

The Return of the God of War [The Protector] Chapter 2016

The Yanagyu family is located in an empty area on the outskirts of Edo Castle.

Due to the prestige of the Yanagyu family, the Yanagyu family is desolate and uninhabited, even animals are not seen.

The exaggerated statement is that the Yanagi family is surrounded by terrible sword energy, and no creature can survive.

In the Yanagyu family hall.

The masters of the Yagyu clan are all there.

Because of the recent move by Commoner Killing God, they gathered together.

Even though they did not join the Black Sun organization, the Liu Sheng clan still joined.

Sitting on it was Liu Sheng Tianfeng, the head of the Yanagi family, who was also the father of Liu Sheng Jianying.

“You said, can Commoner Kill God come to us?”

he said.

Everyone laughed as soon as the words came out.

“Haha, let him be a hundred guts to dare not come to the Yanagyu family to provoke, right?”

“Unless he is crazy or wants to die!”

“Everyone knows that our Yanagyu clan is more powerful than the Black Sun! It provokes us! I’m sick!”

...

Everyone in the Liusheng family has mysterious confidence in their strength.

They are invincible!

Not to mention which of the legendary ancestors is still alive!

The recognized sword sage of Dongdao!

Who dares to beat this?

“By the way, where is Jian Ying?”

Liu Sheng Tianfeng couldn’t help asking.

“Didn’t I tell him to come to the meeting? What about the others?”

He has a headache for his own son.

Not to mention the strength, but also deeply loved by the ancestors.

Lawlessness in the family.

It's the same in East Island.

Even his father can't control it.

"The young master hasn't come back, it seems to have gone to spend a lot of time..."

said a housekeeper.

"This bastard! It's still spending a lot of time outside at this knot!"

Liu Sheng Tianfeng cursed.

He wasn't actually to blame.

But a little worried about the safety of his son.

The commoner killer showed a powerful side, which made people timid.

"Patriarch, you can rest assured!"

"Young master, he won't be in any danger! On the contrary, whoever meets him is unlucky!"

“If Commoner Killing God meets Young Master, then you don’t need to do anything else, Young Master can do it. It’s solved.”

...

everyone laughed.

When Liu Sheng Jianying was alone, they didn’t have to worry at all.

Only worry about other people.

Hearing this, Liu Sheng Tianfeng smiled and touched Sanitary Hu.

He was extremely dissatisfied with his son’s behavior and style.

But he was so satisfied with his strength that he was no longer satisfied.

That’s the number one on the sun list!

He himself ranks second in the back!

Who dares to provoke his demon son?

His son can be in one country alone!

In a word, anyone in the Black Sun organization can provoke, his son can't provoke it!

At this moment, a voice suddenly came from outside.

"Erudia Li Buyite is here to visit the Liusheng family!" A

word like a thunder, penetrates everything, echoing in every corner of the Liusheng family.

"What? Li Buyi? Erudia Buyi kills the gods?"

"He actually came, really brave!"

"It's not the Black Sun Headquarters, but came to us!"

...

The masters of the Yanagyu family were not angry, but laughed. Up.

"Patriarch, do you want to inform the Black Sun Watanabe family? Has Common Killer come to us?"

Someone asked Tianfeng Liu Sheng.

Tianfeng Liu Sheng shook his head: "No need! When we kill the Common Killing God, we will notify them so that everyone in the Black Sun will know how powerful the Liu Sheng clan is, and there is no need to unite! Our clan is enough!"

“Go !” Everyone followed me out to see!”

Liu Sheng Tianfeng rushed to the door with a large number of masters.

“Puff!”

“Puff!”

...

Hundreds of guards at the door have all been beaten off.

The gate of the Yanagi family was also overturned.

The Common Killing God is in front, as if the killing God is unstoppable, step by step, he will kill the Liusheng clan.

Levi Garrison dragged Liu Sheng Jianying’s body behind...

The Return of the God of War [The Protector] Chapter 2017

“Well, you Li Buyi, you dare to break into my Liu Sheng clan, you are afraid that you are impatient!”

Liu Sheng Tianfeng brought hundreds of family masters to come quickly, blocking the way of the two killing gods.

Seeing Commoner Killing God, everyone was amused.

“You can provoke any forces in the Black Sun organization, but you are the Liusheng clan, don’t provoke them, you are kicked on the iron plate!”

“Hahaha, there are people who came to die, it’s ridiculous...”

...

Everyone looked at Commoner Killing God with disdain, and suddenly everyone noticed Levi Garrison behind him.

How does he drag someone?

Is that person’s clothes a bit familiar?

This...

Is this?

A bad idea spreads in my mind!

Even Liu Sheng Tianfeng noticed this.

This seems to be...

is their person?

But it’s not decided by clothes alone.

This is what Commoner Killing God specifically asked someone to provoke, right?

