

The Return of the God of War [The Protector] Chapter 2211

It's been three years!

Three full years.

No one understands this kind of pain better than Huoyun Cthulhu...

This dark prison is really too test for people.

Your state of mind, your strength, are the ultimate torture.

Even an old guy like Huoyun Cthulhu couldn't hold it anymore.

This kind of hopeless thing really makes people crazy.

For a long time, the Evil God Huoyun retreated for three months and then woke up.

He has never harassed Levi Garrison once.

But now he couldn't help it.

Can't stand this torture anymore.

He tried his best!

Now he just wanted to wake up Levi Garrison to see if he could do anything.

He wants to go out!

But Levi Garrison was in retreat, immersed in his own world, ignoring Huoyun Cthulhu at all.

“Sir? Mister, do you still have to retreat? How long are

you going to do ?” “Will you have to retreat for several years?”

...

Levi Garrison still didn't respond.

After hitting that punch in the first year, Levi Garrison has been in retreat for the past two years.

There is no action.

Scared!

Huoyun Cthulhu is really scared!

Because after Levi Garrison's retreat, his breath was getting weaker and weaker.

Now Levi Garrison's body can be said to be completely devoid of breath!

This made Huo Yun Cthulhu very scared...

Other people's retreat aura is getting stronger and stronger, but Levi Garrison is getting weaker and weaker, and it's gone now.

The Huoyun Cthulhu itself is an expert!

Of course he could find that Levi Garrison didn't deliberately conceal his breath, he just lost his breath.

Just like Taoist Nirvana and Buddha's passing away...

If Levi Garrison's aura gets stronger and stronger, Huoyun Cthulhu still holds a glimmer of hope.

But what happened to Levi Garrison now?

Is there any hope if this continues?

Huoyun Cthulhu was very anxious.

In the next few days, he was venting frantically...

using all kinds of tricks to bombard the wall in front of

him ... He wants to

kill himself now...but even bombarding the wall to death is better than being tortured.

But no matter how the Huoyun Cthulhu tossed, Levi Garrison still did not wake up in retreat.

There was no breath at all, just like a dead man.

This made Huo Yun Cthulhu simply assume that Levi Garrison no longer exists.

Do your own thing.

...

The Dark God in the new place sensed everything that happened in the dark cage. He couldn't help but sneered, "It's a dying struggle! No matter how long you stay closed, there will be no results!"

The evil god next to him asked, "Dark God, how can this dark cage be opened? You do not say there is no authority? do not you rely on pure strength to open? "

I did not realize the dark God smiled and said," can not! You do not know where it come from the dark cage! I rely on pure strength can not be opened! " "

What if leaf King's Landing surrendered to you, how do you open it?"

"Yeah, wouldn't it be impossible to open it forever?" the

others said one after another.

"No! I can open it with the help of an artifact!"

"I once got a magic sword from Erudia! With this magic sword I can split the dark cage! I used this magic sword to kill a founder of the Gods Lab! So the Gods Lab is right I am still afraid!"

"But to be honest, I am also using the dark cage for the first time! It is a pity that Levi Garrison is not what I expected after all! The dark cage is wasted!"

Dark God said.

The evil gods smiled and laughed, "That means that no one can open the dark cage except this knife, even if you rely solely on fists like Levi Garrison?" The

Dark God meditated, "That's right, but it's also. Not all right! As far as I know, Erudia also has a magic sword, which is comparable to the magic sword in my hand! With this sword, with my strength, you can also open the dark cage!"

"That's still the same. Levi Garrison doesn't have this divine sword, let alone your strength! He will never come out forever!"

Mingxie God smiled.

"I'm not interested in Levi Garrison right now, but Erudia's divine sword is said to be coming out..." The Dark God looked longing.

The Return of the God of War [The Protector] Chapter 2212

"Then are we going to participate in the fight?" The

Underworld God asked.

The God of Darkness immediately said: "Of course! I searched for this magical sword for a long time, but now it finally appeared. Is there any reason for me?"

"When the time comes, all of you will go! Zoey will also go! I will also when necessary. Will shoot!"

Dark God said.

The eighteen dark angels were stunned.

Since they knew the Dark God, he had never made a move.

This time it's going to be shot?

Doesn't this mean that the Excalibur is very important?

Its value is so great that even the Dark God has been coveted for a long time... that

's right.

In this era, weapons are equally important, even more important than before.

Not limited to modern weapons, there are many ancient artifacts that have been unearthed one by one.

The battle armors and various machines manufactured by major technological forces are indestructible and will not get through at all.

But some people get ancient artifacts, such as Erudia's swords and swords, Western spears, etc., which are enough to smash these indestructible armors.

With an ancient weapon, your strength will double.

