

The Return of the God of War [The Protector] Chapter 2011

The Yamaguchi Consortium was destroyed.

The Black Sun organization was speechless.

The forces of Emperor Yoshikawa Yonghui were destroyed, and the Black Sun organization was going crazy.

how come?

In their expectation, no matter how strong the Commoner Killing God is, it will not destroy these two forces?

But this is indeed the case.

If they don't accept it, they have to accept it.

"At present, the strength of Commoner Killing God is unknown! We don't know what cards he has! So the remaining six of us must unite! We can't let Commoner Killing God destroy one by one! We can't afford to lose!"

"Yes, we lost dead." It doesn't matter! The key is to lose the face of the Black Sun and the face of Dongdao!"

"We can't let Levi Garrison make a noise in the Heavenly Palace like the previous War Eagle Nation, but there is nothing we can do!"

"From now on we have to put away the right Commoner Killing God's contempt! No matter what he is, we must first punish him!"

...

At the suggestion of the Watanabe clan, all the remaining forces of the Black Sun united.

Five great ancient martial arts families and advisors are united.

That's pretty scary!

The fact that the commoner kills the four superpowers in the East Island quickly spread all over the world!

The popularity of Common Killer God has skyrocketed!

Gradually have the momentum to replace Levi Garrison!

At this time, Tiance Mansion Tianji Pavilion updated the new big summer list.

The Common Killer soared directly from fifth to second!

Overtake Nandi and Zoey in one fell swoop!

What he did was too influential.

Simply unstoppable!

Everyone in Erudia found comfort in Common Killing God.

I hope he can replace Levi Garrison and become the pillar of Erudia.

The commoner who knew all this laughed at himself and laughed at himself.

“Hey! I didn’t expect the peak moment of my life to be fake!”

Levi Garrison also smiled: “The peak? It hasn’t arrived yet! At least the whole black sun must be uprooted, right?”

Commoner killed the gods. The news spread more and more widely.

Even Richard began to notice him.

Thoughtful, he started investigating Commoner Killing God.

But there seems to be no problem after checking.

“Continue to pay attention! I’m going to see the results of the experiment!”

This day is the official start of the restoration of Xu Zhengjie’s experiment.

.....

In the expectation of everyone, the first formal experiment was successful.

Although nine of the ten people who participated in the experiment exploded and died, not even a scum was left.

But one person succeeded.

Although it was only a low-profile version of Xu Zhengjie's pure energy body, it was considered a success.

Only this low-profile version is now out, it can also stir the world, and it is difficult to kill.

Richard and the Lab of the Gods began to cheer.

Then, as long as they improve and continue the experiment, they will be able to completely restore Xu Zhengjie's experiment.

Richard couldn't help thinking of something, and said: "By the way, did you find the person you were looking for?"

"Mr. Richard, all the people have been found and brought!"

Richard Yin smiled: "Okay." , Recently strengthened their physique! I want them to become the best experiment! I want them to succeed in this experiment! How to do it, don't I need to tell you?"

"Understand! I must do it!"

Thinking of future plans , Richard couldn't help but smile.

“Levi Garrison, Levi Garrison, you are so lucky! You didn’t see Xu Zhengjie’s pure energy body! You didn’t see the pure energy body that I restored next!”

“I really want you to come back to life and pure energy. Get a good fight and see how long you can hold it?”

...

Levi Garrison, who was worried about, couldn’t help but sneezed.

“Is Richard you? Don’t worry, it’s coming to you next!”

Levi Garrison smiled.

At this moment, he and Common Killer are heading to the headquarters of Black Sun.

The Black Sun organization has gathered all its strength.

Even the masters are coming to Edo Castle from all over Higashishima.

Even the masters on the Dongdao Sun List are dispatched...

The Return of the God of War [The Protector] Chapter 2012

The sun list of Dongdao is equivalent to the sky list of Erudia!

Although the sun list is generally not as good as the big summer list.