“I’m telling you, we got the wrong person! We don’t unite with the Black Sun organization, we only rely on one family!”

“No, we rely on Young Master Liu Sheng Jianying. He is enough to kill you!”

... ..The

Yanagis clan clamored one after another.

“Bang!”

At this moment, Levi Garrison kicked Liu Sheng Jianying’s body forward.

“Is Liu Sheng Jianying you talking about him?”

Levi Garrison asked with a smile.

“This.....”

When everyone saw Liu Sheng Jianying’s body, everyone was stunned.

“Boom!!!”

Everyone seemed to be hit by five thunders!

They are going crazy.

One after another crazy!

“This, this, this... is this Young Master?”

someone exclaimed.

They repeatedly confirmed that this was Liu Sheng Jianying.

It's just completely different from Jianying Liu who went out in the morning.

Jumping alive in the morning, now it is a stiff body.

“This...”

One by one dumbfounded.

“Puff!”

...

even some people couldn't accept it and fell directly to the ground.

& “Sword Shadow?”

“Master!”

...the

crowd roared hysterically.

“Son! My son!”

Liu Sheng Tianfeng couldn't control it anymore, holding Liu Sheng Jianying's body in his arms and crying bitterly.

This is an unprecedented blow to the Yanagyu family!

Because of the existence of Liu Sheng Jianying, their dominance on the East Island can be extended to the next hundred years.

This is the hope of their family.

But no one thought he would die!

This, this...

unacceptable!

The reality is terrible!

wrong!

How could Liu Sheng Jianying die?

He is so powerful!

Number one on the sun list!

He is the Little Sword Saint!

Who can kill him?

Is it fake?

Everyone had doubts.

But this is indeed the case.

Liu Sheng Jianying was dead, and the corpse stood in front of him alive.

Believe it if you don't believe it!

Everyone's gazes were all looking at one person-Commoner Killing God!

Now it seems that Commoner Killing God killed Liu Sheng Jianying!

He is more terrifying than he thought!

"Kill him! Kill him at all costs!"

Liu Sheng Tianfeng shouted.

The masters of the Yanagyu family attacked the commoner killer like crazy.

Levi Garrison smiled and said, "Now is the time to test you, I won't do it!"

Levi Garrison isolated this place from the outside world by means, and the wind wall blocked everything together.

Outsiders don't know what happened.

He wanted to increase the strength of Common Killer God, so he had to face all the masters of the Yanagi clan alone.

The masters of the Yanagyu clan attacked the Common Killer God like crazy, and fought with him.

The commoner killer is also more and more courageous in the war...The

sword shadow of Liu Sheng in the Liu Sheng clan may be more difficult to deal with, but everything else is fine.

At this time, there were masters from the Liusheng clan, and they saw Levi Garrison watching the battle like the okay person.

“Kill him!”

They killed Levi Garrison one after another.

Levi Garrison sighed, “Hey, you found the wrong opponent!”

The Return of the God of War [The Protector] Chapter 2018

“Boom!”

“Boom!”

... a

dozen masters who killed Xiang Levi Garrison suddenly exploded into blood mist when they were less than five meters away.

Another batch of masters who killed Levi Garrison exploded into blood mist out of thin air.

Levi Garrison just attracted everyone’s attention.

He is not ordinary!

It turned out that everyone's focus was on the Common Killer, and no one took Levi Garrison seriously.

Now it seems that he is not ordinary!

Now no one took the initiative to trouble Levi Garrison.

Their goal is to kill the commoner to kill the gods first!

It's not too late to get rid of Levi Garrison!

The Common Killer is entangled with many masters.

Soon, even Liu Sheng Tianfeng, who was second in the sun list, joined the battle!

...

On the other side.

In the headquarters of the Black Sun organization, tens of thousands of masters have gathered.

And many modern technologies have also been installed.

They also set various traps and ambushes.

Looking at the impeccable headquarters, the counsellors of the Watanabe clan smiled with satisfaction.

Now they were waiting for the Common Killer God to come and die.

“By the way, where are Common Killing Gods? Where are they now? Should they come directly at us?” The

Watanabe clan began to ask Common Killing Gods where they were.

Neither of them thought about whether the two people would go to the Yagyu clan.

Because this is not a problem at all.

Even a fool would not choose the strongest Yanagyu clan first.

Then it can only be directed at them.

“I found them here two hours ago! They came for us!”

“But they disappeared, I don’t know where they went, we searched them all over, but we didn’t find them!”

...

“Yeah ! Is there anything else?”

The counsellors of the Watanabe family quickly sat together to discuss and discuss.

They discussed a result: All the remaining forces of the Black Sun Organization are now united, making Commoner Killing God feel timid.

So Commoner Killing God will not take revenge on a swagger.

He must be sneak attack.

