's demon!

The last hope is him!

Tiance Mansion and those self-proclaimed decent people bowed their heads, their faces extremely ugly!

I didn't dare to look at Levi Garrison again!

After Richard and others, who were following the Dongfangzhou Tianjiao Conference, knew that Levi Garrison had appeared, all of them went crazy!

Their plan was ruined by Levi Garrison again!

It was so perfect that Erudia fell into a passive situation, and Levi Garrison was broken again!

hate!

Hate it!

Levi Garrison, you must die!

The leaders of the East Island forces who planned all this are going crazy!

All the Tianjiao from various countries present were ashamed, bowed their heads and began to participate in the Tianjiao Conference!

The Dongfangzhou Tianjiao Conference is starting to draw the teams level by level!

After fierce battles, everyone was amazed!

Don't think about the result!

The Tianjiao of Erudia has swept all over the world with a crushing momentum!

In the top ten, Erudia took up seven seats!

The first hundred accounted for 68 seats!

There is basically no sense of existence in other countries!

The two sides are not at the same level at all!

In the end, the Tianjiao Conference came to an end, and Erudia won again!

According to the rules, the talents of other countries in the Eastern Continent must be restrained by Erudia!

At this moment, thousands of people in Erudia are cheering!

They won again!

Because Levi Garrison was a descendant of the Heretic God before, Tiance Mansion temporarily suppressed the news.

There is no Levi Garrison in the external statement!

“You owe Teacher Ye an apology!” But

Hundreds of Tianjiao refused to agree.

The Return of the God of War [The Protector] Chapter 1947

Levi Garrison did everything alone!

Repair hundreds of Tianjiao’s martial arteries, find and heal the top three seriously injured places!

It is to save Erudia from danger and fire!

...

As a result, when he announced his achievements, Levi Garrison didn’t even have a name!

Everything became Tiance Mansion and theirs...

In fact, Tiance Mansion also wanted to announce Levi Garrison, but Levi Garrison still carried the reputation of the descendant of the Heretic God.

It was Tiance Mansion who did it himself...

If Levi Garrison’s achievements were announced at this time, it would be equivalent to Tiance Mansion hitting himself in the face!

In any case, the face of Tiance Mansion is here!

In fact, many of them are guilty of death!

But for the sake of face, I can't tell Levi Garrison's involvement in it for the time being!

Fortunately, Levi Garrison didn't take this as the same thing!

After all, Erudia's strongest ancient martial arts organization needs to face normal!

He also wants to keep a low profile!

If there are too many things, there will be too much trouble!

Hundreds of arrogances are hard to settle!

During this time, they had already treated Levi Garrison as a teacher!

It was Levi Garrison who gave them the hope of rebirth!

Just like Xiao Feng and the others at the time!

The matter was over, but Levi Garrison's danger index in the eyes of the major forces increased again!

Become a confidant of everyone!

"Once again, do you know

how terrible Levi Garrison is ?” In the video conference, Richard repeatedly emphasized how terrible Levi Garrison is!

The leaders of the East Island forces are all lifeless!

Everything they carefully arranged was shattered!

Not only failed to get rid of Levi Garrison, but instead allowed him to gain the power of the Heretic God, it seems that he is stronger!

“Levi Garrison must die!”

Everyone gritted their teeth!

Isn't Richard Richard?

He suffers too much from Dong Dao!

“Next, we need our sincere cooperation! No longer plan other things, just plan one thing-how to kill Levi Garrison!”

Richard again sent out an invitation.

“Well, we agree! Now it seems that nothing leaves as well kill monarchs important!”

“Ah, this time we rely on their own to kill him several times to kill the leaf using the other monarchs do not fly!”

In Chad suggested.

“Understand, we listen to you! Next we do it ourselves! It is much more reliable to take the opportunity in our own hands than others!” The

two sides reached a cooperation again!

The two sides really have to show their hole cards to kill Levi Garrison!

When the East Island forces had plans for Levi Garrison, Levi Garrison and Tiance Mansion were all staring at them.

Although Tiance Mansion didn't say it verbally, he already believed that Levi Garrison was framed!