So whenever the artifact comes out, it attracts frenzied snatches from all parties.

Rumor has it that the sun never sets, the empire's most powerful organization-Excalibur Bureau.

Its treasure is a sword inserted in a stone, called the sword in the stone.

The legend is a divine sword with the power to destroy the world.

But even if someone covets it, he dare not snatch it.

Who would be so stupid as to be an enemy of the most powerful organization of a powerful country?

However, in the past three years, various relics have been unearthed, and pieces of ancient weapons have appeared.

Many people have soared with the strength of ancient weapons and become extremely strong.

Of course, there are some terrifying ancient weapons, which are useless if the ordinary strong get them, and they can't control them at all.

Because the ancient weapon itself is stronger than you!

You need to be stronger or match it, and be recognized by it to control it!

Such ancient weapons attract the existence of great power and terror...

Especially there are many such ancient weapons in Erudia.

Erudia's rich resources are not a boast!

The divine sword that will appear in Erudia in the mouth of the dark god will cause the biggest sensation (about ancient weapons).

Great Xia Kunlun Industry.

today.

The marshal Tiance came to call all the high-level officials together.

"This is the first time I have convened a meeting since I took charge of Kunlun Industry for two years!"

Tiance Marshal smiled.

Many of the Kunlun industrial high-level people have already surrendered to Tiance Mansion, and they should be convinced.

This person is too terrifying in terms of strength and skill.

Bring Kunlun Industry to its current height...

they serve!

However, Qilin, Commoner Killing God, they always believed that the Kunlun industry belonged to Levi Garrison.

They all developed to the present according to Levi Garrison's layout.

And the young master Tiance didn't do anything...The

Kunlun industry has developed to the present, it has nothing to do with him...

what he can do, they can easily solve it.

But the marshal Tiance still provided some help.

Qilin's becoming stronger still has something to do with Tiance Marshal...

"I am very happy to see you become so strong!"

Tiance Marshal smiled.

Hearing that, everyone smiled, and everyone was excited to become stronger.

“Especially Qilin, Baihu, you guys! It surprises me! They are all on the list!”

Tiance Marshal smiled: “This is the benefit of following me! If Levi Garrison is here, you can follow him, can you grow so fast? ? “

Kirin heard Tiance said Marshal ye monarchs, but also just to mouth, day policy Marshal’s voice came again:”? you talk about now that he is not stronger than the leaf monarchs of the year, “

Kirin them silent, Nodded one after another.

This is the truth.

They are indeed better than Levi Garrison!

This cannot be refuted at all.

The Return of the God of War [The Protector] Chapter 2213

Following Levi Garrison, he really couldn’t get to where he is now, and this has to depend on the young commander of the sky.

The era of Levi Garrison has passed.

It can only be regarded as Qilin’s belief.

“I know that Levi Garrison is your boss, and he holds a position heavier than the sky in your hearts! But at that time, Levi Garrison suppressed the Quartet and acted as the savior again and again! But you can’t do anything. Don’t you want to catch up with him or even surpass him? Is it?”

Tiance Marshal made Qilin and the others silent again.

Kirin they acquiesced.

They were the most desperate when they had nothing to do and couldn't help.

At that time, they swore to catch up with Levi Garrison and to keep up with Levi Garrison's footsteps.

Levi Garrison has always been their weather vane.

They naturally want to surpass.

It's really exceeded now.

They reached another world, a world that Levi Garrison had never reached.

"Aren't you proving yourself now? Better than your boss! I really hope Levi Garrison will show up, knowing that you are better than him! I believe he will be very happy too!"

Tiance Young Master smiled.

But what he actually said is very simple, that is, Levi Garrison can't do it!

But this is still very comfortable in Qilin's ears.

First: Did not insult Levi Garrison, but recognized Levi Garrison's position in their hearts.

Second: They also affirmed their strength.

"Do you still think that I am not suitable for the helm of Kunlun Industry?"

Tiance Marshal asked.

No one objected this time.

They even admitted Qilin.

“In addition to praising everyone this time, there is another important event to inform you!”

Hearing this, everyone cheered up.

“There will be an ancient weapon in some ancient ruins in Erudia...As soon as this ancient weapon comes out, it will attract countless people! The big foreign forces will no longer care about their face, they will come to Erudia at any cost. Snatch!”

Tiance Marshal glanced at it: “This ancient weapon is too important! So we must not fall into the hands of others! Kunlun Industry must do its best to snatch it! I will help you in the dark! This ancient weapon must stay in the hands of others! Kunlun Industry! Understand?”

“Understand!”

Everyone nodded.

“Everyone, get ready! This battle may be extremely tragic! Even the strongest battle in the past three years! You must be psychologically prepared!”