& “When the order is passed on, everyone will be more vigilant and prepared to prevent the Common Killer from sneaking!”

...

Everyone thought that the Common Killer was going to attack.

How did they know that the Common Killer God was fighting with the Liusheng clan at the moment.

They didn't think about it, and didn't check it.

So I don't know.

The Yanagyu family, Commoner Killing God has already killed the red eye.

He was covered in blood, enemies, and his own.

On several occasions he was in danger.

But Levi Garrison never helped.

This is the experience of Commoner Killing God, even if he dies, it can't help.

Once he comes out of the blood and bone fight, he will reach another realm.

“Puff!”

“Puff!”

... In the midst of

a fight, several masters of the Liusheng clan fell down again.

However, the Common Killer left several wounds on his body.

But he is stronger!

Obviously, he was seriously injured, but his fighting power and momentum became more and more fierce.

“Kill!”

Liu Sheng Tianfeng was eager to avenge his son, and fought against Commoner Killing God.

...

Time passed by every minute and every second.

The Liusheng clan fell more and more.

They are all desperate!

The commoner kills the gods too fiercely.

The more the war is getting fiercer, what the hell is going on?

Every time I feel like I have to fall down, but he can always hold on.

One person killed the Yanagyu family in despair!

Until this moment, they did not know that the assessment of the combat power of Common Killer was completely wrong.

Everyone is gradually able to accept why Liu Sheng Jianying died.

But what they didn't know was that the real powerhouse was in Levi Garrison.

It was he who killed Liu Sheng Jianying.

Commoner Killing God vs. Liusheng Clan is a course he set up specifically for Li Commoner, fearing that everyone will be crazy.

“Puff!”

Liu Sheng Tianfeng was beaten out.

He was desperate.

He shouted: “Hurry up and ask the ancestors to do it! My Liusheng clan is going to die!”

The Return of the God of War [The Protector] Chapter 2019

“My ancestor, please!”

“My ancestor, please!”

...

everyone in the Liu Sheng clan shouted.

At this time, it had reached the stage of life and death for the Liu Sheng clan.

If the ancestors do not come out again, then the Liusheng clan will definitely perish.

“Buzzing...”

Suddenly there was a sound of swords in the air.

Everyone in the Liusheng clan was excited.

The ancestors are out of the mountain.

On the top of the mountain not far away, a volcano erupted suddenly.

The strong smoke obscured the sky and the hot lava fell.

Although the volcano not far from the Yanagyu family is a small one.

But it's still terrible to burst out.

From a distance, it's spectacular.

"Ancestors come!"

"Rumor ancestors single-handedly suppress the eruption appears to be true!"

"Do not know the strength of the ancestors to what state?"

"Anyway, definitely not a commoner to kill God can spy, Maybe Levi Garrison was able to fight before,
but no one can do anything except him!"

... the

manpower suppressed the eruption of the volcano!

What a ridiculous thing this sounds!

No matter how small the volcano is, manpower can suppress the eruption.

This suppression is not for a while. According to the Liu Sheng family, it may be decades.

This is terrible.

But Levi Garrison knew that the ancestors of the Liusheng clan used volcanoes to practice martial arts!

Come and improve yourself!

Soon after, a dead figure came to the court.

The old man looked younger than Liu Sheng Tianfeng, and he didn't even have a sharp aura on his body, but he was no different from ordinary people.

But in fact, this is the sword of Liu Sheng converging everything!

This is the most terrible!

He also held a sword in his hand, it was covered with dust, and even magma remained!

Everyone instantly understood.

This is a sword tempered in the magma by a sword Yanagyu!

“Boom!” The

next moment, the sword body trembled, and all the dust residue on it flew away.

A peerless sword came out.

& The sword body shone like fire, and the sword body contained a terrifying killing intent.

As soon as this sword was out, the world shook the world!

“Ancestor, Jianying is dead...”

“Ancestor, please help the Liusheng family, please take revenge for Jianying!”

“Ancestor, please preside over the overall situation!”

...All members of the

Liusheng clan knelt to the ground, expressing grief. the sound of.

“What? He’s dead?”

Liu Shengyijian's face changed drastically.

That was his favorite junior and the hope of the family's future.

He gave Liu Sheng Jianying a lot of money, but he expected Liu Sheng Jianying to surpass himself in the future.

Unexpectedly, after his retreat, Liu Sheng Jianying died.

Looking at Liu Sheng Jianying's body, Liu Sheng Yijian was completely angry.

"Who?"

Liu Sheng roared with a sword.

"He!"

"Erudia Buyi Killing God Li Buyi!"

...

Everyone looked at Li Buyi who was seriously injured.

"Erudia Buyi Killing God? I know! Okay, I'll sacrifice my sword with your blood!"

Liu Sheng drew a sword across the sword, and immediately opened the sword.