After analyzing before and after, and then looking for clues, I soon knew that there was a force targeting the frame!

Especially the Tianjiao Conference, it almost showed the East Island forces and them.

regret!

Endless regrets!

They never expected that the enemies from all sides would do so many things during this period of time.

And their attention is all on Levi Garrison!

“We do owe Levi Garrison an apology!”

“But Levi Garrison is too strong, right? Fortunately, he is not an enemy!”

“It is a blessing to have Levi Garrison here! It’s a blessing to have Levi Garrison here! You see things that Tiance Mansion didn’t solve, he solves it. That’s it!”

...

For Levi Garrison, no amount of praise can be overstated.

But Levi Garrison didn’t care about these.

He is more busy with other things.

As a result, he sent all his subordinates to stare at the East Island forces, especially from Hao Yuxuan to make significant progress.

There is also the West Heavenly King looking up what Richard and the others took away from Erudia...

In addition, Levi Garrison is studying ancient books and looking for a cure for Zoey.

Can’t the two of you never see each other forever?

On this day, Levi Garrison was studying ancient books.

Suddenly he received a message for help!

Someone is going to have a big deal...

The Return of the God of War [The Protector] Chapter 1948

“They turned out to be them?”

Levi Garrison was surprised to find that the distress signal was still sent by Fu Jia and Ning!

“Master, why do these two juniors bother you?”

Seven Evil Gods.

“No, it seems that things started because of me, I’d better go and take a look!”

Levi Garrison said.

At the same time, he also needs to walk around...

“The matter is urgent, I will set off immediately, you don’t need to follow!”

Levi Garrison set off alone.

It turned out that after they went back, Fu Jianing ignored Lin Tianlong, especially Fu Jia proposed not to meet Lin Tianlong again.

Lin Tianlong furiously told them about their friendship with Levi Garrison and told Fu Jianing that they were still behind them!

Even Lin Tianlong added fuel and jealousy, saying that the two even had a relationship with Levi Garrison.

These Tianjiao did not participate in the Dongfangzhou Tianjiao Conference, and they and the forces behind did not know what happened to the Tianjiao Conference.

I still think that Levi Garrison said that the Heretic God is a descendant!

Fu Jia and Ning still have a good relationship with Levi Garrison, even if they are married to each other, then they have committed a big taboo!

The heirs of the decent and decent forces, and the heavenly arrogant who is called the fairy, turned out to be the wives and concubines of the descendants of the Heretic God!

It's a shame to spread it out!

Especially those old stubborns in the forces, they think this is a great shame!

As soon as this matter came out, none of them could gain a foothold in the Erudia martial arts world!

What are their faces?

So they will still impose severe punishment on Fu Jia and Ning!

Put them to death in front of all the forces!

Only in this way can we wash away the shame!

Ning still sent a help message to Levi Garrison at the last minute!

Somewhere in the quaint manor in the south.

Thousands of people stood, looking at the two girls kneeling in the field.

It is Ning still and Fu Jia!

The forces that the two belong to are actually a combination of eight or nine ancient families!

The more this kind of ancient family, the more care about fame and face!

Especially when I heard that the two Tianjiao Tianjiao were no longer big girls, they almost exploded in anger!

In addition to Lin Tianlong's added oil and jealousy, they must execute two people.

Still use the method of burning, which means burning shame with fire!

The two people knelt in the field, surrounded by firewood, surrounding them tightly.

Looking at this scene in the distance, Lin Tianlong looked refreshed!

The person he likes most is dying, but he doesn't look sad at all.

What he can't get, it's better to ruin it!

This way he won't be in pain!

"Fu Jia, Ning still, I will ask you two, did you lose yourself in Levi Garrison?"

a majestic woman asked on the high platform.

Fu Jia and Ning still shook their heads: "No!"

"You fart, who in the world doesn't know what happened between you two and Levi Garrison? You still don't admit it?"

"Not to mention Tianlong saw it with his own eyes! Bring you back to his room! Still arguing!"

...

everyone scolded.

Fu Jia and Ning still can only shook their heads: "We don't! There really is no such thing!"

