

The Return of the God of War [The Protector] Chapter 2231

The power of the Sky Sword was heard and imagined before.

But this time everyone intuitively felt the power of the sky sword.

The dozen or so strong men who blocked Zoey just now.

If Zoey didn't have the Heavenly Sword, it would take at least ten minutes to kill.

With the Heavenly Sword, Zoey killed more than a dozen people with a single sword.

This is so delightful.

It also became more and more determined that everyone was determined to grab the Sky Sword.

In a small space, battles continue.

Everyone is crazy the same.

However, Zoey held the Heavenly Sword and was secretly protected by the major experts in the Bible organization, and step by step, he slew out of the cave.

Zoey became more and more proficient in using the Heavenly Sword, and his power became more and more amazing.

The Heavenly Sword reached Zoey's hands, which directly raised her to a higher level.

This is still the case without integration.

If you can really use the Heaven Sword, the power can be imagined.

All parties can attack and snatch again and again.

But no benefits were obtained.

The four blood ancestors were even injured by Zoey .

...On the

ground.

Marshal Tiance and Ye Wudao were all waiting.

There are even hundreds of powerful people waiting in the dark.

They rushed in without a single brain.

Anyway, the first one to rush in, may not be able to take away.

Also look at the timing...

Marshal Tiance and Ye Wudao stood at the entrance of the cave. They looked at each other and smiled and said, "Guess who can take the Heavenly Sword out?"

"It's not Zoey , right?" The

two guessed at the same time that it was Zoey .

“Boom!” The

next moment, Zoey rose to the sky.

“Sure enough! Stop him!”

Tiance Marshal and Ye Wudao jumped up at the same time, and they each used a punch to forcibly bombard Zoey .

Zoey was forced to flee.

The four great generals, the strong man of Tiance Mansion, Kunlun Industry and the strong man arranged by the young commander of Tiance took action together.

The strong Garrison Clan also shot.

They stubbornly stopped Zoey , blocking her escape route.

See the sky sword in Zoey 's hands.

At this time, the remaining strong men who were hiding in the dark couldn't bear it anymore, and they all came out one by one.

Dyeing away at the plum.

Soon, those strong men who jumped into the depths of the ice sheet also rushed out.

The scene was chaotic for a while.

Thousands of powerful men are fighting each other.

Although the Heavenly Sword is a hot potato, Zoey will definitely attract the strongest attack when holding it.

To put it bluntly, they are all mobs.

I want to get it myself, everyone has an idea.

Thousands of powerful people rob things together, not a united force.

All individuals!

For a while, Zoey was really helpless.

It's so cool to let Zoey kill with a heavenly sword in his hand!

Knowing that I can't leave for the time being.

So Zoey seeks revenge from the "enemy".

Killed all at once...

Ye Wudao, Tiance Marshal, these are also fighting on their own.

I feel that there are enemies everywhere, and I can't kill them at all.

Not to mention touching the sky sword in Zoey's hands.

...

“Strong! It’s worthy of being the Great Summer Sword comparable to my Dongdao Demon Sword Village Masaru! Strong enough!”

Several figures stood on the top of the mountain in the distance.

The young man headed praised.

He is a strong man from the East Island.

It only appeared in the past two years.

It is the representative of the ancient forces on the East Island!

He has a demon sword that is comparable to Erudia Tian’s sword, Mura Masa.

He is extremely terrifying!

Top three on the god list!

He was actually here long ago.

It’s just that when he came to Erudia this time, he didn’t come to fight for the heavenly sword, but just wanted to see the power of the heavenly sword.

There are still a few strong men like him.

They are all observing in secret, just want to see the power of the sky sword.

Levilia is also observing in secret.

Zoey is not in danger, she will not take action.

“Let Tianjian leave first!” At

this time, the strong man of the Bible organization wanted Zoey to take Tianjian away. They bludgeoned a hole...

The Return of the God of War [The Protector] Chapter 2232

Now all parties are fighting, it seems that the strong are like clouds, but they are not united and have different ideas.

Therefore, the biblical organization can easily open a hole.

Zoey glanced at the “enemies” and resolutely turned and left.

Upon seeing this, the Marshal Tiance exclaimed, “Everyone is not the time for us to fight each other! We should unite and take back the Heavenly Sword from the Devil Head! Let’s fight for us again!” The

Marshal Tiance said. With this, everyone responded with one hundred responses.

“Yes! The Heavenly Sword can fall into anyone’s hands! But it must not fall into Zoey ‘s hands!”

“Everyone first take the Heavenly Sword from Zoey ‘s hands!”

“All of us must unite a little bit and kill Zoey first ! Sword of Heaven!”

...

Even Ye Wudao responded to this suggestion, “Attention, everyone, there are Zoey ‘s companions helping us! We can’t fight anymore! We will run away if we fight Zoey !”