Liu Shengyijian shouted: "This sword has been attacked! I named Zhan Shen! The first one to kill you, Commoner Kill God!"

"Boom!!!"

Under this powerful pressure, Commoner Kill God Began to tremble.

Judging from the momentum revealed by Liu Shengyijian, he was definitely not an opponent.

He didn't expect that there are such ancient characters in Dong Dao!

He should be at the same level as the number one Nandi in the summer, or even stronger.

Not to mention that he is injured, even if he is injured, he is not necessarily the opponent of this old guy.

"Kill him!"

"Kill him!"

... the

Liu Sheng clan shouted one after another.

The death of Liu Sheng Jianying brought them too great a blow.

The common killer must die.

“Come on! Let me see and see!”

Despite the injury, Commoner could not lose in the spirit of killing.

“You retreat, I’ll come!”

Suddenly Levi Garrison pushed away the commoner to kill the gods, and he stood up.

The Return of the God of War [The Protector] Chapter 2020

Commoner Killing God is not the opponent of Liu Sheng Yijian, not to mention that he is supported by a single breath, so don’t be hard.

He will die if he insists!

Even if you don’t die, you won’t improve anymore!

He will do it himself!

“Huh?”

Watching Levi Garrison push the Common Killer away, the latter obediently stood aside.

Everyone was stunned!

Even though no one was able to get close to Levi Garrison's body just now, they were all leftovers from the Liu Sheng clan, and they were not experts at all.

Everyone didn't treat Levi Garrison as the same thing.

It's just the disciple of Commoner Killing God.

But looking at this posture now, it seems something is wrong.

Is he the disciple of Common Killing God?

Seeing Levi Garrison stand up, Liu Sheng was taken aback.

"Who are you?"

he couldn't help asking.

When Liu Sheng Tianfeng and others just explained that Levi Garrison was the grandson of the commoner who killed God's disciple, Levi Garrison's voice sounded: "I am the one who killed Liu Sheng Jianying!" The

words stirred up waves, and Levi Garrison said this. All the Yanagis present were shocked.

Didn't Liu Sheng Jianying kill the commoner?

wrong!

Upon closer inspection, everyone noticed something was wrong.

Just now everyone fought with Commoner Killing God.

They admitted that Common Killer was strong enough, but not strong enough to crush the masters of the Liusheng clan!

He also stumbled and was seriously injured when he met the Yanagyu family just now.

How can such strength kill Liu Sheng Jianying?

impossible!

Moreover, according to Liu Sheng Jianying's death method, he was completely crushed, and he seemed to have no ability to resist.

Commoner can't do this!

Even if the Common Killer could kill Liu Sheng Jianying, he would be injured seven or eighty eight.

But when he first came, the Common Killer was not hurt at all!

Therefore, Jianying Liu Sheng was not killed by the commoner!

It was not he killed, so it can only be...

Everyone's eyes are looking at Levi Garrison!

& It's him!

It turned out that he was the one who killed Liusheng Jianying!

wrong!

Everything is wrong!

The information of the Watanabe clan is simply wrong!

He is definitely not the disciple of Commoner Killing God!

Even the Common Killer God overwhelmed the East Island and broke the four major forces, I am afraid it is because of this young man!

Commoner Killing God is only an auxiliary!

The real powerhouse is him!

"You...you are not Li Buyi's disciple at all! You are not from Dongdao, you are from Erudia!"

Liu Shengtianfeng exclaimed.

Other people also reacted.

Needless to say, Liu Sheng Yijian has already paid attention to Levi Garrison.

Facing Levi Garrison, he thought of someone.

A person who has brought him failure.

That was the only failure.

It just so happens that that person is also from Erudia!

Liu Sheng Yijian regarded that man as the enemy of his life, and since his defeat, he has retreated on the volcano behind the family.

Day after day, year after year.

While he tempered that sword, he was also tempering and sharpening himself!

Over the past few decades, it has been this belief-revenge! defeat him!

Now Levi Garrison killed his favorite offspring, plus Levi Garrison gave him a temperament that looked like a lifelong enemy.

Liu Sheng Yijian's whole body was about to boil.

He was full of fighting spirit, and his state reached the peak in an instant!

“Today is the day when I leave the customs, and it is also the moment when this sword breaks the front. I will sacrifice the sword for you! The sword of God Slayer is enough to give you glory!”

Liu Sheng shouted with a sword.

What he meant was very simple, it was also an honor for Levi Garrison to die under the Sword of God.

Levi Garrison looked at Liu Shengyijian blankly: “I used to be the most annoying with pointing a gun at me, now I bother others with pointing a sword at me!”

Hearing this, Common Killer lowered his head in shame.

Wasn't he like that a while ago?

Levi Garrison was severely taught by Levi Garrison who was dangling with a sword.

Isn't it the same for Liu Sheng Yijian now?