"Okay, let's not mention this thing! Let's talk about the next thing!"

“Fu Jia, Ning still do you know whether you are wrong. ” the

old woman asked.

“Why are we wrong?” The

two men looked blank.

“You two have a good relationship with the descendants of the Cthulhu, and you are in the same relationship with the power of the Cthulhu! Even I heard that when Levi Garrison is in distress, you are actually worried for him!”

Fu Jia’s expression changed and nodded: “There is indeed such a thing. We did worry about him!”

As soon as Fu Jia said this, everyone’s expression changed drastically.

Lin Tianlong also clenched his fists tightly.

The blue veins violently violently, and his complexion is grim.

Fu Jia’s voice continued: “But Levi Garrison is a good man, he is not a descendant of the Heretic God... He...”

Fu Jia and Ning were still explaining what they saw Levi Garrison.

“Outrageous, at this time you are still giving him sophistry! Burn them to death!”

The Return of the God of War [The Protector] Chapter 1949

“Come on, we are not wrong! Burn us to death!”

But the more they said this, the more irritated everyone present!

They are well-known and righteous, but the best children in the family try their best to justify an evil spirit outside. How can they not be angry?

“Wrong, you guys?”

everyone shouted angrily.

Fu Jia held his head high and shouted in front of many people: “I’m right!”

“Yes, all of you were just deceived! Levi Garrison is definitely not a descendant of an evil god! How else would we come back alive?”

Ning still agreed. .

“It’s stubborn, it’s useless to say more! Burn them to death!” The principal gave an order.

Someone is going to set fire immediately!

“Boom!” The

flame suddenly rose three feet...

“They have been assimilated by Levi Garrison, and only the flame can burn their sins!”

Lin Tianlong said in a low voice.

“I think you are outside the evil spirits, right?”

Suddenly, a sound came from a distance.

“Boom!”

At the same time, a gust of wind swept in, blowing out the blazing flames.

An eternal figure fell from a distance.

Levi Garrison!

When they saw Levi Garrison, Fu Jia and Ning still showed ecstasy, almost screaming in excitement.

At the same time, the girl's ignorant sentiment is mixed in it!

The hero in their minds is here to save them!

“What? Levi Garrison!!!”

This title alone is enough to make everyone present fall into fear!

Levi Garrison, who was helpless even in Tiance Mansion, what could they do.

For a time, thousands of people looked at Levi Garrison in horror.

Although Lin Tianlong was angry, he was more afraid!

How powerful Levi Garrison is, he knows!

Levi Garrison came to Fu Jianing and still in front of the two of them: "Get up, who dares to make you kneel!" The

two followed Levi Garrison and stood up.

This behavior angered their family again!

"Okay, you two scum! I'm angry with this evil demon!"

"From now on, you are expelled from the clan master! You two are our greatest shame!"

...

Levi Garrison laughed: " You keep talking about evil spirits, I think you are the biggest evil spirits, right?"

“If you don’t figure out the situation, you will punish your own people wantonly! You also burn the criminal law with cruel fire! Is the right that gave you the right to let you do this?”

“We...” The

few people just wanted to get angry, but they were shocked by Shang Levi Garrison’s fierce gaze.

“This is our family affair, it is beyond the turn of others to take care of it! You can’t control how we treat them!”

an old woman said angrily.

“? Oh, I’m not in control,”

Ye monarchs sneer: “Your family is yes you can in the big summer, each of you who are big summer you do can not transcend the big summer!!?”

“You treat My family is so cruel, can you imagine how cruel it would be to treat outsiders?”

“You!!!”

Everyone was very angry with Levi Garrison.

“But what does Levi Garrison have to do with Erudia? You are the opposite of Erudia! You are the evil god! What qualifications do you have to say?”

“Say we are cruel? Don’t obey Erudia’s rules? You yourself What? The descendants of the Heretic God, you and your subordinates don’t know that you have done too many cruel things! Do you still have the face to talk about us?”

“Yes, Levi Garrison, you are the least qualified to say this! You thought you were side by side. King?”

.....

Lin Tianlong and everyone shouted immediately.