Tiance Marshal exhorted a few more words.

Everyone was puzzled.

What kind of ancient weapon is it that can attract such a big movement?

Because of the unicorn and the white tiger, they each got a worthy ancient weapon.

But where is this kind of influence?

What the hell is this weapon?

“Don’t worry! We will definitely keep this weapon! Let it stay in Erudia!”

“In this battle we fight for Erudia, this battle we fight for the boss! Boss, take a good look at our strength! “

...

Kunlun Industry and Tiance Mansion are actively preparing.

The rest of Erudia knew that the forces or people of this weapon were also preparing.

Not only that.

Soon the fact that Erudia unearthed a peerless weapon spread all over the world, and all forces were ready to move.

the other side.

Tiance Mansion.

Several great ancestors looked at Levilia lovingly.

“Is it time? Should you let Levilia go down the mountain and go around?”

someone said.

“Yeah, the time has come! Levilia should go out and have a look! They are all grown up as big girls!” The

others also smiled.

“Hey!” The

female ancestor sighed with a look of dismay.

“It’s for Levilia to go out and go around, just so, isn’t that sword coming out? Levilia go to meet the world and join in the fun!”

said the female ancestor.

The others nodded: “Yes! This is a good opportunity!”

Levilia also looked excited.

She can finally go out and find her parents.

The Return of the God of War [The Protector] Chapter 2214

Levilia packed up and left Tiance Mansion with his grandma.

This is almost the busiest day in Tiance Mansion.

Everyone is looking forward to this little ancestor coming out of the mountain.

However, at the same time, Tiance Mansion blocked the news of Levilia’s emergence.

Except for internal personnel, no one knows about it.

However, the female ancestor couldn't stand it for only one hour after Levilia left.

She has no children in her life.

Suddenly a Levilia emerged from the lonely life, and he became splendid.

Now that Levilia is gone, she can't stand it at all.

"No! I have to follow Levilia!" The

female ancestor couldn't help it, and was about to follow.

Another male ancestor from the Baolong clan said earnestly: "You are not good like this. Can you protect Levilia forever? You can't let her become a flower in a greenhouse!" The

other ancestors gave him a stare: "Okay. Then don't go, we'll all go!"

It turns out that the other people, like the female ancestor, are crazy.

For a few hours after Levilia left, they scratched their heads and went crazy.

Now I am waiting for someone to come forward and find Levilia.

When the female ancestor brought it up, she naturally responded.

The female ancestor looked at each other with the other ancestors, and immediately left, disappearing instantly.

“1...”

The ancestor of the Baolong clan was directly dumbfounded.

“Hey, hey, wait for me! I’ll just say that! I miss you more than you!”

The ancestor also immediately followed.

Everyone in Tiance Mansion: “...”.

When will these ancestors leave Tiance Mansion?

This was absolutely impossible before!

Several great ancestors immediately caught up with Levilia. After seeing Levilia, everyone breathed a sigh of relief and smiled.

But they just follow from a distance, as long as there is Levilia in their eyes.

“Isn’t this all right? We follow from a distance, don’t appear in front of Levilia, and don’t disturb her future life!”

“Yes! We don’t interfere or interfere with everything about Levilia! Once there is a danger, Levilia will solve it by himself , If she can’t solve it or encounters life danger, we will take action again! In this way, the purpose of Levilia’s experience is achieved, and we can also protect her!”

Hearing the female ancestor said.

The others nodded.

This method is good.

“You guys just don’t know how to work! I stayed for too long, and my brain is rusty! I asked, is there any harm in your experience like this?” the

female ancestor said domineeringly.

“No! It really doesn’t affect it at all!” The

ancestors smiled like children.

They would be satisfied if they could see Levilia.

Levilia not only can experience, but they can take action at any time when it is dangerous.

He didn’t know that Levilia was in danger, but in Tiance Mansion, he couldn’t make a move because of the distance.

“What’s more, we can also travel through great rivers and mountains. It’s been a long time since we haven’t come out, okay?” The

female ancestor’s words are justified and there is no reason for others to refute.

...

Under the invisible protection of several ancestors, Levilia started his experience.

These are definitely the strongest bodyguards... After

Levilia left Tiance Mansion, he first went to see his grandpa and grandma.

I learned that my father had disappeared for three years, and there was no news at all.

Even the uncles like Qilin have no news at all.

Even more terrifying is that his mother became Erudia's public enemy, the world's murderer.

This made Levilia almost collapsed.

"Mom, why have you become like this???"

"And where are you, dad? Come back soon!!!"

Levilia shouted.

...

In the dark cage of the old lair of the Bible organization thousands of miles away.

