

The Return of the God of War [The Protector] Chapter 2252

conspiracy!

This must be the conspiracy of the Dark God!

Now that these people have gone and returned.

The dark god must have known and accepted the fact that he came out of the dark cage...

but the dark god will definitely not believe that he can break the dark cage!

Let alone him, if Levi Garrison encountered such a thing, he would not believe it.

Even the Huoyun Evil

God who has experienced it together is still unwilling to believe in all this... Levi Garrison, who might have been slightly stronger than him, is now a hundred times, a thousand times, or even a hundred thousand times better than him...

Then why send someone to let Zoey instead? Stay in Erudia?

There is a conspiracy!

test!

I definitely want to test my own strength!

To determine if the dark cage was broken by himself...

As for the conspiracy, Levi Garrison couldn't think of it for a while.

But Levi Garrison didn't care.

He couldn't resist any conspiracy.

If you can't fight, you can directly show your true strength.

Now he doesn't care about anyone!

The good thing now is that Zoey won't bother to leave Erudia and ask Master for sin.

In this way, Levi Garrison could change her mind little by little.

It's time to spend some free time with my family.

It just so happens that Levilia can experience now, and can see the children every day.

...But the

good times didn't last long, and soon there was a big news in Erudia-the devil Zoey is now in Erudia Jiangbei!

And Levi Garrison, the patron saint of Great Xia, is also back...

These two news came out.

Not to mention Erudia was shocked, even the whole world was shocked.

Especially after the news that Levi Garrison came back alive, everyone was crazy.

The name Levi Garrison once again entered everyone's eyes.

The king of the old age has appeared.

Many newcomers and newcomers who have only heard the legend of Levi Garrison want to come and see what Levi Garrison looks like.

As for Levi Garrison's previous acquaintances, especially those acquaintances who have had opportunities in the new era, are more eager to see Levi Garrison and want to compare with him.

Not to mention Levi Garrison's enemies, he wanted to see Levi Garrison all the time.

They want Levi Garrison to be alive more than anyone else, and have been longing for it all the time.

Levi Garrison's opponents wanted him to come back, and they wanted to prove that they were better than Levi Garrison and let him know how weak he was in this era.

Everything he used to be proud of no longer exists...

Even Levi Garrison's brothers knew he was still alive, and they rushed over excitedly for the first time.

Kirin (Qilin), Azure Dragon (Qinglong) and them.

Also, Xiao Feng, the apprentice of Levi Garrison and others, as well as the masters he cultivated, are also eager to see him.

All of a sudden came to Jiangbei one after another.

“Levi Garrison, did you finally show up? I also want to see how you are!”

Tiance Marshal and the others also rushed over.

“Levi Garrison has appeared!!!” The

Garrison Clan in Jingcheng was most excited by the news.

“Levi Garrison appears! Then you must follow the Garrison Clan’s house rules! Let’s go to Jiangbei! How about I want to see Levi Garrison?”

Ye Wudao was looking forward to it.

...

Levi Garrison, the king of the old age, still caused an uproar.

He appeared, basically comparable to the birth of Heavenly Sword.

Countless people have gone to Jiangbei.

On the other hand, the news of Zoey in Jiangbei has been rendered more and more serious.

“The devil must die! She killed so many people in Erudia! How can she stay in Erudia safe and sound!”

“Yes! Zoey must die! She can’t live!”

“We must give us an explanation! Our family members are all He died in her hands!”

...For

a time, the voice of killing Zoey became louder and louder.

Almost everywhere.

If you don’t kill Zoey , everyone will petition.

Many people even petitioned the Tiance Mansion and other institutions to kill Zoey .

In short, Zoey cannot live in Erudia.

She must die!

Levi Garrison finally knows what the dark god's conspiracy is... Focus all the points on himself to test his own strength...