But this is also a list of all the strong players in the East Island.

The strongest samurai, the strongest onmyoji are among them.

At the invitation of the Black Sun organization, many sun list powerhouses have come one after another.

The Black Sun organization is even more powerful.

The advisor family Watanabe clan!

Taiyin Shrine.

The Beidao tribe, the clothing tribe, the Yechuan tribe, and the Jiuye tribe have all gathered.

Only the Liu Sheng clan remained unmoved!

Hao Yuxuan understood that the Liu Sheng clan did not move.

That's because the Liusheng clan is too powerful!

It is not an exaggeration to call it the first force on the East Island.

The Liusheng clan is called the Sword Saint clan!

Rumor has it that the Liusheng clan has an extraordinary sword master!

Not to mention how brilliant the Liusheng clan was in the past!

The ancestors are also famous ancestors, swordsmanship, and become a new swordsman!

The sword shadow of Liu Sheng, the first genius of the Liu Sheng clan, was terrifying to the extreme!

However, at the age of more than 30 years, Liu Sheng Jianying is already No. 1 on the Dongdao Sun List!

Known as the Little Sword Saint!

Many people in Dongdao compare Liu Sheng Jianying with Levi Garrison!

There is even such a conjecture in Dongdao, who is better than Levi Garrison and Liu Sheng Jianying?

In addition to Liu Sheng Jianying, the Liu Sheng clan is a master like a cloud!

The strong with nearly half of the sun list!

Therefore, no one of the Yanagis dare to order, and the Watanabe clan can only inform and discuss, and absolutely cannot order.

The Liu Sheng clan hasn't moved for a long time because they disdain to unite with so many forces.

Combining with other forces is slapping them in the face.

They are a clan of dignified sword sages, and they don't hesitate to join forces with others.

What's more, in their opinion, their Liusheng clan is enough to deal with a common killer god.

No, there is no need for a family to send out to kill the commoner.

Liu Sheng Jianying alone is enough!

Each of the Yanagyu clan is extremely proud!

Once Liu Sheng Jianying even let out a rhetoric, he could kill Levi Garrison alone.

Therefore, in the action against Levi Garrison on Golden Harbor Island, the arrogant Liusheng clan did not send anyone.

This is their arrogance!

In the headquarters of the Black Sun organization, almost all the masters gathered.

This basically brings together all the power in the world of Higashishima Budo.

"I just got the exact news, the Yanagyu family will not take action!"

Several members of the Watanabe clan smiled: "We expected it a long time ago!"

“By the way, Mr. Richard just sent a message asking if he needs his help. He said he is our eternal ally!”

“Hurry up and send a message to Mr. Richard! Just say thank him for his kindness! We can solve this little trouble by ourselves! If this can’t be solved, we will lose face!”

...

“From now on, we are waiting for the commoner to kill God! I guarantee he can’t get out of here!”

The masters present sighed.

I want to compete with Commoner Killing God.

Levi Garrison has come to Edo City with Common Killer.

“According to the secret spy news, Mr. Garrison has gathered the major forces of the Black Sun Organization and is waiting for us to go!”

“However, the strongest Liusheng clan has not acted yet. They have not moved yet! According to the source, they disdain. Join forces! We must solve us alone!”

... The

Common Killer read out the collected news.

Levi Garrison touched his chin and asked, “I want to ask where is Qiang?”

“At present, the Liusheng clan is stronger! They not only have the sword shadow of Liusheng, but it is said that there is also an ancestor alive! That is the Juggernaut of East Island!”

“Even if there are many masters gathered in the Black Sun headquarters, it is useless! They can’t stop it! Live these two people!”

Commoner Killing God explained.

Levi Garrison thought about it, and couldn’t help saying, “Okay, go directly to the Liusheng clan! Get out of the strongest first!”

Commoner Killing God was stunned for a while.

Is it so casual?

Why is this kind of thing as simple as eating and drinking here in Levi Garrison.