” Go!” “

Together!”

...

joined together.

Except for Zoey ‘s side, the rest were basically teamed up.

Thousands of powerful people together pressed Zoey to dye them.

The pressure of plum dyeing increased immediately.

Despite the blessing of the Heavenly Sword, he could face too many powerful people at once.

She gradually lost support.

The biggest threats to him are Ye Wudao and Tiance Marshal.

These two outsiders want to come, but they won’t cooperate anyway.

But at this moment, they even joined hands.

This is probably what the Dark God never expected.

He expects everything and arranges everything well.

Only did not expect that these two will cooperate together.

“Boom!”

“Boom!”

...

Ye Wudao and Tiance Marshal attacked Zoey one after another.

“Puff!”

Although Zoey is super powerful, he can face both of them attacking at the same time.

Suffered instantly.

“Hey!”

He was injured by the four great generals of Tiance Mansion again, and the Heavenly Sword in his hand flew out instantly.

Immediately, thousands of strong men rushed over.

I saw the corner of Tiance’s mouth raised, and he smiled mysteriously.

At this moment, thousands of powerhouses suddenly felt the aura in this area changed.

They felt heavier than Wanjun coercion, and their actions and shots were restricted.

The combat effectiveness is greatly reduced.

All are limited.

“Hahaha...” The

Marshal Tiance smiled.

This was once his retreat place, he was familiar with everything, and he could control the area here.

This is his world, he can control everything.

Even Ye Wudao was restricted.

A step slower.

“Pop!”

The Major Tiance grabbed the Heavenly Sword in his hand.

Others still want to fight, Tiance Mansion, Kunlun Industry and Erudia’s top forces are all guarding Tiance Marshal.

They are also willing to guard the Kirin (Qilin) Azure Dragon (Qinglong).

They just saw scenes of killings.

This Heavenly Sword is just like something unknown, it can cause too many killings.

Might as well be in the hands of the marshal of Tiance.

It's okay to satisfy his selfish desires.

At least he can be stronger and protect Erudia better.

"You..."

Ye Wudao didn't expect to be restricted in this place, he stared at Young Master Tiance angrily.

"Hahaha, you guys think too much! The heavenly sword is my Erudia! No one wants to take it away! This place is my retreat, no one is more familiar with this place than me! No one here will be my opponent !" The

marshal Tiance laughed.

Everyone was silent now.

Although everyone wants to get the Heavenly Sword.

But just now, the marshal of Tiance's control over here was felt by everyone.

In addition, there are too many people guarding the marshal of Tiance.

There is really no way for a while.

Suddenly, the Marshal Tiance looked at Zoey and said loudly, "The first thing I did when I got the Heaven Sword— Slaying the Devil Zoey !" What

Zoey did not expect was that the other members of the Bible organization had slipped away quietly.

Abandon her here alone.

“Agree! Kill Zoey first! We’ll talk about the Heavenly Sword later!” Ye Wudao was the first to stand up and support.

The Return of the God of War [The Protector] Chapter 2233

“Zoey’s husband, Levi Garrison, violated the house rules of my ancient Garrison family! When Levi Garrison disappeared, Zoey took over the family rules! I punish Zoey in the name of the ancient Garrison family, and die!”

Ye Wudao shouted.

At this point, he is not in a hurry.

Although Major Tiance had control over this place, the strength of the others was greatly reduced.

But how could everyone give up the fight for the Heavenly Sword.

Marshal Tiance is invincible in this place.

But he can’t stay here all his life, right?

There is always time to leave, right?

As soon as he left, the Heavenly Sword could compete again!

It’s better to kill Zoey these people at this time...

“I also support it!”

Erudia's top ten forces stated one after another.

Even if some forces have something to do with Zoey , they all expressed their opinions.

"Agree!"

"Agree!"

.....All the

major forces on the scene expressed their opinions and killed Zoey first.

After all, the two purposes of coming here this time-Tianjian and Zoey .

"Kill Zoey !!!"

...

Tens of thousands of people in the field shouted to kill Zoey .

"Well, that's the case! I will sacrifice the

Heavenly Sword with her blood!!!" The Tiance Marshal yelled.

The heavenly sword in his hand seemed to resonate with a humming sound.

A terrible atmosphere of destruction permeated the audience.

Make everyone feel tight.

Is this the Heavenly Sword?

greedy!

Everyone is greedy!

Feeling the breath of the Heavenly Sword, Ye Wudao's eyes were almost shining!

"Zoey ! I will kill you with the Heavenly Sword today! To wash away your accusation!"

Tiance Marshal raised the Heavenly Sword to kill Zoey .

At this moment, Zoey was only slightly injured, and she still had the strength to fight.

After all, she is eighth on the god list!

Facing the swift attack from the young marshal of Tiance, Zoey fought hard.