Huo Yun Cthulhu sat on the ground in despair, but at this moment he seemed to see Levi Garrison move?

I don't know if it is an illusion or true.

"Sir, are you awake?"

Huo Yun Cthulhu asked quickly.

The Return of the God of War [The Protector] Chapter 2215

Huoyun Cthulhu was going to despair.

But seeing Levi Garrison moving in a daze, he instantly ignited hope.

He hurriedly called Levi Garrison.

But Levi Garrison remained motionless.

He kept calling Levi Garrison without any response.

Did you read it wrong?

Is it wrong?

I... The

Fire Cloud Cthulhu is really going crazy!

This is equivalent to breaking a pot of cold water for the Huoyun Cthulhu.

It directly extinguished his hope.

This is also the most tormenting.

The hope was ignited, and it was extinguished in an instant.

The Huoyun Cthulhu lay on the ground again, giving up everything...

His brain was blank, and he completely emptied himself...

But he was right.

Levi Garrison did move just now.

But Levi Garrison was still in a state of retreat...

he hadn't woken up yet.

But it doesn't matter to the Huoyun Cthulhu.

He is about to die here...

...

the news of the Excalibur spread all over the world, and all parties felt the pressure.

Especially the pressure of Erudia's forces doubled.

After all, the unearthed divine sword was in Erudia, and they would definitely fight for it.

But now there are too many competitors, and the big foreign powers are also rushing in madly.

At this moment, it is located in the Garrison Clan's villa in Beijing.

The first family of this once era was extremely devastated after being swept by Levi Garrison.

Especially Ye Lingtian was banished to a small town in the north, and he would never take a step forward.

Patriarch Ye Kuanglan was devastated and sickened.

When the times change and opportunities come, the Garrison Clan is still in despair.

He was even humiliated and bullied by a lot of people. He was directly removed from the big clan in Beijing and became the object of scolding.

But no one thought... In the

third year, the ancient Garrison Clan appeared.

It turned out that the Garrison Clan scattered everywhere in Erudia came from the inheritance of the Garrison Clan.

It's just the difference between thick and light blood.

However, the Jingcheng Garrison Clan is the most orthodox line of the Garrison Clan's ancient clan, and even said they are the descendants of the Garrison Clan's exile.

The ancient Garrison Clan is super super strong!

The legend is comparable to the Baolong clan!

As old as the Baolong clan!

There are even rumors that the ancient Garrison Clan almost became one of the Baolong clan back then!

It was just because of many reasons that the ancient Garrison Clan lost the election and did not become one of the Baolong clan...

There is a saying: The ancient Garrison Clan is not afraid of the Baolong clan in Tiance Mansion!

The emergence of the ancient Garrison Clan made Erudia tremble, and the whole world was shocked.

After the ancient Garrison Clan came out of the mountain, they went to the Jingcheng clan as soon as possible.

When they saw the desolation and decline of the Beijing clan, they almost died of anger.

Their descendants turned out to be such a waste...

So, the ancient Garrison Clan members who came out of the mountain revived the Garrison Clan in Beijing.

They swept the enemies of the Garrison Clan in Beijing, plundering resources and status.

They also gathered all the Garrison Clan scattered all over Erudia.

The ancient Garrison Clan wants to build the No. 1 power in Great Xia!

For example, Ye Lingtian, his father, who was exiled by Levi Garrison, was also summoned back to the capital.

Originally Ye Lingtian was timid, but Levi Garrison had disappeared for three years, and the ancient Garrison Clan was super strong.

So Ye Lingtian resolutely left the confinement city and returned directly to the capital.

Ye Tianlin of the Garrison Clan in Beijing and Ye Kuanglan, the nominal grandfather of Levi Garrison, had their stubborn illnesses cured one by one.

The ancient Garrison Clan transformed everyone's physique and bloodline, taught them the supreme techniques of the ancient Garrison Clan, and quickly created the ultimate powerhouse.

Especially Ye Lingtian all turned into strong people.

Those young geniuses who used to be in the Ye family got the opportunity even more fiercely.

The Garrison Clan, which has been declining for a while, has become a super giant, not to mention adapting to this era, it has also become the top existence.

The horror of the ancient Garrison Clan is not in their own strength, but in control of everything!

They arbitrarily build the Garrison Clan into the top existence.

But in fact, what the ancient Garrison Clan came out of this time was only the tip of the iceberg...

The Return of the God of War [The Protector] Chapter 2216

The core and inner details of the ancient Garrison Clan have never come out of the mountain.

This time the ancient Garrison Clan came out to lead the team by Ye Wudao, who is known as the first genius in the clan.

To put it bluntly, a young man brought a team of young people out of the mountain.

Although they are ancient races, these young people are all in their teens and twenties.