The Return of the God of War [The Protector] Chapter 2013

Who makes people like a god-like powerhouse?

At this moment, Commoner Killing God is so envious!

He silently vowed to become stronger.

I also want to reach the realm of Levi Garrison!

Act like him!

“Mr. Garrison, you may not know that this Liu Shengjianying repaired the Red Dust Sword!”

said the Common Killer God.

“Huh?”

Levi Garrison was taken aback.

“Sword Shadow of Liu Sheng has always been in the dust. He hangs around in various places of wind and moon all year round. It is a famous s*x monster! He has been mixed in wine for a long time. The swordsmanship he cultivates is also in this!

Most people practice hard and clean cultivation. Secular things will never be touched! But on the contrary, Jianying Liu Sheng, touching these things will not only have no effect on him, but will make him stronger!”

Bu Yi Killing God explained.

Levi Garrison nodded: “It’s indeed an alien!”

“My people have found out that Liu Sheng Jianying is not in the family, but in Fengyue Place!”

“Where do you see it?”

Bu Yi Killing God asked.

“Go to Liu Sheng Jianying!”

Hit the strongest first.

The most luxurious clubhouse in Ginza, Edo Castle.

In a presidential room.

Dozens of young people stood.

These dozens of young people are incredible. They are the top rich second generation in the East Island.

All hands and eyes open to the sky.

But at this moment, they all stood respectfully.

Everyone is arched, their faces are full of panic, and their eyes are full of awe.

Sitting on the sofa in front was a man in his thirties.

Young girls are all around.

“Trash! A bunch of trash! Is there no beauties in Dadongdao?”

the man on the sofa cursed.

He is the famous Liu Sheng Jianying!

That's why dozens of rich second generations stand so respectfully and nervously!

They are responsible for finding all kinds of beauties for Liu Sheng Jianying.

But looking for it every day, I have no resources.

They also couldn't imagine that Liu Shengjian Ying was obsessed with wine every day.

Why is it so strong?

Still getting stronger!

This is not fair!

You work hard for a hundred years, and you can't compare to others' indulging in alcohol for a month.

Who is going to make sense?

But Liu Sheng Jianying is too strong, anyone has to listen to him.

All the disobedient were killed by him.

At this moment, Liu Sheng Jianying was furious.

“Master! I have sent someone to Erudia to search! It is estimated that I will find a beautiful woman soon!”

one person said.

Others also said: “Yes, it is rumored that Erudia beauty is like a cloud! Liu Shengjun, wait two days, we promise to catch hundreds of Erudia beauties!”

“Yes, we found Levi Garrison’s wife Zoey She is a big beauty, and a female scientist Wen Lei is also a big beauty! And Levi Garrison’s younger sister Zhou Nanyan...”

“Huh? I want all the women related to Levi Garrison! There are also female scientists? This type has never I tried it! Okay, very good! I’ll wait for you to find it!” When it

heard that it was a beautiful Erudia, Jianying Liu died.

But he stared at the crowd and warned: “If you can’t find it, I will kill all of you!”

“Understand! We will definitely!” The

crowd nodded in fear.

Everyone stared at the man who said Zoey.

The other beauties in Erudia are easy to play, but where did Zoey get them?

Isn't this pushing everyone into the fire pit?

The man also realized that he had said the wrong thing.

Immediately shut his mouth.

At this moment there was a noise from outside, and the box door opened.

Two people walked in from outside.

The Common Killer stood at the door, and Levi Garrison walked straight inside.

Everyone was dumbfounded.

Including Liu Sheng Jianying, who also looked at Levi Garrison suspiciously.

"Is that Liu Sheng Jianying?"

Levi Garrison asked.

This made everyone even more stunned.

"I am!"

Liu Sheng Jianying wondered what Levi Garrison was going to do.

Levi Garrison stepped forward, patted his face and said, "I'll kill you, do you have any comments?"

The Return of the God of War [The Protector] Chapter 2014

The language is not surprising and endless.

