

The Return of the God of War [The Protector] Chapter 2251

“Remember the fictitious death of Levi Garrison in the previous battle on Golden Port Island?”

Dark God asked.

“Remember!”

Everyone nodded.

Underworld God even said, “The whole world thinks that Levi Garrison is dead, but you say he is still alive!”

“Yes, that’s because I felt that Levi Garrison used a taboo technique. Although it is very weak, I still feel it. ! Later, Levi Garrison completely ignored it and used the taboo technique!”

“Is there anything special about this taboo technique?”

everyone asked.

“Because it originated from one person! A person who prevents me from entering Erudia now!” The

Dark God suddenly looked ugly and became extremely terrifying and terrifying.

The evil god immediately said, “Doesn’t it mean that you want to get the Heavenly Sword, and this person is the one to deal with with the Earth Sword?” The

Dark God nodded, “Yes! Even I created the Bible Organization, the layout is for this person for so long!

” So what you mean is that Levi Garrison is his apprentice! You do everything possible to get Levi Garrison to be your apprentice is related to this person?”

“Well, it is true! I want his apprentice to become mine! It’s just a failure! up! “

everyone was shocked,” Would not it be said that this is a dark cage leaves monarchs master broken? ” “

there is this possible! but in my perception of his previous big probability impossible! ” “

but then, these Years have passed, maybe he has any opportunities! Otherwise, how to break Levi Garrison’s dark cage? I now deeply suspect that he is the one who broke the

heavenly sword and broke the dark cage!” The Dark God was a little desperate.

If the person I want to target has such strength, then my efforts for so long have been in vain.

It is estimated that there is no way to integrate the sword and the sword.

If it is really him, then never want to enter Erudia again in this life.

However, compared to Levi Garrison breaking the dark cage by himself, God of Darkness is more willing to believe that his master did it.

Levi Garrison did it.

Dark God does not believe it!

“But it can’t be ruled out that Levi Garrison will do...There is still a trace of possibility...”

Someone boldly said the question.

In any case, it is everyone’s analysis, but seeing is believing in the end.

It is still possible for Levi Garrison to break the dark cage by himself.

Can’t say no.

Even the Dark God himself understands this truth.

“Is it true that Levi Garrison will know if he tests it?”

Dark God said.

“Do not you go to a big summer?”

Dark Lord shook his head; “In the past can not now not to test the monarchs leaves it very simple by means of the hands of others!!!!”

“You listen to me arrangement”

listening After the arrangement, everyone smiled.

“Well, this method can be done!”

...

Zoey and Levilia, who are far away in Jiangbei, are still thinking about the reason why the Eighteen Dark Angels saw Levi Garrison suddenly ran away.

“I said that I was trapped by the Dark God. They thought they would detain me for the rest of my life! As a result, I came out, so they were so shocked when they saw me, and then they fled suddenly...”

Levi Garrison explained.

But Zoey couldn't hear it at all.

“The reason they are shocked is that you are alive. All of us have always thought that you are dead. Who is not shocked when we suddenly see the big living person?”

Zoey said.

Just as the two of them debated fiercely, the underworld gods reappeared.

“What are you doing here?”

Levi Garrison said.

“Look, it's definitely not for other reasons! I just left when I saw you alive!”

Zoey glared at Levi Garrison.

“Present the order of the dark god-from now on you will live with your family and you don’t need to go back to the Bible to organize!” The

god of the evil spirit sent Zoey ‘s order to everyone in amazement.

Zoey was shocked and shocked, but nodded. But Levi Garrison thinks it’s not the same thing...