Show everything that the Dark God taught her.

The powerful strength made everyone present stunned, even Ye Wudao squinted his eyes and re-examined Zoey .

Obviously Zoey is more terrifying than everyone thought.

Most of the people present wanted to get rid of it quickly, and wanted to kill the eighth on the gods list to improve their reputation.

But now that Zoey 's true strength was revealed, everyone was dumbfounded.

Zoey was finally underestimated.

This woman broke out, she was invincible!

It is even stronger than holding a heavenly sword!

At that time, she just relied on the aura of the sky sword to oppress, her own strength did not show off.

Now it broke out completely.

“It's hard to kill this woman...”

Ye Wudao finally knew why Zoey had been listed as a devil, but he was still alive.

She is too strong.

Few people can kill her!

Other people think the same way.

If it is one-on-one, it is very difficult for Tiance Marshal to kill Zoey in a short time.

But the problem is that Marshal Tiance got the Heavenly Sword!

Moreover, he had been in retreat here for a long time before, nourished by the heavenly sword to the sun.

He has a certain connection with Tianjian.

It is easier to use the Heaven Sword than everyone present, and it is easier to use the power of the Heaven Sword.

Seeing that Zoey was so strong, the Marshal Tiance was resisting stubbornly.

He is also angry!

What he is practising is the Zhiyang technique, and his Zhiyang Zhenqi is surging like a sea.

Combined with the sword of the sun, it was like a god descending into the world for a while, killing all quarters.

One after another Zhiyang Jianqi swept Zoey .

As a disciple of the Dark God, Zoey practiced Zhiyin techniques and learned dark killing techniques.

But facing Tianjian and Tiance Marshal was restrained.

“Boom!” As

soon as the Heavenly Sword came out, Zoey was immediately burned by Zhiyang Jianqi.

The marshals of Tiance used sturdy moves with big openings and closings.

Zoey was directly suppressed, vomiting blood one after another.

“Boom!” With

another wave of swift and violent offensive, Zoey was directly blown out.

There were lots of scars all over his body. "Everything should be over!"

The Return of the God of War [The Protector] Chapter 2234

Zoey was beaten until he lost his temper, and had no strength to defend and fight back.

Lying there, can only wait for the arrival of death.

She has given up.

There is no hope of survival.

All her companions have given up on her.

The moment the Marshal Tiance obtained the Heavenly Sword, the Dark God ordered everyone in the Bible organization to evacuate, no longer participate in the fight, and gave up Zoey alone.

Her value is gone.

... The

young commander of Tiance laughed. After using the Heavenly Sword, he felt that he was an omnipotent killer!

Invincible!

unstoppable!

Everyone also saw the true power of the Heavenly Sword!

This brought the combat effectiveness of the Tiance Marshal to an unprecedented height.

Ye Wudao began to look greedy.

Others are also greedy.

Even if you die, you must fight for the Heavenly Sword!

Can not give up.

“Zoey go to death!!!”

Tiance Marshal waved his heavenly sword and slashed at Zoey .

Zoey has closed his eyes.

In addition to these hypocritical enemies, the enemies who really killed Levi Garrison were also wiped out.

The Lab of the Gods was also destroyed.

She can feel relieved to see Levi Garrison below.

Heavenly Sword's edge is revealed!

To tear the plum dye.

Everyone started cheering.

The devil is finally dying.

The eighth of the god list has fallen.

Everyone is here to watch the excitement.

Wen Lei, Zhou Nanyan, and Kirin (Qilin) wanted to make a move.

But the four great gods will wait for the strong of Tiance Mansion to control them tightly.

Don't give them a chance to save people.

“Sister-in-law!!!”

Kirin (Qilin) and the others were desperate!

They watched Zoey going to die...

but because of the fact that Zoey was a devil, they were actually a bit hesitant.

It's right to protect Levi Garrison and his family.

But Zoey are all sinners, and all are public enemies of Erudia.

...

This is the root of their contradiction!

Tiance Mansion wants to finish everything today.

The Heaven Sword in his hand will never stop.

In despair.

“Boom!”

Suddenly a majestic blast came and hit the sky sword.

“Da da da...”

Tiance Young Marshal stepped back again and again, and cracks came one after another under his feet.

His face was unbelievable.

There are people who can push him back?

The same goes for everyone else present.

I don't believe that someone will save Zoey at this time...

Kirin (Qilin) and the others showed a touch of joy, but they were also looking for who made the shot.

“Who?” the

marshal Tiance shouted.

Even Zoey is looking for who saved him?

At this time, a small figure appeared in everyone's eyes.

A child? ? ?

Everyone was dumbfounded when the child appeared.

Can children come out of this place?

Or is it the kid who forced the retreat of Tiance Marshal?

Horrible!

"Levilia? What are you doing here?" The

young marshal Tiance recognized Levilia at a glance, and he thought that Levilia had gone to a far place after training.