When Levi Garrison said this, everyone was really dumbfounded.

Especially he also patted Liu Sheng Jianying's face!

It's unprecedented!

Who is Liu Sheng Jianying?

Number one on the sun list!

Little Sword Saint!

It's a famous big devil!

Kill if you don't agree!

No matter where you see a beautiful woman, you must grab it back!

In East Island, whoever it is, as long as he hears that he sees sword shadow of Liu Sheng alive, then he must avoid it?

For fear of running into him.

After all, if you are not careful, your life is gone!

No matter what the big guys are, they are very afraid of Liu Sheng Jianying!

But today, a stranger unexpectedly stepped forward and patted Liu Sheng Jianying's face!

This is touching the tiger's ass!

This is ground breaking on Tai Sui!

Not only that, he actually wanted to kill Liu Sheng Jianying!

This is too much life!

There are hundreds of lives who dare not provoke this one?

What background status?

Dare to mess with him?

Liu Sheng Jianying was dumbfounded.

He has always been doing his own way, what he wants to do.

He is the strongest anyway!

No one can be his opponent.

But someone came to pat him on the face?

This...

It seems that he still wants to kill himself?

Isn't it a mistake?

“What the hell do I ask you? Deaf? I killed you, do you have any comments?”

Levi Garrison was stunned when he saw Liu Shengjianying.

“Papa.....”

He slapped Liu Sheng Jianying's face several times, making a crisp sound.

In the quiet private room, it is especially loud.

Everyone looked crazy.

too crazy!

Repeatedly provoke Liu Sheng Jianying?

crazy!

This is completely crazy!

Liu Sheng Jianying did not expect that Levi Garrison would pat his face again!

“Slap!”

Levi Garrison slapped him on the face just as he was about to have an attack.

Everyone in the box suffocated to death.

Looking at them, Levi Garrison didn't know how big a mistake he made!

“Die to me!!!”

Liu Sheng Jianying let out a roar, unparalleled power erupted from his body.

He wants to shake Levi Garrison into blood mist!

He wants Levi to die thoroughly!

“Boom!” The

terrible power erupted.

But when he faced Levi Garrison, it was as if a mud cow entered the sea, and that power disappeared.

This surprised Liu Sheng Jianying!

It turns out that this is a master!

“I don’t believe it!”

Liu Sheng Jianying was furious, his horrible vigor seemed to erupt like a tsunami.

Go straight to the sky!

Levi Garrison smiled and said, “That’s it? No. 1 on the sun list? Rubbish!”

He slapped his right hand and slapped his anger.

This makes other people’s scalp numb.

This is too scary, right?

“You are looking for death!!!”

Two attacks were blocked, which made him angry.

Angry to the extreme!!!

He was going to stand up and punish Levi Garrison to death.

But when he was about to stand up, he found that above his legs and above his body, it seemed as if a mountain was crushed.

He can't get up at all.

“Ah!!!”

Liu Sheng Jianying tried all his strength, shouting to stand up.

“Kacha Kacha...”

Everything in the private room was blasted to pieces.

Including those young and old, those who were not standing behind Levi came to pieces and turned into blood mist.

The sword shadow of Liu Sheng wants to shatter like mountains and rivers!

He wants to get up!

He is going to kill Levi Garrison!

“Ah!!!”

He continued!

His strength is still skyrocketing!

“Humph!”

Levi Garrison snorted coldly, and slapped him again.

This slap is like the one used by the Tathagata Buddha to suppress Monkey King!

Unprecedented power is falling down!

“Puff!”

Liu Sheng Jianying seemed to be hit by ten mountains, spurting out blood on the spot.

He stood up and failed again.

He looked incredulous.

“Who are you?”

Levi Garrison smiled: “Levi Garrison!”

“What? You are Levi Garrison???”

“!...”

The Return of the God of War [The Protector] Chapter 2015

Jianying Liu Sheng really wanted to curse: I f*cking!