In this way, a group of young people from the ancient Garrison Clan created the top-notch position of the Garrison Clan.

Who can imagine the true background of the ancient Garrison Clan?

That was the ancient race that almost became the Baolong clan back then. God knows how powerful it is.

There are even rumors that there is a peerless existence in the ancient Garrison Clan!

The existence that the Baolong clan of Tiance Mansion must be afraid of!

The portrait of this existence is hung in the ancestral hall of the Garrison Clan in Jingcheng.

In fact, there are many portraits hung in the ancestral halls of the Ye ethnic group in Beijing.

Even Ye Kuanglan and Ye Tianlin don't know who they are...

These portraits are so ancient, some have fallen off, and they can't be seen clearly.

But they have been hanging here...

Until now they finally understand that this is the ancestors of the ancient Garrison Clan.

These portraits are all theirs.

These portraits are their family heritage, but they don't know it.

After Ye Wudao and others arrived, they pushed Garrison Clan to the top position of Erudia in one fell swoop.

Ye Lingtian also showed off his wrist, assisting Ye Wudao to expand his territory a little bit...make Garrison Clan more and more powerful.

Ye Lingtian regained his former demeanor and became a hero of the generation!

The same is true for Ye Kuanglan!

came back!

Everything about the Garrison Clan is back!

This is much stronger than before!

The Garrison Clan now ignores everything and develops horizontally.

Ye Wudao even said that there is no fear of Tiance Mansion and Baolong clan.

Even if something really happened, he could settle it.

Not to mention the true background of the ancient Garrison Clan, Ye Wudao alone is an open existence.

After coming out of the mountain, sweep all opponents.

There are eight or nine masters on the list of gods killed by him.

He is the one who made the biggest change in the god list!

Because he kills a strong leader, a new leader must join, and the leader must be updated.

Ye Wudao is now the top three in the gods list!

Ye Wudao was too arrogant, no one looked at him, no one was afraid.

Who do you see!

Also had a slap with the marshal Tiance!

He is very ambitious.

He threatened to wait for his father's ancestors to push all the forces before they came out of the mountain, pushing the Garrison Clan to the first place.

The meaning is simple, he wants the Garrison Clan to be invincible in the world.

Everyone can only open one eye to Ye Wudao's arrogance.

It's too strong after all!

Not only Ye Wudao is strong, but the other young people of the ancient Garrison Clan he brought out are also strong.

No one can do anything with him!

The Garrison Clan's expansion plan is still frantically continuing.

Achieve significant results.

The Ye people held a celebration banquet.

Ye Lingtian was still showing Ye Kuanglan and the others his strength. He laughed and said, "It is not an exaggeration to say! Even if the peak of Levi Garrison is in front of me, I can punch him to death!"

Yes, Ye Wudao gave Ye Lingtianwu Opportunity.

Ye Lingtian is also a super strong now.

Hearing this, Ye Wudao not only asked, "I haven't asked a question all the time, what about Ye Chen? In fact, his father's generation has noticed him a long time ago! He is a rare seedling! I haven't seen him for so long. How

strong are the seedlings that can be valued by the ancient Garrison Clan?

But after hearing this question, Ye Lingtian and others trembled fiercely, and the smiles on their faces disappeared.

"Chen'er... he died early..."

Ye Lingtian said sadly.

"Huh? What's the matter?"

Ye Wudao looked surprised.

"He was killed by my other son, Levi Garrison!"

Ye Wudao's expression changed wildly. "Is

that Levi Garrison who drove the Garrison Clan into hell with one hand?" He knew Levi Garrison. "Yes, it's Levi Garrison!!!"

The Return of the God of War [The Protector] Chapter 2217

Ye Kuanglan and others gritted their teeth.

What Levi Garrison brought to them was destruction.

It was he who drove the Garrison Clan into hell with one hand...

Without Levi Garrison, their Garrison Clan would not decay, and would not become a rat crossing the street that everyone yelled at.

During that time, they not only failed to reflect on what they had done to Levi Garrison and Zhou Yingying.

Instead, the hatred towards Levi Garrison is getting deeper and deeper!

Especially Ye Lingtian, who had been confined to a small town for a lifetime.

Now that they are strong, their first idea is to find Levi Garrison's revenge!

But Levi Garrison has disappeared for three years.

Is gone.

They can't get revenge!

So everyone has never mentioned Levi Garrison.

Today Ye Lingtian mentioned by chance that he felt that he was stronger than Levi Garrison at the time.

Now all Ye people thought of Levi Garrison.

The hatred deep in their hearts was all aroused.

At the mention of Levi Garrison, each of them blushed and his neck was thick and murderous.

"How dare he kill his own people?"