I didn't want to run here.

Levilia glared at him, did not speak, and went straight to Zoey .

"Mom!"

Zoey was taken aback first, and then he hugged Levilia in his arms.

"Levilia..."

She was honed into a killing machine, and it was true that she almost wiped out all emotions.

But it's not that the six relatives don't recognize it, you know it naturally.

The audience was shocked when the Tiance Marshal said the identity of Levilia.

"It turned out to be an unparalleled young genius in Tiance Mansion!"

"I heard that the young genius of Tiance Mansion had come out to practice! I didn't expect it to be true!"

...

Ye Wudao carefully looked at Levilia "This Is it Levi Garrison's child?"

Ye Lingtian and the others also had a difference, "They are all grown up like this?" As

soon as Levilia appeared, Tiance Marshal frowned, "What are you doing here? Go back! This is not your right place to come. Yes!"

Levilia appeared, it is difficult for him to start.

He was also afraid of the ancestors behind Levilia.

Even if he is now in charge of Tiance Mansion, these ancestors would not listen to him at all. Maybe he came, and people will save face.

The Return of the God of War [The Protector] Chapter 2235

Levilia shook his head stubbornly, "No! Mom can't die! Levilia won't let her die!"

"You..." The

Tiance Marshal became more embarrassed.

Do you really want to attack Levilia?

Will the ancestors behind her agree?

“Do you know how big a mistake your mother made? How many people did she kill? How much blood did she have on her hands?”

asked Tiance Marshal.

Levilia shook his head, “My mother must have been framed! She is not such a person! What’s more, I don’t care about anything else, I only know that there is me, my mother can’t die!”

The ancestors in the dark were still worried.

The scene they expected still appeared-Levilia will eventually make a move.

If there is chaos in the future, do they really want to take action?

...

“Hahaha... really laughed at me! This female devil’s daughter is the first genius of Tiance Mansion?”

“It turns out that Tiance Mansion is the training base of the Demon Head! It really laughs me to death! High-sounding hypocrisy Tiance Mansion of Tiance Mansion!”

“Tiance Mansion, are you trying to protect this female devil?”

... For

a while, everyone shouted, which made Tiance Mansion's face completely lost.

Have something to do with the devil.

What a shame.

But in this way, Zoey will kill even more!

Use this to clean up the face of Tiance Mansion!

"Don't bullshit! This child has been disconnected from the outside world since joining Tiance Mansion! How is her mother and what does it have to do with her? What does it have to do with my Tiance Mansion?"

"I declare it again! This female devil? She must die today! The Heavenly Sword in her hand must cut her head! No one can stop it!"

The Marshal Tiance immediately stated his position.

"Haha, this kid is stopping, do you dare?"

"Don't dare! Don't you dare to do something with her?"

everyone laughed.

"What can't I dare? Dare to stop me from killing Zoey , and die!"

Tiance Marshal was angered.

He just took a step, Levilia stopped in front of him, "If you want to kill my mother, first defeat me!"

"Boom..."

A terrible breath came out of Levilia, covering the audience.

Everyone has a tight heart.

Marshal Tiance felt unprecedented pressure!

This kid seems to be better than plum dye!

No wonder several ancestors would let her go down the mountain to practice.

It turned out that she had enough strength to let her out.

fear!

The young commander Tiance looked solemn.

Before Levilia appeared, he was the first genius in Tiance Mansion.

Now Levilia has snatched his fame, if it weren't for her to be a child, Tiance Marshal would have wanted to try.

It wasn't until today that Marshal Ce realized that he had despised it before, thinking that it was because the child hadn't taken it seriously.

But now I find that this kid is too strong!

“Major Tiance, do you dare to kill her! Slay Zoey again?”

...

Everyone began to encourage the marshal of Tiance.

But in the face of Levilia, Tiance Marshal did not do anything.

Even the four great gods were silent.

If they were known to the ancestors for their action against Levilia, they would not know how miserable they would end up!

Dare not!

There was no action at Tiance Mansion!

“Hahaha... Don’t you dare?”

Everyone laughed.

At this time, Ye Wudao signaled everyone to be quiet.

He said coldly, “Now this child is preventing the Marshal Tiance from killing the devil! After all, this child belongs to the Tiance Mansion! They are forgiven for not doing

anything ! Now we have to help!” “I’ll help you. Give this child to me! It just happened that her father violated my Garrison Clan’s house rules! I also punish her! You come to kill Zoey !”

Ye Wudao stood up.

Marshal Tiance smiled.

This crisis was finally lifted.

He can't do anything to Levilia, but others can!

Ye Wudao directly killed Levilia fiercely. All of a sudden, he entangled Levilia and thoroughly exposed Zoey to the marshal of Tiance.