Damn it!

Really hell!

In the process of fighting just now, Liu Sheng Jianying and others already saw the Common Killer God standing at the door.

I have recognized him!

But in any case, I never expected that the disciple of Commoner Killing God turned out to be Levi Garrison! ! !

Isn't he dead?

Hasn't his body been dissolved?

Didn't he repeatedly confirm that he died?

How can he live?

Also appeared in front of him!

The young masters of Dongdao present were all shocked.

Liu Sheng Jianying was slightly better.

"Since you are alive, then I will kill you!"

Liu Sheng Jianying wanted to compete with Levi Garrison a long time ago.

Now the opportunity is here.

He got excited instead.

Levi Garrison sneered and said: "Then you have to stand up first!" A

sentence irritated Liu Sheng Jianying.

Let his anger reach the highest value!

He has never suffered such humiliation!

No way!

He must stand up!

He must defeat Levi Garrison!

He has never been defeated!

He must not be defeated!

This defeat is death!

He wants to live!

“Ah!!!”

Liu Sheng Jianying awakens like a dragon that has been sleeping for a hundred years, with a terrifying breath that shakes the world and the earth burst out of his body!

Unmatched power burst out of his body!

Skyrocket!

Skyrocket!

...The

terrible momentum has been skyrocketing!

He wants to stand up! ! !

The young and old of Dongdao were frightened and had never seen such a terrifying side of Jianying Liu Sheng...

He was like a demon!

Sweep everything!

The mighty power of the devil is like a sky covered by the sky!

Jianying Liu Sheng was very angry and excited!

How many years have it been!

Who can understand that invincible loneliness?

Since he came out of the mountain, he has been invincible on the East Island, and no one can stop him!

There is no opponent at all!

There is no one under his hand who can support two moves!

At the highest peak, it's always cold!

When he is not spending time and wine, he feels very empty.

I really want to meet an opponent!

But never!

Today, I finally met Levi Garrison, the enemy of his life.

His strength allowed Liu Sheng Jianying to give full play to it!

He is very excited!

He is looking forward to a battle with Levi Garrison!

"I finally waited for you, you are my opponent!"

Liu Sheng Jianying's long hair flew, the magical mighty mighty.

Levi Garrison snorted coldly: "Just rely on you? I also deserve to be my opponent!" As

soon as the voice fell, Levi Garrison slammed a punch.

A seemingly ordinary punch.

But after falling, it was like the overturning of Tianhe, unstoppable.

Jian Ying's complexion changed drastically.

This...

terrible!

Horrible!

"Puff!"

Liu Sheng Jianying threw up blood, and he stood up again and failed.

Not only that, but the sofa under him was completely shattered.

He knelt to the ground with a thud.

The floor also burst open.

Incredible.

Jianying Liu Sheng was dumbfounded.

He is so vulnerable!

“Ah!!!”

He wanted to struggle again.

“Boom!”

But Levi Garrison gave another punch.

“Kacha!” At

this moment, Liu Sheng Jianying’s bones began to burst.

This punch completely abolished him!

With this punch, Jianying Liu Sheng was hit into the floor, her body sunken in it, only one head was exposed.

“Pop!”

Levi Garrison kicked him on the head.

“Come on, jump? Let me jump again!”

Levi Garrison sneered.

“Ah!!!”

Liu Sheng Jianying yelled with anger.

But it can only be an incompetent roar, which is of no use at all.

In front of the powerful Levi Garrison, he was nothing.

“Die!”

Not to mention that the members of the Black Sun organization must kill, but Liu Sheng Jianying has an idea about Zoey, so he must kill!

Not only that, all the big and young were killed.

They are also participants.

It was they who proposed to dye a few people with plums.

Levi Garrison heard it really.

“Let’s go, next one, Liu Sheng family!”

Levi Garrison dragged Liu Sheng Jianying's corpse, and went straight to the Liu Sheng family with Common Killer.