Ye Wudao's expression was extremely gloomy.

“How dare he? How did he do this kind of deceiving the teacher and destroying the ancestors, and slaughtering the same clan?”

Ye Wudao looked savage, and the flesh on his face was trembling crazily.

For this ancient tribe, family rules are the most important.

Especially within the clan must not kill each other!

This violated the strictest family rules!

“Not only that! He also forced Ling Tian’s wife Long Aoqing to death, and single-handedly shut Ling Tian in the northern border forever, and threw our Garrison Clan into hell...”

Ye Kuanglan and others began to count all Levi Garrison’s crimes, a dozen of them.

For they can do nothing about before everything

“These scum How do I Yip with the children? How worthy Yeh? Sha Shasha !!!”

“Damn! It is an outrage! Ye Where is King’s Landing? I have always heard that he is a man of the past few years! Where has he gone?”

Ye Wudao was completely irritated.

I can’t wait to kill Levi Garrison immediately.

Ye Lingtian said immediately: “Xiaozu, I have checked that Levi Garrison, the evil child, has disappeared for three years! Most likely he is dead! He has never disappeared for so long!”

That's right.

Ye Wudao's seniority is very high.

Ye Kuanglan also called Xiaozu.

"What about the people related to Levi Garrison?"

"According to the family rules, others will be responsible for the mistakes made by Levi Garrison!"

Ye Wudao revealed a vicious look.

"! Levi Garrison-Jun monarchs daughter and his mother said to-day government policy"

Leaves no way nodded: "Government policy is that known as days of top talent?"

"Yes!" "This

can not move ah, the day the government is committed to protecting policy Yes! Others can't move!"

Ye Lingtian said humanely.

"Who said that the Baolong clan of Tiance Mansion can't move?"

Ye Wudao's domineering words made everyone in the Garrison Clan excited.

Does the ancient Garrison Clan really have the ability to break the wrist with the Baolong clan of Tiance Mansion?

Ye Lingtian was very smart, and immediately saw the clues from Ye Wudao's face.

Ye Wudao said that, just to not lose face.

But it's actually not the same thing...

It just has the strength to attack Tiance Mansion and Baolong clan.

It's not completely crushed.

Ye Wudao was nothing more than mouth-heavy.

Ye Lingtian said immediately: "Little ancestor, it is impossible to fight Tiance Mansion for a child! We will not move this child for the time being! But we can move Levi Garrison's wife!"

"Who is his wife?"

Ye Wudao asked.

"Zoey! But she is a murderous demon now! She is even Erudia's public enemy! Tiance Mansion ordered her to enter Erudia forever, violate and kill her!"

"Zoey now ranks eighth on the gods list. !"

Ye Lingtian immediately introduced Zoey.

Ye Wudao nodded: "Well, I know her! That's fine! Levi Garrison violated the family rules, and all punishments for his family will be the responsibility!"

The Return of the God of War [The Protector] Chapter 2218

Soon, the Garrison Clan sent a message that Levi Garrison and his family would be punished with the clan rules of the ancient Garrison Clan.

And list the top ten crimes committed by Levi Garrison!

After the news came out, it caused an uproar.

Levi Garrison, the former man of the world, was pulled out.

Enter everyone's eyes again.

"Haha, let me just say it! The Ye Family won't let Levi Garrison go! It was Levi Garrison who abolished the Garrison Clan at the beginning!"

"However, Levi Garrison had disappeared for three years! Even if he reappears, he is only a medium power. ! Appearing is a dead end!"

"Hehe, I am afraid that Levi Garrison would not even dare to come out after hearing the news from the Ye family!"

...

Many people think that the reason for Levi Garrison's disappearance is actually hiding.

Because he knows that this era has changed, he is no longer the top powerhouse in this world, he is only middle, even lower.

You must know that Levi Garrison had set up too many enemies before, and countless people wanted to get rid of them quickly.

If he appears now, I don't know how many people will come to kill him.

It can be said that as long as he appears, he will definitely die.

Therefore, many people think that Levi Garrison is actually hiding and dare not come out at all.

Many people agree with this statement.

After all, Levi Garrison is also a human, knowing that he will die when he comes out, so why come out?

These people think that this time Garrison Clan sends such a news, Levi Garrison will even hide.

Just as if he died himself.

“I think so too! Actually, Levi Garrison was not dead at all, but when he figured it out, he found that the world had changed! He is dead! He can only hide!”

Tiance Marshal also thinks so.

“Yes, even Levi Garrison has come out! It’s just that before anyone recognizes him, he hides again!”

Tiance Marshal smiled, “I hope Ye Wudao and the others can find out Levi Garrison! Let Levi Garrison suffer from this era! The whipping!”