The Return of the God of War [The Protector] Chapter 2236

The ancestors in the dark also became anxious, their hearts hanging in their throats.

They don't want to care about the situation of plum dyeing, and they don't want to know.

But Levilia's every move affects their hearts.

Everyone was nervous to the extreme, watching the battle between Levilia and Ye Wudao in horror.

Ye Wudao knows that Levilia is powerful, so his shot is a fierce move, and he won't have any reservations.

Levilia can only come up with real things to parry.

And she wants to protect her mother, so she is fully capable of fighting.

...

Looking at the super battle between Ye Wudao and Levilia.

Everyone was shocked.

This kid is so strong?

Hardly shake Ye Wudao this great god!

The whole world knows how strong Ye Wudao is.

But the child didn't let the wind fall in the slightest, which surprised everyone.

When she was fighting Ye Wudao, she could still faintly consider Zoey , which was even more shocking.

Even the Marshal Tiance stared at him for a while.

As expected of several ancestral religions, so strong?

According to this posture, Levilia can single him and Ye Wudao at the same time.

“Why are you still stunned? Go and kill Zoey ?”

Ye Wudao reminded dissatisfiedly.

The marshal Tiance who reacted immediately killed Zoey .

But Levilia went crazy, and after he forced Ye Wudao back, he blocked him in front of Marshal Tiance.

The terrible combat power is simply suffocating!

shocked!

unimaginable!

There is such a powerful force in this small body?

Worthy of being the unparalleled genius of Tiance Mansion!

...

The ancestors in the dark showed gratifying smiles.

I finally saw the side of Levilia's growth.

"Don't look at whose apprentice it is!" The

female ancestor looked proud.

... For

a while, Levilia blocked the joint attack of Ye Wudao and Major Tiance.

Of course, the young marshal Tiance had restrained himself, and he didn't dare to really attack Levilia.

He can't bear the anger of several ancestors!

...

“Hurry up, too! Take action together!”

Ye Wudao shouted.

Ye Lingtian, the powerful Garrison Clan, reacted and all killed Levilia.

Ye Lingtian understood everything in an instant.

Ye Wudao helped the young marshal Tiance stop Levilia and let him kill Zoey .

But the main reason was that Ye Wudao wanted to capture Levilia in order to coerce Tiance Mansion into surrendering the Heavenly Sword.

Just now how important Levilia is to Tiance Mansion, everyone sees it...

a madman who is as strong as Tiance Marshal, he who doesn't put anyone in his eyes, he dare not see this child. Started, the entire Tiance Mansion was misfired.

It can be seen how high is the status of this child in Tiance Mansion?

Once she is captured, then the Marshal Tiance will have to change, or if not, he will have to change.

This is the best opportunity!

Whoever gets this child is equivalent to getting a heavenly sword.

Ye Lingtian sighed, as expected to be Ye Wudao, his mind turned so fast.

I'm afraid that even the Marshal Tiance didn't react, right?

After the strong Garrison Clan shot, he directly blocked Levilia.

...The

other major forces also saw clearly the purpose of the young commander of Tiance one by one.

Understand the truth that the Heavenly Sword can be obtained by capturing Levilia.

“Let’s go too! We must catch this kid!” The

other masters were all crazy, and began to join the battle group to attack Levilia.

They want to capture Levilia.

At a time, thousands of people attacked one king.

Now, no matter how strong Levilia is, there is no way to care about plum dyeing.

She cannot protect herself.

Ye Wudao and the others also became nervous.

Originally, he wanted to capture Levilia by himself, but this kid was too strong and really couldn’t catch him for a while.

It’s all right now, everyone has reacted.

It is difficult to catch Levilia now.

The Young Master Tiance also reacted, and the purpose of this group of people was to capture Levilia and exchange the Heavenly Sword in his hand.

But he reacted slowly.

Forget it, kill Zoey first, right?

The marshal Tiance kills Zoey with a sword in his hand.

Stabbed with a sword!

“Puff!” The penetrating voice came, and the audience was shocked.

The Return of the God of War [The Protector] Chapter 2237

Shoot a bloody dart!

Zoey was pierced by the sky sword.

This time she didn't have any obstacles, letting the sky sword pierce in.

But the right shoulder was pierced, blood gurgling.

“Boom!”

Suddenly, Zoey's eyes burst out with two rays of light, and a palm shot the Marshal Tiance out.

“Puff!”

Tiance Marshal was beaten to vomit blood.

He was shocked.

Zoey , who was dying, suddenly broke out of this kind of strength?

This is too scary!

The others present were also stunned.

Zoey 's fighting power exploded and was shocked.

“Too enchanting! The family is so strong! It used to be Levi Garrison! Now it is his wife and children’s turn!”

“If Levi Garrison is still alive! I guess he will be ashamed to death? After all, he is too weak in this era. That’s it! Two women are required to protect!”