This posture is about to swallow Levi Garrison!

“Levi Garrison, we admit that everyone on the scene can’t beat you together! But you don’t want us to succumb! You big demon!”

Levi Garrison smiled, not at all angry about it.

Ning still and Fu Jia are very anxious, wanting to rectify Levi Garrison’s name!

At this moment, a huge movement came from outside the villa...

The Return of the God of War [The Protector] Chapter 1950

“Who said that my teacher is the demon?”

A soft voice came, and a fairy-like figure descended.

Valkyrie Zhongqiu!

That cold temperament topped the audience!

Fu Jia and Ning still saw Zhong Qiu, and they looked envious!

This is their most envious peer!

“Who said our teacher?”

Two tall figures came.

The strongest Gemini!

Subsequently, the sixth, seventh, and eighth rankings appeared one by one.

Hundreds of people stepped into the arena one by one.

Hundreds of Erudia’s strongest Tianjiao are here!

“This is the first and second Gemini? This is the third Zhongqiu? This is the fifth...”

Ning still and the people behind Fu Jia are well-informed, and the famous Tianjiao on the list are all understanding.

Especially Lin Tianlong knew all about it.

After all, Erudia's Tianjiao are his competitors!

He is more familiar than anyone else!

"What are they doing here?"

This is everyone's question.

With so many arrogances, what are they doing all of a sudden?

Something?

Just as Lin Tianlong was about to ask, these hundreds of arrogances stood behind Levi, bowed together, and respectfully shouted: "Teacher Ye!!!" The

voice was shaking, and the momentum was like a dragon. Like a tiger.

The entire villa was reverberating with waves, wave after wave...

Lin Tianlong and everyone present were dumbfounded.

Even Fu Jia and Ning are still dumbfounded!

When did Levi Garrison become their teacher?

The whole audience was silent!

It took a few minutes for Fu Jia and the others to react one by one.

Looking at Levi Garrison incredulously.

His face was full of doubts.

Want to know why?

Gemini stood at the forefront, scanning the audience: "Who said that my teacher is the devil?"

"Teacher? Are you wrong? This is a descendant of the Heretic God, the first-class demon, how could it be? Your teacher?"

"Yes, are you crazy? You came here to find a teacher?"

Hearing this, Zhong Qiu sneered: "Keep saying that Teacher Ye is a great demon, what has he done that hurts the world? Give an example!"

"This..."

Facing the questioning, everyone wanted to give an example of Levi Garrison. All kinds of evil deeds.

But I found that there was no way to talk about it... For a

long time, I had heard that Levi Garrison was a descendant of the Heretic God, but the specific things were really unknown.

Everyone has never thought about this issue.

Thinking about it now, I was shocked.

“It seems...it doesn't seem to...”

“Yes, it doesn't seem to be true!”

...

Everyone was shocked in a cold sweat.

The big devil has never done anything evil?

Zhong Qiu sneered: “Next, let me tell you what Ye Teacher did...”

Zhong Qiu told everyone the truth one by one.

“What? It turned out to be him? It was he who saved Erudia again from the water and fire?”

“Which other peerless heavenly doctor is also him!”

“Even the power of the evil god has changed from evil to good? The evil god of blood does not consume human blood anymore. Does the evil god of poison do not use people to test poisons?”

...

One by one is going crazy!

It turns out that Ning still and Fu Jia were right!

Levi Garrison is really such a person!

“Lin Tianlong, ask yourself, if Mrs. Ye is really a big murderer, do you think you can survive?”

Zhong Qiu looked at Lin Tianlong again.

“I.....”

Lin Tianlong’s face changed, and he faltered for a long time, unable to say anything.

This is indeed the case!

Levi Garrison is really a demon, he’s such a small person, it’s not enough to die hundreds of times.

Can you come back alive?

Wishful thinking!

At this moment, everyone knows the truth!

Especially Ning and Fu Jia and their families are proud of their daughter.

It is a blessing to be able to make friends with such a big person!

After handling the matter here, Levi Garrison decided to leave.

“Teacher Ye wait a moment, I have something important to tell you!”