“Yes, I also saw how the former kings survived in this era?”

Others conformed.

There are many people who have this idea.

Those who have been suppressed by Levi Garrison or robbed the limelight by Levi Garrison strongly want to see how Levi Garrison survives in this era?

Was he hacked to death as soon as he came out, or was he chased and killed all the way to escape?

It's fun anyway!

They really don't want Levi Garrison to die, they really want him to appear alive.

...The

Dark God heard the Garrison Clan issue a warrant to look for Levi Garrison, he couldn't help sneering twice.

Levi Garrison can't get out in this life.

It's useless to tell Ye Wudao where Levi Garrison is.

Ye Wudao couldn't open the dark cage either.

"God of darkness, the Garrison Clan should be dyed against Zoey next! She is the first to bear the brunt of Levi Garrison's absence!"

Mingxie said. Dark God said, "Plum dyed to me is no longer worth it! She has done everything that should be done in the past three years! Everything we get now is actually made by her! In these three years, other people in our Bible organization

She never did it ! She did it all alone!"

Hearing this, the evil gods all smiled.

All they have now and the migration of the old lair by the biblical organization are the credit of Zoey.

“After we get the

divine sword, Zoey will be completely useless !” The Dark God sneered.

“God of darkness, you say, Ye Wudao dare not move Levi Garrison’s child?”

asked the god Mingxie.

Others said, “Of course I dare not! Although the Garrison Clan almost became the Baolong clan back then, the strength is terrifying! There are legends about the super power that can make the Tiance Mansion fearful! But because of this, it fell out with the Tiance Mansion? No? It is possible!” The

Dark God suddenly changed his

words and said , “No! He dare to be this lunatic!” “And he can move Levi Garrison’s child with a reasonable reason!” “What reason?”

The Return of the God of War [The Protector] Chapter 2219

Underworld God and others looked over.

“You have forgotten one point-Levi Garrison’s child has the blood of the Ye family! It is equivalent to the descendants of the ancient Ye family!” The

Dark God said this, and everyone immediately reacted.

Ming Road Cthulhu “If leaf leaves no way to ancient monarchs of children Yip’s family by blood, he can have a legitimate reason to move?”

“Yes! This is crazy and once on day policy on the fight over the Young Marshal Now there is a valid reason, let alone the Tiance Mansion! He even dared to directly ask the Tiance Mansion to have

someone !” “There is only one reason-the ancient Ye family wants to take the blood and go back for training! Just this one reason. let the day government policy embarrassed! ” “

I really do not think Yip ancient tribe difficult child, such a high talent why not train? how much hatred does not fit? just a dead leaf Chen nothing! “

Ming Road Cthulhu .

“Well, that’s probably the case!”

...

That’s right.

Not what the dark god expected.

Ye Wudao is going to be ready to move you.

The reason is exactly the same as the Dark God said...

He has consulted the fathers of the ancient Garrison Clan, and they all agreed.

Such family geniuses absolutely must cultivate by themselves...

so they allowed Ye Wudao to bring Levilia back.

Who said he didn't dare to move Tiance Mansion?

He dare!

...

"When will we move Zoey and Levilia, Xiao Ancestor?"

Ye Lingtian and the others already knew that Ye Wudao was going to do it.

"I am still further detailing the whereabouts of Zoey, probably near the empire where the sun never sets! As for the whereabouts of Levi Garrison's child and mother, we have already grasped the whereabouts of Levi Garrison's child and mother! It just happened that the child was out of customs! Currently in the Jiangbei generation!"

Ye Lingtian's ability to do things Very strong, he was doing these things right away.

This is also the reason why Ye Wudao likes him as an assistant.

"Not for the time being!"

"I need greater assurance! So wait until I get the artifact that is about to be unearthed!"

Ye Wudao said.

Everyone in Ye Lingtian was very curious.

Ye Lingtian finally couldn't help asking, "What kind of artifact is Xiaozu? Now the whole world is clamoring crazy!"

"Okay, let me popularize it for you!"

Ye Wudao smiled, "In fact, there are two artifacts! One! A sword is called Heaven Sword and Earth Sword! It is a divine weapon refined by Erudia's ancient weapon family! Can be called a weapon of heaven and earth, don't you imagine how terrifying it is?"

This sword is better than you Any weapon you have ever seen must be strong! Even as strong as you can't imagine! As long as you have the strength to control these two artifacts, it will be invincible!

Unfortunately, the knife has been gone for a long time, and no accident should be in someone's hands. As for the Tianjian soon to be unearthed! How

terrible are these two artifacts? My ancient Garrison Clan and Tiance Mansion and others will also fight with

all their strength!" Everyone was amazed.

I really want to see.