“But now Zoey is about to die, and Levi Garrison’s backers are gone...”

“One thing to say! If it doesn’t happen, Levi Garrison will be able to come back in this era. Live well! Such a strong wife and children can protect him! He has no worries in his life!”

...

This is everyone’s evaluation of Levi Garrison’s family.

Even several ancestors think so.

If Levi were here, this home would be Levilia and Zoey .

He is the protected role.

They saw the power of Levilia, but now Levilia is facing the attack of thousands of powerful people.

Among them, there is no lack of super powers like Ye Wudao, and she has suffered too much pressure.

Worried!

nervous!

If Levilia has something good or bad, several ancestors are afraid that they will not forgive themselves in this life.

They stared carefully, for fear that Levilia would be hurt a little bit.

Everyone was so nervous that they sweated, their fists clenched tightly.

If Levilia's life is in danger, they must act at any time.

As for Zoey , they ignored it.

Life or death has nothing to do with them.

...

Levilia saw that his mother was injured, and roared to get away from the people in front of him.

But after all, there are too many strong people, she is helpless.

Levilia was crying, while fighting...

Zoey broke out terrible fighting power at the last moment, even going to fight back.

However, this also angered Marshal Tiance completely.

Soon Zoey couldn't stand it.

A sword was hit in the body, but it was not pierced.

"This...this is...I recognize it! This is the platinum armor that was excavated from the Dead Sea ruins in the Western Continent last year! It is the invincible armor of the ancient Western race emperor, you can't wear anything!"

"Sure enough ! Horrible! Even the edge of the sky sword hasn't been torn apart!"

...

Seeing the platinum armor worn by Zoey , everyone was stunned.

This platinum battle armor is a defensive artifact.

Countless people competed last year, but they didn't expect it to be in Zoey 's hands.

This is an artifact that has been ranked top in the past three years!

Amazing defense!

The battle armor known as the number one defense!

There is still no weapon that can break this armor!

Now that the Heavenly Sword is facing the most defensive artifact, everyone is looking forward to the sparks that will come out of each other.

Even the attention of several ancestors has come a little.

They were also shocked by this defensive artifact.

“Really?”

Tiance Marshal sneered.

The sky sword in his hand continued to swing.

“Clang!”

“Clang!”

... The

Heavenly Sword and the Emperor’s Armor collided fiercely.

After three times.

“Kakcha!”

“Kakcha!”

“Kakcha!”

...There were

cracks in the emperor’s armor!

“Bang!”

Finally, under the bombardment of the sky sword, the emperor’s armor was completely shattered.

Zoey flew out completely.

This time she couldn’t stop it anymore.

He vomited blood and was seriously injured...

“Is this the Heavenly Sword? The defensive artifact is broken!” “I must have the Heavenly Sword! The Heavenly Sword is terrifying! I must get it!”

The Return of the God of War [The Protector] Chapter 2238

crazy!

Completely crazy!

It can be said that these people are all the same as being in a demon.

Was stunned by the terrifying strength of the Heavenly Sword.

All eyes revealed madness!

There are even a lot of people who are determined to die!

Even if you die, you have to get a heavenly sword!

To put it bluntly, almost everyone is now bewildered by the Heavenly Sword.

Heavenly Sword is also good and evil.

But now in this situation, the Heavenly Sword has enchanted everyone.

How to get the sky sword?

That must be to capture Levilia and force Tiance Mansion to surrender the Heavenly Sword.

This group of people attacked Levilia more frantically.

One by one was confused.

Can't stop it.

Zoey was also shocked.

She actually wanted to counterattack just now, killing the Marshal Tiance and fleeing.

This emperor's battle armor is her secret trump card and will not be used until the last moment.

In her expectation, the Heavenly Sword would not be able to split the Emperor's armor for a while, or even unable to split it.

But I didn't expect the power of the sky sword to be so terrifying!

Her plan was shattered.

In fact, this dark god has known for a long time.

He dyed the Emperor's Armor for Zoey , and he knew the Heavenly Sword. He withdrew, obviously the Emperor's Armor could not stop the Heavenly Sword.

The terrifying power of the Heavenly Sword is frightening.

Not only was it bewildered to everyone present, but even several ancestors couldn't help but sigh, "If it weren't for the son of the handsome man, I would want to participate! This Heavenly Sword is too terrifying!"

Female ancestors sighed, "In fact, you have not really felt the power of the Sword! The man was in the hands of God really block to kill God, Buddha kill the Buddha!"

"Really horrible!"

On the surrounding mountains, as well as The powerful people who watched the battle in the dark were all shocked by the power of the heavenly sword.

Especially a genius from Dongdao, a smile appeared at the corner of his mouth, "Well, I can be the opponent of Demon Blade Muramasa!"

These great abilities did not participate in the competition.