Even the ancient Garrison Clan wants to fight, how terrifying is that?

"For the unearthed sky sword this time, I am bound to win! Calling you this time is to arrange the deployment of the fight for the sky sword! Everyone listens to my arrangements..."

Ye Wudao arranged a lot of things.

Let the Garrison Clan prepare.

"My Garrison Clan will win the Heavenly Sword!!!"

Ye Wudao was looking forward to it.

Once the Heavenly Sword is in hand, he is more certain to challenge the Tiance Mansion!

Go get Levilia back!

You don't even have to rely on the power of your father's generation!

With the Heavenly Sword, he can make the Garrison Clan the real overlord.

The Garrison Clan is called the first, and no one dares to be the second.

An explosive news came from the whole world on this day-the divine weapon Heavenly Sword will be born in Erudia three days later.

Many people went crazy when the news came out.

Nowadays, there are more and more rumors about the divine weapon Tianjian.

Blow the heavenly swords into the sky. But it really is so scary...

The Return of the God of War [The Protector] Chapter 2220

There is one person who knows how terrifying the Heavenly Sword is!

That is the dark god!

Because the earth sword matching the sky sword is in his hand.

The dark god can say that no one understands the power of the sword and the sword better than me!

Even the dark cage can be split open, do you say fierce?

“Three days later is the day when the Heavenly Sword is born! I am bound to win the Heavenly Sword! You must fight for it with all your strength!”

“From now on, you must enter the Great Summer!”

“Especially you! You must do your best!”

Dark God looked at Zoey asked.

Today’s Zoey has been honed by the Dark God into the most perfect killing machine.

She has almost no emotion, the only emotion is revenge!

In the past three years, the Dark God has been instilling revenge on Zoey.

It is true that the Lab of the Gods disappeared.

But the concept that the Dark God instilled in Zoey was that he and Zoey eliminated the powerhouses in the laboratory of the gods one by one.

During the period, the Dark God arranged a lot of powerhouses who faked the laboratories of the gods and let Zoey kill them one by one.

Make her think she has revenge.

In the end, the Dark God brought Zoey to the fake Gods Lab headquarters.

Let Zoey see the destruction of the Lab of the Gods with his own eyes!

Let her think that Levi Garrison had revenge!

This makes Zoey more convinced of the Dark God and completely reduced to a murderous machine.

Also listen more to the words of the dark god.

It is even said that Zoey only listens to the words of the dark god.

Not only that.

Dark God also instilled other enemies for Zoey!

Many people in Erudia, such as Qilin, Azure Dragon (Qinglong), Common Killer God, and Tiance Mansion, were portrayed by him as hypocritical people, and they secretly framed Levi Garrison.

There is an inescapable responsibility for Levi Garrison's death!

So these people are now Zoey's enemies!

She wanted to kill these people long ago!

Originally, the marshal of Tiance had designated Zoey as Erudia's enemy.

Coupled with Zoey's various revenge and indiscriminate killing of innocents, she is now Erudia's public enemy.

If she hadn't been found, she wouldn't know how many times she would have been hunted down.

Not only that, but some big figures from all over the world were portrayed as enemies by the Dark God, and Zoey didn't know how many he killed.

Now she is the public enemy of the whole world!

He is also the most dangerous one on the list of gods.

Everyone gets punishable!

So now it is very difficult for Zoey to send out to perform the task.

Therefore, it is of little use value for the dark god.

Now he was going to use Zoey to dye one last time, and after winning the Heaven Sword, he gave up on her.

“This time the battle for the sky sword! The hypocritical guys in Erudia will definitely fight for the sky sword! At that time, we will join hands to wipe out these hypocritical guys!” The

Dark God once again used Zoey.

There was light in Zoey’s eyes when he heard that all those enemies were going to go.

That is the look of revenge!

Zoey didn’t doubt the words of the dark god.

Because the dark god promised her to do everything before, she firmly believed that the dark god would not lie to herself.

“Understood! I must win the Heavenly Sword for Master, and then kill all the hypocritical enemies!”

Zoey said.

Later, Zoey, the Eighteen Dark Angels and other strong men from the Bible Organization entered the Great Summer in advance.

The dark god left only one underworld god.

Come for his use.

“God of Darkness, you also want to enter Erudia and participate in the competition yourself?”

asked the God of Darkness .

The Dark God shook his head, “No! I can go everywhere in the world! But Erudia is the only one I can’t go!”

Underworld God was shocked when he heard it, and asked in surprise, “Why?”

“Because my greatest enemy is in Erudia.” Xia! I can’t go to Erudia without gathering all the swords and swords!”

Dark God explained.

“Huh?”

Underworld God became more shocked. He actually saw fear in the eyes of the dark god...