Either he has a comparable artifact in his hand, or he is afraid of showing up.

The horror of the Heavenly Sword greatly increased the confidence of the Young Master Tiance.

After he wanted to kill Zoey , he immediately went to help Levilia.

Can't let the plans of Ye Wudao succeed!

“Zoey , how can you hide this time?” The

marshal Tiance stabbed.

Zoey grabbed the sky sword.

But the Heavenly Sword was piercing her body bit by bit.

Zoey watched Tianjian's edge approaching him.

She was helpless.

This time there is really no post-recruitment.

“Mom!!!”

Levilia roared at this time.

“Puff!” At the

risk of serious injury, she abruptly opened a hole.

After a few tricks behind him, he vomited blood.

She is injured!!!

For a long time, everyone wanted to capture her, so they didn't use their full strength, so Levilia was not seriously injured.

But this time, in order to save Zoey , she gave it up.

Although Levilia was seriously injured, she finally rushed to Zoey and saved her life.

"Daughter!!!"

Zoey saw Levilia's injury, and his frozen heart seemed to have a heartbeat.

In addition to revenge, she has other feelings.

Seeing Levilia was injured, her heart hurts...

"Levilia!!!"

Seeing Levilia was injured, the female ancestor almost rushed out.

"Wait! Wait a minute! Levilia is in danger of life, we will shoot again! Now it is actually the best experience for Levilia!"
The

other ancestors rushed to her.

Of course others are also very anxious.

“Furthermore, these people don’t dare to kill Levilia! They want to capture Levilia for the Heavenly Sword! We basically don’t need to shoot!”

You ancestor said.

The great ancestors began to look worriedly.

“Take it!!!”

Everyone is crazy now.

Only Levilia in the eyes!

Nothing else!

“Kill! Kill!”

A group of people rushed up.

Ye Wudao wanted to make a living.

In order to capture Levilia, he deliberately killed Zoey .

I wanted to attract Levilia to capture her...Ten

thousand people acted together, and the scene was chaotic for a while.

“Get out!!!” Suddenly there was a roar in the air.

The Return of the God of War [The Protector] Chapter 2239

“Buzzing...”

This sound was like thunder, and there was a trembling sound in the air, as if the whole world was trembling.

“Boom!” There was

even a terrifying force, like a Taishan palm pushing the ten thousand strong on the court away from Zoey ‘s mother and daughter.

Including Ye Wudao and Tiance Marshal, as well as the four great blood ancestors, were all pushed away for at least a hundred meters.

Incredible! ! !

Everyone in the audience looked incredible!

What kind of existence can virtually force tens of thousands of superpowers back?

What kind of amazing combat power is this?

unimaginable!

At this moment, not only the parties concerned were shocked.

Even the various powerhouses who observe in the dark are dumbfounded.

Including the genius from Dong Dao who was holding a demon sword, Muramasa...

and the super-powerfuls who hadn’t shown up in the dark, were all shocked.

“This...what’s the situation? When did the powerhouse emerge?”

“When did it appear? Where? Why don’t I know?”

...

Everyone was surprised.

I only saw everyone being pushed away, but didn’t see where the shot was...

Except for them, even the ancestors who were observing secretly were completely stunned.

When Levilia was in extreme danger, and they were hesitant to make a move, someone made a move.

But this person doesn’t even know where the ancestors are, let alone see how to shoot these...

“Hiss!!!”

They all sucked in cold air.

fear!

so horrible!

They couldn’t judge the strength of this person for a while.

They asked themselves if they could push back the tens of thousands of powerhouses in an instant when they went up.

I can't do it!

...

Levilia and Zoey were both stunned.

I thought it was a mortal situation, but I didn't expect someone to come out to save them?

who is it?

"Boom!"

At this moment, a figure fell from the sky, shaking with a big earthquake.

Everyone looked over.

It's just that he wears a mask.

He couldn't see his face at all.

The person, of course, is Levi Garrison.

He wanted to come out to save people directly!

It's just that Huoyun evil god handed him a mask for him to wear.

The reason is simple-now that the times have changed, Levi Garrison's sudden high-profile announcement is not necessarily a good thing.

Secondly, he came out directly, the Dark God and his former enemies (because of the use of taboo techniques).

There is another one-Zoey is the public enemy of Erudia and even the world. Levi Garrison will show up directly to save him. The problem is not easy to deal with!

Therefore, wearing a mask can avoid a lot of troubles.

Everyone understood when they saw people wearing masks.

This strong man is unwilling to show up!

Levilia and Zoey are both dumbfounded.

They don't know who is in front of them?

From his body, he could not feel a trace of the temperament of King's Landing at all.

After all, after three years of retreat, Levi Garrison completely transformed into another person.

The previous breath is gone.

There was an ethereal feeling all over the body now...

as if he didn't exist, and as if he was everything in the world.

"Who are you? Why are you blocking us?"

Ye Wudao was not afraid at all and asked Levi Garrison.

Levi Garrison didn't answer. He swept around and saw many acquaintances- Ye Lingtian, Ye Kuanglan and so on.

In this era, they all came out and acted as monsters again?

"I'm talking to you, didn't you hear it?"

Ye Wudao yelled frantically.

Marshal Tiance also said, "Senior, I don't know where you are? But now we are killing a big demon! I hope you don't interfere, please let me go!"

Although he doesn't know who is in front of him, you can give He feels like a peerless expert.

"Get out! Get out quickly!"

"We're not only going to kill this woman, but also to catch the child in exchange for the Sword!"

"Yes, everyone rushed to the Sword!"

"Who stopped dead!"

..... group People are like crazy.

The Return of the God of War [The Protector] Chapter 2240

Everyone stared at Levi Garrison with scarlet eyes.

No matter who he is?

As long as he blocks the way.

Then kill without mercy!

Heavenly Sword!

For the Heavenly Sword!

Everyone has a heavenly sword in their minds.

Marshal Tiance was silent.

What he has to do now is to kill Zoey Baojun.

Indirectly is to protect the Heavenly Sword!

...

Ye Wudao even urged everyone, "Attention, everyone, if you want to get the Heaven Sword, you must get rid of the person in front of you!"

"Kill, kill!!!!!"

...

Everyone is as crazy, Qi Shouted together.

Enchanted!

They are crazy!

Everyone is lost...

even though the sky sword is the sword of the sun!

But at this time, it is evil!

It confuses everyone's mind, drives everyone crazy, makes the world flow into rivers of blood, bones into mountains...

What is this not evil?

If the Heavenly Sword is not unearthed, these problems will not exist.

"Heavenly Sword! Heavenly Sword! You are all crazy for the Heavenly Sword!"

Levi Garrison exclaimed dissatisfied.

"Boom!" As

soon as the voice fell, he turned into a flash of lightning and appeared in front of Major Tiance.

Levi Garrison grabbed the Heavenly Sword.

The marshal Tiance reacted and wanted to block Levi Garrison.

But he was empty.

His hands were even more empty, and the Heaven Sword was gone.

speed!

Levi Garrison's speed was unexpected, he transcended a limit, and was beyond the cognition of the young master of Tiance.

Obviously it seems slow, he can react, he can block it.

But it happened to be half a beat slow.

This is the peerless expert.

The most terrifying thing is-this place can be controlled by the marshal of Tiance.

In the place where he retreats, everyone is restricted, and he can't exert his full strength at all.

All aspects are greatly discounted, even Ye Wudao and his ilk are no exception.

But after encountering Levi Garrison, nothing worked.

Levi Garrison ignored everything, and easily grabbed something from the marshal Tiance.

With such a flash of effort, the Heavenly Sword was in Levi Garrison's hands.

"Buzzing..." After the

Heavenly Sword reached Levi Garrison's hands, it began to tremble, becoming more and more intense, making a sound.

“Boom!”

“Boom!”

“Boom!”

...

the terrifying aura of the Heavenly Sword seemed to be completely released, and the aura of dying began to erupt.

Everyone felt a killing intent of destruction!

That is the fear from the depths of the soul!

Everyone was forced to retreat.

Everyone feels that if the Heavenly Sword at this moment releases its sword aura, it is estimated that everyone will be beheaded.

Correct!

That's right!

Everyone present!

Including Ye Wudao and his ilk could not stop the horror of this sword!

The real power of the Heavenly Sword was urged!

“This...”

Everyone was shocked.

“!...”

Ye Wudao swallowed fiercely as he stepped back.

The current Heavenly Sword was when the murderous aura was the heaviest, and he also felt a little scared.

Young Master Tiance was even more dumbfounded.

Why did the Heavenly Sword get into Levi Garrison’s hands, it was completely aroused, and it truly showed horror.

The sky sword in front, although terrifying, felt that everyone present could control it.

But after the terrifying power of the current Heavenly Sword came out.

I feel that no one can control it!

Including Tiance Marshal and Ye Wudao.

The breath of the sword can hurt them!

...

A group of powerful people in the dark also said, “Sure enough, the Heavenly Sword can be used by the Great God! Only then can it exert its true power!” The

ancestors were also discussing.

“Did you see it? The sky sword in the hands of a real strong man is like this! I saw that person use it back then, it was so terrifying!”

said the female ancestor.

“Do you think this person is just for the Heavenly Sword?”

An ancestor said.

“Yes! He may not be here to save people! He is for the Heavenly Sword! The Heavenly Sword can exert its greatest power in his hands!”

Everyone immediately reacted.

But they all misunderstood Levi Garrison.

Levi Garrison did not get the Heaven Sword to get it, but to... destroy it!
